Top Things VA Students Need to Know

1. Correct Major and Change of Major

A student's major must be listed correctly in Admissions and Military Benefits. Students will need to complete a Change of Major form in Admissions when changing their major.

2. Follow Degree Plans

Courses taken must be required and listed on the degree plan/program.

- Students following an academic program should follow the program for the transfer college if known. List the transfer college on the Verification of Enrollment (you can seek advisement from an Enrollment Specialists).
- Students majoring in career and technical programs can use MGCCC plans.

3. Schedule Changes

If a student changes his or her schedule in any way, they will need to submit a change of schedule form. The form can be found at mgccc.edu/military/schedule-change.

****NOTE: Changes may cause a debt including cost of class(es), MHA, and book stipend.****

4. Audit Classes and Online Classes

- Audit Classes - The VA will not approve certification for courses being audited.
- Online Classes - The VA will only pay half of the MHA for students taking all online courses.

5. Full Time

The VA classifies full time as 12 hours per term in the fall or spring and 7 hours for the summer for MHA purposes.

****NOTE: A term is defined as the same start and end date, not the semester.****

6. Repeat Courses and Incomplete Courses

Courses previously passed with a "D" or better are not eligible for certification (unless a "C" is required to enter an MGCCC program). The VA will not approve certification to repeat a course assigned an incomplete, (must be assigned a grade of an "F" to be eligible for certification).

7. Required Documents to the Military Processing Center

- Certificate of Eligibility submitted to Military Services via email military.benefits@mgccc.edu.
- Submit Verification of Enrollment (VOE) form at mgccc.edu/military.
- Service Members must submit an official military transcript. (*HPR – Students who have served in the military will automatically receive the required credit.*)
