Proclamation

Deeply instilled in the hearts of all of us is a love for color, music, pageantry, and gaiety. Bringing this love into a material form is the Carnival of Mardi Gras so typical of our part of the country. Eagerly we await its return each year to bring joy and radiance to the lives of the people along the Gulf Coast. Mardi Gras brings into being all the fantastic mystery and colorful panorama of the centuries and presents them for our pleasure. Because of our love for all that it symbolizes, we have chosen Mardi Gras as the theme of the 1940 Perkolator. May it, too, present the color, gaiety, and pageantry of our college days.

A L M A M A T E R

Way down South there's a school that we all know,
Where the winds from the gulf doth ever blow.
'Mong the pines so stately and so tall
We listen to your call,
We love you best of all.

Fame was thine through the years of the past,
And we know thy name shall ever last.
Thou art noble, proud, and true,
Oh, Perkinson, we all love you!

THE BAND

The Junior College Band is one of the most progressive organizations on the campus. Under the able leadership of Mr. Stanley C. Beers, this organization is striving to attain the highest playing ability that it is capable of.

The members of the band will remember the many trips on which they have gone. Especially will they remember the trip to Laurel, Miss., on which the band won third place in the marching contest and a prize of seventy-five dollars. One of the most important functions of the band is to play for the football games and march on the field during the half of the game. With their new uniforms, recently purchased by the school, these young musicians look very stunning as they strut down the field.

On April 13, 1940 the band will go to the annual Junior College Band Contest. Last year the band was given third place and the ensembles and solos were given a good rating. This year the band will try to bring back top honors in concert, as well as the solos and ensembles.

A few of these subjects are: the requirements of efficient secretaries, accountants, and typists; insurance; investments; and stocks and bonds.

It is truly a medium by which the finishing touch may be placed upon the ambitious student, in supplement to the already well-rounded commercial course offered in this school by Miss Hart and Mr. Baulch. Membership is open, however, to any high school or college student who has taken, or who is at present studying, any form of business work.

RESUME OF SEASON

Football at Perkinston this year experienced one of its most successful seasons. They swept through all junior college competition — with the exception of Goodman — with a fine record. Although they failed to take the state title, the team bolstered "PERK's" claim to a powerful squad by trouncing their traditional rival, Poplarville, 7-0, in the toughest battle on their schedule.

Had they never won a game, "PERK" would have been proud of their team because of the sportsmanlike way they conducted themselves on the field. Hard but clean play dominated their every charge, and the fact that they hustled every second sets them down as a team to be remembered.

G I R L S ' B A S K E T B A L L

Perkinston had a highly successful season this year. With Ruthelia Lott, captain, to lead them, the girls formed a team that seemed unbeatable. BOYS' BASKET BALL

Although "PERK" did not win all of her games this year, the team was good enough to go into the state elimination tournament in Decatur. Hard hit by injuries at the most crucial stage of their schedule when Captain Hillery Horne was sent to the sidelines with a twisted knee, the team, nevertheless, came through to wind up the season in a blaze of glory. They worked together in fine form, showing improvement and making the college very proud of the team.

DENT O'NEAL, this second-string, all-state man, will be missed very much next year.

GIRLS' TENNIS

The girls' tennis team this year looks forward to repeat the successes that it achieved last year because of its excellent team balance and competitive spirit. All four players have a consistent and steady game and are expected to do well in the contests in which they participate.

"Sam" Wilson; Melvin Kenneth; John Clark; "Bobby" Thompson.

BOYS' TENNIS

The boys' tennis team is expected to do well according to the showing of the boys in practice. With the experience, steadiness, and precision of the team this year a very good season is looked forward to on the courts. Frank Russum and LeRoy Weeks compose the remaining partnership and round out the tennis squad.

TRACK

Under the expert tutelage of Coach J. O. Brown, the track team shapes up as one of the finest to represent "PERK" in many years. Captained by Howard Pollock, Mississippi junior college high jump champion, who is back to defend his laurels, the team has sufficient returning veterans to make for a well-rounded team. Lucien Kidd, ace pole vaulter; Anton Reel, top-notch low hurdler and javelin thrower; Stanley Ratomsky, a powerful 440 and 880 man; Herman Polansky, quarter-miler; "J. J." Hayden, miler; and Hillery Horne and "Jim" Sprinkle, consistent weigh men, are veterans upon whose shoulders the fate of the "PERK" track team rests. With the new men who are attempting to earn places on the team, "PERK" will have a team which should whip any team with which she competes.

The students take an active interest in archery.

PHYSICAL EDUCATION

The Physical Education Department has a program which is planned to meet the needs, abilities, and interests of all the students on the campus. The school year is divided into sport seasons, each sport being taught and played in class for a certain period of time, and terminated by an intra-mural tournament. These various activities give the students the opportunity to enjoy a more active and richer life.

The Physical Education Department strives to fulfill the following objectives:

- Promote physical, mental, and emotional health.
- Enrich the student's social experience.
- Teach activities that will be of value for recreational purposes.
- Teach good sportsmanship.
- Develop intelligent spectators.

P H Y S I C A L E D U C A T I O N

*T*HROUGHOUT the year the students engage in various sports—in the Fall, volley ball, quoitennis, and soccer for the girls with touch football for the boys; in the Winter, basketball; and in the Spring, softball, tennis, archery, and recreational sports. Restricted Classes are provided for those students who are not physically able to participate in the regular classes.

*A*T THE beginning of each year all the students are given a thorough physical examination and a record made and kept of each individual. In this way the Physical Education Department may adapt itself to meet the needs of all the students and to develop physical fitness.

BASEBALL

"PERK" is again ready to embark on another baseball season; one, which we hope, will be as full of victories as the 1939 schedule. Coming back to head the team is Captain Ruby Johnston whose speed and alertness make him the best all-around player on the nine.

"Bob" McGahey who caught in 1938 came back to school to again take over the position behind the bat from where he had left off. "Bob" is a fine hitter, good thrower, and excellent mechanical receiver. The Bulldogs' clean-up hitter, "Duner" Coffman also returns for his final year of junior college play. "Duner" is a steady, powerful swatter who can really ride 'em for extra bases. "Bill" Lipscomb, at second, shows promise of great improvement over last year's form and consequently will be an important cog in Perkinson battle plans this spring.

Pitchers George Wilson and John Denning round out the list of veterans. Both are right-handers with coolness and experience and led "PERK" to a fine season in 1939. Newcomers on the squad are: Elwood "Tates" Collins at first; "Chooky" Gallotte and "Bill" Morrison at shortstop; "Doc" Stevens and Henry Dick at third base; "Bob" Witt in right field; and H. T. Leake and "Tates" Collins on the mound.

Dear Diary:

Memories! So many impressions of this school year are worthy of having a space among your pages! To begin with—with—well, gracious, how can we possibly distinguish the most important occasions? Would we be slighting if we merely listed a few particular events? No? "Well, all right."

- Sept. 11 A new school year began with increasing enrollment and broadening smiles.
- Sept. 12 Everyone became everyone else's friend at an informal dance in our gym tonight.
- Sept. 14 A "serious" occasion; classes began.
- Sept. 20 Two popular phrases. "Oh, my hair!"—"I want my Mama!"
- Sept. 21 Were the girls babies, Indians, young ladies; or just being initiated?
- Sept. 22 I'll say we're proud of our football squad. We beat—.
- Oct. 27 Was the archer William Tell or Mr. Hugerhyde? (They are both experts, you know.)
- Oct. 28 Homecoming!
- Nov. 8-9 Dewitt Matthews stimulated each of us spiritually with his inspirational messages.
- Nov. 29 Thanksgiving holidays and home!
- Dec. 16 Our football banquet and dance were noteworthy affairs.

- Dec. 20 Christmas holidays. Surely Santa will visit us 'cause we've studied hard?????
- Jan. 25 No lights, no water, no heat—Br-r-r-r!
- Jan. 28 Physical examination—more of us had heart trouble! I wonder why?????
- Feb. 18 Chapel—"International Relations Club will meet in room—oh, you know the room—11, isn't it?"
- March 9 Our special one, Diary—the Stardust Ball!
- March 25 Howard Pollock has been elected the national president of the Phi Theta Kappa!!!!
- March 28-29 "Dick" Davies, alias Superintendent Darby, "E. O." Cunningham, alias Assistant Superintendent Hinton, Doyle Harrison—Mr. Weeks, and Joyce Swann—Mrs. Slay.
- March 29 Mr. Darby was elected vice-president of the M. E. A. Aren't we proud?
- April 11 Chapel—"I want to remind you that the library is not in the 'quadrangle'."
- May 3 Y.W.C.A. Spring Camp.
- May 18 The Annual Ship Island trip.
- May 23 Paris in Perk! The fashion review.
- May 25 We danced our tears away tonight. "Parting is such sweet sorrow."

Dear Diary, until we meet again next session—
Goodbye.

The teacher was explaining to her class
what was meant by "bigamy".

"It means," she said, "having two wives
at one time. Now, can any boy tell me
what word means having only one wife?"

"I can, teacher," said one boy: "mono-

If you can do your Math when all about
you

Are raising Cain and tempting all the
fates;

If you can write a theme when classmates
flout you,

And never think of moonlight or of
dates;

If you can plug and grind and work and
study,

And thereby make approbation's scanty
list,

Then you'll know more than anybody—
But darn it think of all the fun you've
missed!

A parish visitor was making his rounds
one day, when he passed a cottage from
which came unmistakable sounds of quar-
reling. He waited for a few minutes for
the noise to subside, but it continued, so
he knocked on the door. There was no
answer; he turned the knob, and walked
in.

"I should like to speak to the head of
the house," he said.

A man's voice answered him. "Well,
sir, we were just discussing that point. If
you sit down and wait a few minutes, I
think we'll be able to tell you soon."

A visitor to an insane asylum had to leave at a certain time to catch a train.

His watch was stopped, so he went into the office to look at the clock there. There was no one in the office but one of the inmates. The visitor said to him, "Is that clock correct?"

"You darn fool," said the inmate, "if that clock kept correct time, would it be here?"

An Irishman who was very homely, but a great flirt, was walking along the street one day, when he met a girl.

"Ah, there, my pretty maid!"
She took a good look at him, and said:

"You would if you lied like I did!"
said he.
