

APPLICATION FOR CAREER/TECHNICAL SCHOLARSHIP

Full-tuition career/technical scholarship: Full-tuition scholarship awarded to Mississippi residents that are full-time, “first-time to enter college” freshmen career/technical students who have a high-school diploma and have completed a two-year secondary career/technical/ program with an overall high school average of B or above.

Half-tuition career/technical scholarship: A half-tuition career/technical scholarship is also available for students with a “C” average in academic courses and an “A” average in career/technical courses.

A student must be enrolled in and complete a minimum of 15 credit hours each semester. CTE Scholarship recipients must follow the catalog course sequence for the first 30 hours of the approved program. Any deviation from this sequence will need to be approved by the program advisor. The eligibility requirement to continue to receive a CTE scholarship is that a student must maintain a 2.5 cumulative GPA or higher. Students who do not adhere to the catalog course sequence or students who drop below the 2.5 cumulative GPA requirements and/or the 15 semester hour completion requirement will be placed on scholarship probation for one probationary semester to allow the student to re-enter the catalog course sequence or to regain the 2.5 cumulative GPA and/or satisfy the 15 semester hour completion requirement. If the student does not meet the probationary requirements, the student will no longer be eligible to receive the scholarship.

For career programs, these scholarships are renewable for the length of the program. For career/technical programs, it is renewable for the length of the program, which may include summer enrollment for programs that require summer attendance as indicated in the college catalog. For two-year programs that do not require summer attendance, the scholarship is renewable for four consecutive fall/spring semesters.
