Perkinston College

J. J. HAYDEN, JR.

PRESIDENT

928-4863

Dear Students:

I feel that this, our second year of operation as a three-campus college system, has been a success. Your support of this system through an intra-campus student council; your participation in the junior college conference sports program on the Perkinston Campus, and your academic cooperation on all three campuses have been important factors in this success.

Our growth during these first two years has been phenomenal. Each of the three campuses is operating at near maximum and they are years ahead of their projected growth. Our Board of Trustees is meeting this challenge with a building program for all three campuses; our faculty is studying ways and means to continue to raise educational standards; and our local and state officials are enthusiastically giving their support. We should be proud of our accomplishments.

I ask that you continue to believe in and support our college system. Without this support, I am sure that we would never have reached this high level of success. I would also ask that you prepare yourself for the future, plan to spend that future in Mississippi so that our state may have the benefit of the knowledge and training that has been made possible for you.

Sincerely,

J. J. Hayden, Jr.  
District President

# STUDENT GOVERNMENT

The Student Council is designed to guide the students and give them a voice in the governing of their school. It is an organization, elected by and representative of, the students of that respective school. To promote a good relationship between the students, the faculty, and the various collegiate organizations, and to provide wholesome activities for the students while encouraging a high standard of scholarship are the purposes of the individual councils.

This year marked the beginning of the District Council for the JCD. Composed of council members from Perkinson, Jefferson Davis, and Jackson County, the District Council has a three-fold purpose: 1) to coordinate the activities of the three colleges, 2) add unity to the student bodies of the three campuses, and 3) to serve as a mainspring for creative student activities.

Jefferson Davis' Student Council is composed of (left to right) Richard James; Austin Malley; Sherrie Mitchell, treasurer; Cynthia Stewart, vice-president; Danny Williams, president; Joan Peregory, secretary; Lynn Graham; Sharon Hoagland; Diane Doyle; and Ray Ebberman.

# PHI THETA KAPPA

Phi Theta Kappa is a junior college scholastic fraternity giving recognition to students showing scholastic excellence. Membership is open to students with an overall average of 3.2 and at least 15 academic hours. Its purpose is to promote superior scholastic attainment, to build character, and cultivate fellowship.

Perkinson's Gamma Nu chapter sponsors various fund-raising projects during the year to finance transportation to the state and national conventions and to provide a part of its scholarship fund. This year Phi Theta Kappa held a talent show, sold bricks from the demolished Bennett building, and sponsored the sale of color portraits.

This year the Junior College District is having to have one of its members, Mr. Karl Mertz, as National Phi Theta Kappa President.

# BARKS

The Bulldog Barks, student publication of the Junior College District, has the unique feature of having three editors. Because the newspaper serves Jackson County, Jefferson Davis, and Perkingston, each campus has its own editor and staff. Every other week the three staffs combine forces to paste-up the paper under the direction of these three editors. Mr. Charles McRaven,

Karl Mertz, Perk editor, lays out page for the Bulldog Barks as Walt Shepard and Joan Peregoy look on. Perkingston staff not shown.

From time to time the three Perkolorator editors get together to smooth out rough spots in laying out only one annual for three campuses.

The Perkolorator Staff, working with the innovation of its campus system, has strived to present the students of the district with a substance which will endure long past the bounds of college years. This publication was designed believing that an annual is the soul of a school, and while other facets of campus life may fade away, this tiny contribution to immortality will continue to spur touching memories.

COACH GEORGE SEKUL started as head coach at Perkinston in 1966. He was assistant, backfield, and track coach last year. Under his leadership the Bulldogs won their first Miss. Junior College Conference football championship since 1948.

At Southern in 1958 the Biloxi native piloted Coach Thad (Pie) Vann's Southerners to their first perfect season on the gridiron in the school's history.

Following his senior year at Southern, Sekul was selected for and played in the annual Senior Bowl football affair at Ladd Stadium in Mobile. He returned to Southern to coach the freshman team there; then joined Perkinston's staff as an assistant, a position he held for four years before becoming head coach this fall.

Sharon Sullivan and Terry Price are  
preserving examples of the old  
saying, "All work and no play."

The J.C. campus witness scenes of friendship between  
Janett Duda and David Curry.

Jeff Davis:  
P.E. calisthenics? No. The  
student nurse's powder puff  
game.

Jeff Davis:  
Coach Weems and Mr. Goforth practice basketball to keep in shape.

Perkinston:  
A lone cheerleader pauses during the Pearl River game.

Jeff Davis:  
"The things you have to do to register!!  
ponders Rufus Smith.

Jeff Davis:  
Showing off their new student council pins are Joan Peregoy, Danny Williams, and Sherrie Mitchell.
