Dedication

In order to make a selection for the dedication of our yearbook, many different qualities had to be considered. This year we have chosen a very exceptional individual.

He came to Perkinson Jr. College in 1970 as Dean of Men. He holds a B.S. and Masters Degree, and his present position is Director of Student Services. We recognize him as a person devoted to his career, but his duties extend far beyond his profession.

This man has done an excellent job as adviser for the Student Council. He holds a quality far greater than any other — his understanding and interest in students, and his willingness to help. His sense of humor and fun-loving nature add a special touch. But mere words cannot describe him, one must know him to fully realize his dedication as both a faculty member and a friend.

We, the Perikator Staff, dedicate the 1975-76 yearbook to Mr. Ed Scarborough.

BULLDOGS WIN 10th STATE CHAMPIONSHIP

The Bulldogs finished with a 36 win and 7 loss record. After the state the bulldogs traveled to Louisville, North Carolina to play the Region 7 championship. The Bulldogs, under the leadership of Coach Ken Farris, won their first two games and lost the final games against Louisville. Russel Clark, with a 13-1 record in regular season and a 2-1 record in championship play, is now playing for the New York Mets. Steve Gilbert finished the season with a 10-0 record and a 2-1 championship record. Kirk Thompson led the batting with a .344 and stole 27 bases out of 29. Leading the bulldogs on defense were catcher Kevin Walker and short stop Jim Wargo.

COACH FARRIS WINS NICA COACH OF THE YEAR AWARD

Everyone who knows baseball around Mississippi has heard of Coach Farris, but what most don't realize is that he is also an excellent football coach. In baseball he has a 228 win — 69 loss record, which is a 77.1 per cent win record. His teams have won 13 south divisional championships and 10 state championships in his 13-year career. He also coached the 1971 Football National Champion, Kermit Smith, Region 7 director of the NICA, presented the award to Coach Farris at Columbia, Tennessee. Coach Farris attended Hinds Jr. College where he played two years of football and baseball. After Hinds he went to the University of Southern Mississippi where he played two years of football and only his junior year in baseball.

Weeks Hall

A Man Remembered

Weeks Hall, occasional technical campus of Parkinson Campus, was dedicated in February, 1975, to the late I. H. Weeks. The former teacher-counselor was honored by the Alumni Association at its spring meeting. At right are Mrs. Weeks and her daughter (left), Miss Elizabeth A. Weeks.

Homecoming: Down Memory Lane

It was a time of remembering of Homecoming 1975 on Perkinson Campus. The high school class of 1926 celebrated its 50th anniversary. And players and coaches of the state and national football teams of 1928-'42-'48-'66-'67-'71 and '75 were spotlighted.

There was time for remembering, too. And among those remembered was Mrs. Wyanna Scarbrough, former executive secretary of the College Alumni Association. She was awarded the Sam Owen trophy for distinguished service to MGCJC. Dr. Frank Gruich, Biloxi physician and last year's recipient, received a permanent trophy.

On the business side, the Alumni Association elected officers and paid tribute to outgoing president, Mrs. Dolores Mauldin. She was honored at the homecoming banquet.

Succeeding Mrs. Mauldin was Dr. Steve Pitalo, Biloxi dentist. Other officers are Dr. Gruich, first vice president; Joe Donald, draftsman for Mississippi Power Company, second vice president; and Cooper Roberts, an Ingalls Shipyard official, secretary.

Enters Hall of Fame

Dr. Otis A. Singletary, president of the University of Kentucky, in February 1975 became the fifth person inducted into the MGIC Hall of Fame.

The 1942 Parkinson Campus graduate was honored at an Alumni Association banquet that also featured recognition of Instructors of the Year from MGIC's three campuses.

Singletary, a native of Gulfport, is the eighth president of the University of Kentucky. He assumed the position in 1969.

Three Named

Instructors of the Year

In a departure from past tradition, three Instructors of the Year instead of one were chosen at Mississippi Gulf Coast Junior College in 1975.

Honored at the Alumni Association banquet were Mrs. Lynn Hall Pringle, social studies instructor at Jackson County Campus; Robert Reminger, instructor of social studies, Parkinson Campus; and Mrs. Betty June Lee, accounting instructor at Jefferson Davis Campus.

The instructors were chosen for their ability as teachers and their contributions to campus and community activities. Selection was by a committee of faculty members, student council leaders and administrators.

Writing Workshop Bringing It Together

The fifth annual Mississippi Gulf Coast Junior College Creative Writing Workshop in June 1975 at Perkinston Campus "was the best ever."

That is the way Mrs. Nell Henderson, workshop director, described it. She said more than 300 short stories, poems and personal essays were submitted for judging by professional consultants. And nearly 100 persons participated in the workshop itself.

Mrs. Henderson said the workshop is made possible through the co-operation of the Mississippi Arts Commission, and the National Endowment for the Arts, a federal agency, Washington, D.C.

MRS. HENDERSON: "The best ever."

Voices In Tune With the Times

Two widely-acclaimed performers appeared at Mississippi Gulf Coast Junior College to highlight the 1975 "lively arts" year.

They were Richard Wordsworth, great-great-grandson of the poet William; and soprano Raeschelle J. Potter, Gulfport native who has sung with many opera companies.

Wordsworth paid tribute to the Bicentennial celebration with a presentation entitled "An Interview With Thomas Jefferson."

The English actor entertained audiences at MGJC's three campuses.

Miss Potter, in concert at Perkinston Campus, sang selections from "Carmen", "Don Carlo", "Tales of Hoffman", "Mose" and "Butterfly".

In addition to her proficiency as a singer, Miss Potter plays the piano, organ, cello and percussion. She also has to her credit a contemporary composition.

Bulldogs Settle for South Division Title

It was the 5-6 upset loss in November to the Cophah-Lincoln Wolves that shattered Bulldog hopes for another crack at the national title. Unbeaten in nine consecutive games and ranked second by the National Junior College Athletic Association, Gulf Coast was expected to easily handle Cophah.

The defeat came after Gulf Coast had copped the South Division title and won a rematch for the state crown with Itawamba, losers to the Bulldogs in the 1974 championship game.

But Itawamba was not to be denied twice in a row. The Indians carried the victory scalp back to Fulton after downing Coach George Sekul's hapless Bulldogs 21-12 in a bone-crushing contest in November at Biloxi.

Gulf Coast Bulldog baseballers didn't "graduate" to the 1975 National Junior College Athletic Association World Series, Louisville, N.C., saw to that by edging the Mississippians one run in each of two overtime games in the NCAA Regional playoffs in May at Louisville.

But the sophomore players on Coach Ferris' tenth straight state championship team did graduate. In caps and gowns. On the clear-marked North Carolina diamond. Because the games conflicted with graduation at Perkinston Campus, Executive Dean C.G. Odom okayed the unusual ceremony that attracted wide attention.

Roundballers: Knocking at the Door

In mid-January 1976, both the men's and women's basketball teams were strong contenders for South Division championships. Coach Bobby Weathers' Bulldogs had posted a 17-3 overall record and were 8-1 in division play. Coach Sue Ross' Coeds were tied with Co-Lin for first place in the South. The record stood at 10-4 in junior college competition and 10-9 overall.
