

THE 1968

May the youth of these communities for generations to come gather in these places to receive instruction in knowledge and training in virtue. May they find here every condition necessary to a true and enlightened education. Especially, may their teachers be examples of excellence in scholarship and character, seekers after goodness and truth, lovers of children, enthusiasts and adepts in the finest of all arts, the development and inspiration of human souls. May these rooms always be pervaded with invigorating atmosphere of mental and moral life, and may no young adult pass from these schools to higher grades or to the outer world without having been made more intelligent, more thoughtful, more courageous, more virtuous, and in every way more capable of wise and just, of useful and noble living. To this end we are dedicated and present to you A WEALTH OF MEMORIES in this, THE 1968 JCD PERKULATOR.

IN APPRECIATION . . .

In Appreciation of the cognizant efforts of these men our Gulf Coast Junior College District has obtained a unity never before experienced. With diligent foresight Mr. Loftin, Mr. Cadle, and Mr. Hilburn have, by their guidance, shown the true meaning of leadership through unselfish service. With this in mind we say "THANK YOU."

Service to a just cause rewards the worker with more real happiness and satisfaction than any other venture in life.

---C.C. Catt

Dear Students:

Your support of our college system, participation in college activities, and your academic accomplishments have made our three-campus college system a great success.

Thank you for your part in this success. Continue to believe in and support our college system. Our college system is outstanding and has become an educational model for the state; our future is unlimited; we have just begun our growth. You can be proud of your accomplishment.

I wish you success. I hope that you will continue your education and that you will always keep a pleasant memory of your junior college years.

Sincerely,

J.J. Hayden, Jr.
District President

THE WINNING FLOAT

FROM STONE HALL

The Perkinson campus was a regular Disney Land East with each dorm striving to out do the other with their decoration. The activities of the afternoon began with registration, handled by the Student Council, of all visitors on campus. From 2 to 3 PM an open house was held; then, the students and visitors gathered in the auditorium for a welcoming program. During the course of the program the football team was introduced and the Perkinson Campus Choir provided entertainment along with the band. After the Homecoming Queens and their court were presented the entire assembly retired to the tennis court where a barbecue was held. The enthusiasm reached a climax when the Bulldogs defeated Southwest 22 to 7. Students celebrated the victory at the Homecoming dance, concluding the festivities.

The Student Government, composed of representatives from the classes of each school, is designed to promote a good relationship between students and faculty, and the organizations on each campus. The government governs all campus activities and regulates dances and other such events for the supreme enjoyment of the students on all three

college campuses.

Other than planning enjoyment for the students, the government encourages ideals to better the scholarship of its members and students; it settles disputes; solves teacher-student problems; and provides rules for the students to follow.

PHI THETA KAPPA

Among the honors received in junior colleges is membership in the honor society the Phi Theta Kappa. These members are chosen from their equals who create character, leadership, and scholarship. The teachers select these students on a basis of leadership, scholarship, character, and by service extended during their college

hours.

Each semester new students are initiated into the honor society by an elaborate ceremony performed by members of the club. The students selected are those who have maintained an average in the highest ratio of the college grading system.

— Cervantes

...so ends another year, yet such a
Wealth of Memories

the friends we gained,
the patience we learned,
the knowledge retained,
the pride we earned...
the joy we shared,
the prayers we said,
the sorrow we beared
the tears we shed...
the confidence secured,
the work we endured...
all these remain.
