Criminal Background Check Procedure for All School of Nursing and Health Profession Programs

All MGCCC School of Nursing and Health Profession (SONHP) pre and/or post professional students who have or will have 1 or more clinical components attached to their educational program will be required to meet clinical facility and state requirements for Criminal Background Checks (CBC) and fingerprinting with a “clear” or “acceptable/approved” result.

All SONHP students are required to submit to CBC testing and fingerprinting at a MGCCC Campus Police Office, which is located at the Jackson County Campus, Harrison County Campus, Perkinston Campus or George County Center. The payment must be paid in advance at the Business Office at the campus or center scheduled for testing prior to the test. A paid receipt must be submitted to the Campus Police on the day of testing, prior to the test. The student is also required to read and sign the Informed Consent/Release for Criminal Background Investigation form prior to testing. Please contact Campus Police for specific testing hours and the appropriate identification required.

Once the criminal background check and fingerprinting scanning has been completed by MGCCC Campus Police, the scanned fingerprints will automatically transmit to the MS Criminal Information Center (Department of Public Safety) and to the FBI for a national criminal history record check. Thereafter, the SONHP Administrators will check each student’s information via a secure login and password through the Licensure/Criminal History Record Check Unit of the Mississippi State Department of Health Office. Following final processing, documented communication will include one of the following results: (1) clear, (2) processing, (3) need information, or (4) facility notified (Disqualified Event)/Rap Sheet report required.

Within 5 college business days after testing, SONHP Administrators will print the student’s clearance letter on MGCCC letterhead, place it in a sealed envelope and forward it to the Campus Police Office where the prints were submitted for the student to pick up. In the result, you have *disqualified event*, your letter will be mailed via USPS from the MSDH to his/her home address. The “*Cleared or Disqualified Event*” letter must be submitted to the SONHP Counselor at the pre-scheduled clearance appointment time.

If a *disqualified event* letter is received, the student will need to retrieve his/her official court abstract (Rap Sheet report) from the court listed on the letter. For program consideration, the original “Rap Sheet” **must be immediately forwarded by the student** to the SONHP Chairperson who supervises the student’s healthcare program of interest. Within seven (7) college working days following the healthcare program’s application deadline of April 1st, May 15th, July 1st or November 1st, the

SONHP Administrative Clearance Committee will review the details of all letters and Rap Sheets that contain the phrase “*May have a disqualifying Event*” along with all other substantial documentation requested or submitted by the student and make a final committee decision on program acceptance. All decisions will be based upon “an identifiable violation(s) on the history described as pursuant to MS Code 43-11-13 that would prevent clinical attendance and/or licensure, if applicable.” Each student will be notified of the committee’s decision by a SONHP Department Chair.

Please note that if a student has one (1) or more identifiable violations on the history described as pursuant to MS Code 43-11-13 that would prevent clinical attendance and/or licensure, if applicable, the decision will be made by the SONHP Administrative Clearance Committee to **not** allow initial or continued admission or enrollment into a SONHP program at Mississippi Gulf Coast Community College. However, upon the completion of a legal expungement, the committee may revisit the decision.

Additional Information:

- Following completion of all criminal background checks, the information will be kept confidential and only shared with Program Administrators and clinical affiliates as needed.
- MGCCC students do not have to repeat the criminal history record check/fingerprinting as long as they are continuously enrolled at Mississippi Gulf Coast Community College.
- All Criminal Background Checks needed for admission into a healthcare program at MGCCC must be obtained from the Campus Police at Mississippi Gulf Coast Community College
