KENNETH FARRIS, head baseball coach at Mississippi Gulf Coast Junior College, holds one of 22 bats presented to 1971 National Junior College All-American team members and coaches by Hellerich and Bradsby Company, maker of the Louisville Slugger. Among names inscribed on the bat is that of Rodney Walker, a 1971 Perkinson graduate who during his two-year career as a pitcher won 23 games and lost only one for the Gulf Coast Bulldogs. Walker, a native of Wade, Miss., was drafted by the St. Louis Cardinals and Baltimore Orioles, declining both offers to attend the University of Mississippi on a baseball scholarship. Turning out winning baseball teams and talented players is nothing new to Coach Farris. During his 10 years at Gulf Coast, the Bulldogs have been in the state playoff every year, winning the title six times, including the 1971 series.

Bob Weather begins his 12th year as head coach of the Bulldogs. During his tenure at Gulf Coast his teams have won 260 wins and 100 losses. Coach Weather is second among the active Junior College coaches in the nation.

A graduate of the University of Southern Mississippi, Weather has won four State Championships (1964, 1966, 1969, 1970) and his teams have been numerous times. Probably the best basketball team in the state in 1969, when the Bulldogs swept to the State with a perfect 24-0 record.

Junior College, Senior Deeds

Mississippi Gulf Coast Junior College has once again demonstrated its remarkable versatility and its dedication to excellence in the national football championship it won last week.

Everyone connected with this unique educational institution has cause for pride. The Bulldogs may recruit football personnel from only four counties in Mississippi—Harrison, Jackson, Stone and George. But the Fort Scott team, defeated 22-13 by the Bulldogs, is the only junior college in Kansas. And it recruits grid prospects from the entire state and from such far away places as Iowa and Washington, D.C.

Winning against odds, however, is a habit with Coach George Sekul, who as a player led the University of Southern Mississippi to its only undefeated season back in 1958. His national champions, the first Mississippi has had since Ole Miss won the mythical senior college title in 1960, also had a perfect record for the 1971 season.

The laurels won in sports by Mississippi Gulf Coast Junior College are an appropriate addition to the academic achievements it has gathered over the years.

There is an entire generation of Gulf Coast business and political leaders who owe their education, absorbed in the dark days of the Depression, to the inexpensive, conveniently located system of junior colleges in the area.

It is fitting that the system has grown since then, adding campuses where needed. It is appropriate that it should present a curriculum that ranges from liberal arts to the vocational and technical skills required by the communities served. And in recent years, the system has developed enterprises, such as the recently held writers conference, that involve the school directly with members of the community.

We congratulate the Bulldogs on the national honors won on the football field. And we commend the entire system for the vital and vigorous role it plays in the Mississippi Gulf Coast community.

PERKOLATOR

As Director of the Mississippi Gulf Coast Junior College Perkettes and Band, Sam Jones devotes many hours of his time to help those two organizations perform. Band trips, parades, Perkettes practice, and a Spring Band Concert are just a few of the many activities that Mr. Jones organizes.

For his devoted time and tireless efforts, since 1952, the annual staff proudly dedicates the 1972 Perkolator to "Prof" Jones.

We have been fortunate to claim one of the most outstanding junior college cheerleading squads in the nation. For these five girls and two boys, work started early last summer. They spent long, hot hours of practice to prepare for the coming athletic season and the week-long cheerleading camp held in August. Their efforts were rewarded by a 1st place ribbon each day in daily competition, the 1st place division trophy in final competition, and the Spark Plug award for being the most spirited group at camp.

These seven people have given unselfishly of themselves to promote spirit in our school. From pie in the face, to bonfires, to spirit sheets, to pep rallies in the streets of Savannah, they have worked tirelessly to support our Bulldogs. Their spirit--of pride, of devotion, of love--has been that little extra something that has made all our athletic achievements seem just a little bit better.

Homecoming 1971 was truly an event that will long linger in all of our memories...the exhibits sponsored by the clubs and dormitories...the Choral program presented by the chorus from Jefferson Davis, Jackson County, and Perkinston...the presence of Fishbait Miller...the presentation of the Homecoming court...and finally the victory over the Hinds Eagles, 62-7.

DESIDERATA

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ♣ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ♣ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ♣ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ♣ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ♣ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ♣ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ♣ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ♣ ♣

Tacky Day

Jefferson Davis students and faculty do their own thing.

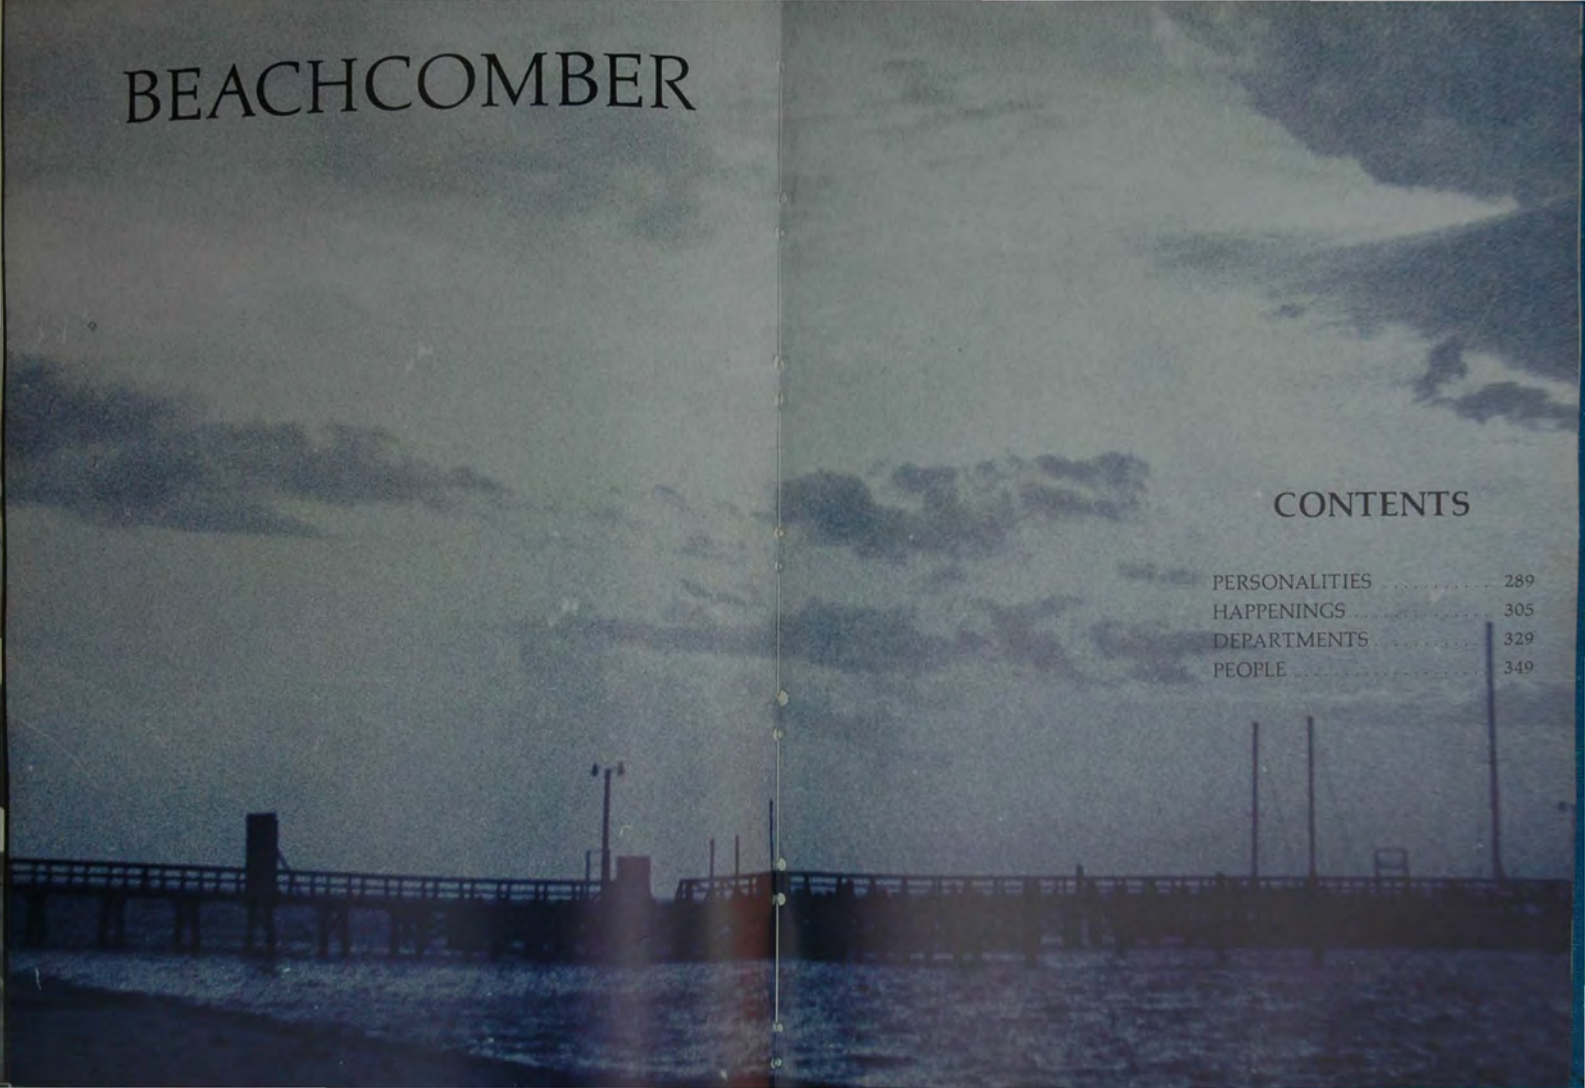

Strive To Be Happy.

BEACHCOMBER

A dark, moody photograph of a pier extending into the ocean under a cloudy sky. The pier is silhouetted against the water and sky, with several vertical posts and a small structure visible. The sky is filled with heavy, dark clouds, and the water appears calm with some ripples.

In this world---
 where nothing's really short
 and nothing's really long
 Nothing's really right
 and nothing's really wrong
 It's goddamned hard
 to decide-
 just where I belong.

But, a stretch upon the mountain top
 and,
 a stretch upon the sea
 has given a small insight
 into what is really me.

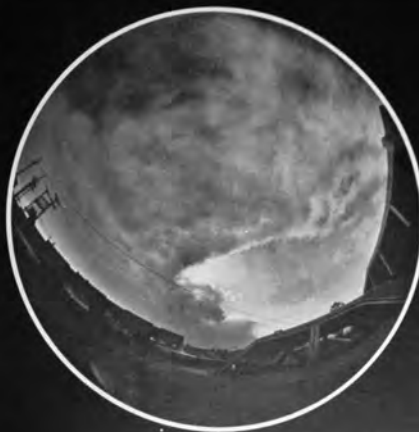

Butterflies...
Dragonflies...
and Junebugs...
Pass by my head,

All the world's
so bright and beautiful
makes me glad
I got out of bed.

I only wish to give
 Those things that are a part of me,
 not the stuff that I produce.
 I ask only for the beauty of your soul,
 And that just to admire,
 not to possess.
 I would have you take
 The gifts that are my sap,
 and hold them dearer than my fruit.
 I ask to come into your mind
 And feel the comfort
 of a familiar place.
 If we are to walk the same path,
 Let us follow it
 in unity.

"... Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, ... think on these things."
Phillipians 4:8

MELBA GEORGE

My delayed education has been a challenging and rewarding experience, with my classmates contributing their acceptance and understanding which has proven the generation gap to be only an illusion.

Hall of Fame

Each year a number of students equal to one percent of the full-time college enrollment will be selected for the Hall of Fame. Nomination, submitted by each faculty member, are considered for such qualities as leadership, citizenship, personality, responsibility, and a 2.0 or higher average.

DON HAYS

It is my sincere hope that, through education, mankind can learn to work together to improve world conditions.

MARY ANNE HINMAN

In order to be loved, one should be a sincere, unselfish human. But most important of all, his OWN love should be held with open arms.

Hall of Fame

JOE MASON

RHONDA RICHMOND

Loving life, I lived alone, at least, part of every day. But, people moved in and their actions took my land's beauty away.

MARTHA WIESENBURG

While walking down forgotten rails
Once used, I wonder if my trails
Will also lead here; but I know
They won't if only I continue to go
on my way and fight with all the rest
Who have something they to do best.

CATHY WOOD

Beyond tragedy another happiness awaits.
A happiness that does not belong to the
form of the world but a happiness that
changes and transforms the world.

HAPPENINGS

Fear crept into the hearts and souls of the administration as registration progressed into Chaos, but the chaos soon cleared as the students became conditioned to respond to the hourly buzz once again.

On a not so "hot" Friday in October "TRUTH" found its way to J.C. Though it came singing the hits of the '70's, it had an ulterior motive--to bring "Christ" to all?

The number one intramural football team was the "Mud Street Manglers." ROW 1: Eddie Hutchinson, Tommy Lander, Thad Brumfield, Greg Goff. ROW 2: Everett Richards, William Nettles, Greg Goff, Johnny Turner, Freddie Denison.

MAID STANDISH BRADFORD

MAID WILLIAM NETTLES

MAID RALPH BEAUGIEZ

Marc Shanley was crowned "Queen for a Day" at the first J. C. Intramural Homecoming. Also the All-Stars were victorious over the Mud Street Manglers, who were the number one team of the '71 season.

QUEEN MARC SHANLEY IS BEING CROWNED BY STUDENT COUNCIL PRESIDENT MARY ANN HINMAN.

Dean Davis awarded trophies to the winners of the Speech Potpourri held in December. The winners were Vicki Davis, second runner up; Linda Hutchins, first runner up; and Nadine Jones, winner.

Three students were awarded "Superior" ratings at Youth Congress. They were Stephen Thomas, Julius Nichols, and Ricky Tira.

Success came to those who had long awaited the opening of the new recreation room.

In Memoriam Clinton D. Reedy 1953 — 1971

Brittle leaves that knew the sun,
And dappled in summer showers,
Give witness to their struggle won,
In monumental towers,
Mantled never shed a tear,
For life is but a season,
Though Winter came too soon this year,
In Spring there is reason,
Graves nourish limbs til summer's glow,
Then make beds for the flowers.

Editor's Note:

I'LL SAY GOOD-BYE

Now that the summer's come and gone I'll say good-bye.
Now that the winter's comin' on I'll say good-bye.
I'm not the first man or the last
who had a thirst to leave the past.
So while the autumn rain is fallin I'll say good-bye.

For every star that falls to earth a new one glows.
For every dream that faces away a new one grows.
When things are not what they would seem
you must keep following your dream.
So while my heart is still believing I'll say good-bye.

Love is a sweet thing caught a moment
and held in a golden eye.
You can borrow but never own it
after a while it says good-bye.

Heavy's the heart that has to turn and say good-bye.
But as we love so do we learn, I'll say good-bye.
Cage a bird he will not sing
I can't be caged in by a ring.
So while the chilly wind is blowing I'll say good-bye.

So as the winter says hello I'll say good-bye.
I never ever did like snow I'll say good-bye.
I'm just a man and nothing more
in the face of love I'll close the door.
Because another road is calling I'll say good-bye.

Rod McKuen
