Yearbook Editor's Comments

Dianne Brown, Editor of the 1976-77 Perkolator

Coffee gets colder as eyes get redder. I discovered that the first deadline of our yearbook. As the staff dwindled to a few dedicated students, the nights grew longer and longer. But with each trial, friendship strengthened and respect deepened.

After lengthy discussion, the theme "Perk — That Special Touch" gained acceptance among the Staff. In presenting this we encountered many problems — expansion to cover 112 pages, stolen photographic supplies, last minute inacceptances of color photos, misspelled words on finished pictures, layouts drawn unproportionately, staff communication gaps, inability to acquire student photos even after scheduling three make-ups; but we managed with a minimum of shooting at each other. Miraculous as it now seems, we made our deadlines and have our yearbook.

For a deadline celebration, we planned a fun trip to the coast to enjoy a steak supper. The van was acquired and six staff members arrived! How disappointing! Little did I know that even the yearbook cannot compete with the Pines, dates, ballgames, tests, and almost anything else comes along. Even so, we did have fun.

As editor, I especially am thankful for those who helped make our task easier: all staff members, especially section editors and photographer, Dorraine Dickens; Mrs. Angelyn Mann (sponsor); Mr. Ed Scarborough; Dean C.G. Odom; Mr. Larry Hollis (Graduate Supplies); all club embers and sponsors; and YOU, for all that you are and do in making Perk have "That Special Touch".

George County Occupational Training Center

Lucedale, Mississippi 39452

An aerial view of the George County Training Center.

The George County Occupational Training Center, established in 1972, offers post-secondary courses and secondary programs.

High school seniors and juniors are bussed to and from the center five days a week. They are permitted to take courses and earn credit in building trades, health occupations, welding, pipefitting, and domestic appliance repair.

Offered on the post-secondary level only are courses in vocational secretarial training, practical nursing, air conditioning and refrigeration, carpentry, pipefitting/plumbing, welding and construction management.

Built to accommodate as many as 350 students, the 32,000 square-foot center is designed for future expansion. The four shops are separate from the main building, which houses five classrooms, laboratories and administrative and faculty offices.

New Buildings: Gov. Cliff Finch Dedicates Them

Gov. Cliff Finch in May, 1976, dedicated three new buildings at Jackson County and Jefferson Davis Campuses.

The buildings, representative of the continued growth of the college, were fine arts buildings at Jackson County and Jefferson Davis, and a library-classroom complex at Jackson County.

In addresses at the campuses, the governor pledged continued support of the junior college system and praised MGJC for its accomplishments in education.

The buildings (pictured) are from top to bottom: Jefferson Davis Fine Arts, and the Jackson County library-classroom and the Fine Arts facility.

Homecoming 1976: Down To The Sea With Della

She became the first woman ever to be inducted into the Mississippi Gulf Coast Junior College Alumni Hall of Fame.

But Della Sims McCaughan is accustomed to topping one list or another as she pursues her profession — teacher of marine biology at Biloxi High School.

In that role, Mrs. McCaughan puts her students first. But the students who flock to her classroom and follow her on field trips see it the other way. With them, she's first.

The list of honors bestowed upon Mrs. McCaughan continues to grow. In late December 1976, she was named Mississippi's Teacher of the Year and became eligible to compete for the national title. That was after she became MGCCC's seventh recipient of the Hall of Fame award at a homecoming banquet in November at Perkinston Campus.

Mrs. McCaughan graduated from Perkinston in 1949 and continued her education at the University of Southern Mississippi, where she earned the B.S. and M.S. degrees.

Mrs. McCaughan and Joe Moran painting.

PROUD MOMENT

Mrs. McCaughan receives applause from MGCCC President J. J. Hayden Jr. and Dr. Steve Pitalo, president of College Alumni Association, at banquet honoring the marine biology teacher. She was inducted into Hall of Fame by Dr. Hayden. GOF (like painting) was presented to her by Dr. Pitalo.

Others Recognized At Homecoming

Dr. Frank Gruch

In ceremonies at A. L. May Memorial Stadium, following Homecoming banquet, Mrs. Dolores Mauldin of McHenry was awarded Sam Owen trophy for distinguished service to the college.

New Alumni Association officers also were introduced. Elevated from first vice president to president was Dr. Frank Gruch, Biloxi physician who succeeded Dr. Steve Pitalo, Biloxi dentist.

Presenting trophy to Mrs. Mauldin, postmaster at Perkinston, was Sami Elmurr of Beirut, Lebanon, a member of the Owen family. The award, given annually, was established in memory of the late Sam Owen of Gulfport.

Other Alumni officers presented were Joe McDonald of Gulfport, first vice president; and Cooper Roberts of Pascagoula, re-elected secretary-treasurer.

First Grad Gets Brand New Sheepskin

Singled out for special recognition at 1976 homecoming was Hersel McDaniel of Eastaboga, first graduate 50 years ago at what is now Mississippi Gulf Coast Junior College.

The Sandererville native was awarded a new diploma by MGCCC President J. J. Hayden Jr. He was the only member of his class at Harrison-

Sloane-Jackson Junior College to complete requirements for graduation in 1927.

McDaniel has maintained close contact with MGCCC and remains active in alumni work at his junior college alma mater. He retired 11 years ago from Edison Electric Company of Chicago.

Edward M. Khayat Inducted Into 1975 Hall Of Fame

Because of his duties as then defensive line coach for the Atlanta Falcons, Edward M. Khayat was unable to attend homecoming festivities in the fall of 1976.

So the College Alumni Association paid tribute to the Moes Point native in March, 1976, naming him to Hall of Fame at a luncheon on Perkinson Campus.

Khayat, a 1955 Perkinson graduate, is a former Bulldog football player. He attended Tulane University and lettered in football and baseball. Later he entered the pro ranks, first as a player, then as a coach.

After being inducted into Alumni Hall of Fame by MGCCC President J. J. Hayden Jr., Khayat is presented a Jim Morris painting by Dr. Frank Groesch, Alumni Association president.

Instructors Of The Year Each Campus Names One

Instructors of the Year, one from each campus of Mississippi Gulf Coast Junior College, were cited in April, 1976, at an Alumni Association banquet at Perkinston.

They were Charlie L. Kelly, instructor of pipelining and plumbing at Jackson County Campus who died in October, 1976; James M. Knight, science instructor at Jefferson Davis Campus; and Charles L. Sullivan, instructor of social studies at Perkinston Campus.

The instructors were selected for their contributions to education and participation in community activities.

Plaques were presented to the men by Executive Dean Curtis Davis, Jackson County; Donnie Taylor, admissions counselor at Jefferson Davis who represented Dr. W.P. Lipscomb Jr.; and Executive Dean C.G. Odom, Perkinston.

Good Writing

Workshop Stresses It

The sixth Mississippi Gulf Coast Junior College Creative Writing Workshop in June at Perkinston Campus attracted record participation and set a high for manuscripts submitted — more than 400 short stories, poems and personal essays.

The Workshop, directed by Mrs. Nell Henderson, instructor of English at Perkinston, drew raves from some of the five professional writer-consultants. "As good as any," is the way the three-day session was described. "Perhaps it's the 'country-style' living of 'rural' Perkinston," Mrs. Henderson speculated.

The Workshop is made possible through the cooperation of the Mississippi Arts Commission and the National Endowment for the Arts, a federal agency.

PORTS CORNERED

Ports Gerald Smyth and Jondard Paul, poetry consultants from South Hadley, Mass., field questions during Workshop seminar. The Smyths, whose work has been widely published, returned to Perkinston in January 1977 to discuss poetry and read some of their own.

WRITER-TEACHER TALKS

Featured speaker at Workshop banquet was Jean Todd Freeman, former member of the editorial staff of "Ladies Home Journal". She is now teaching at the University of Southern Mississippi and continues to freelance for some of the nation's leading slick magazines.

Basketball: Teams Shoot For Championships

At yearbook deadline time in early February, Coach Bob Weather's 1976-77 basketball team was ranked first in South Division play and the women were third in the conference.

The men Bulldogs, 17-3 overall and only one conference loss chalked against them, needed one additional victory to be seeded first in South Division playoffs.

Coach Sue Ross, whose women were 13-11 overall (8-4 in the South) and third behind Copiah-Lincoln, impressed fans by the team would "move up". She predicted it would be a "year up" for the South Division crown.

Cinder Streakers Settle For A Wet Second In State Run-Off

Gulf Coast's 1976's tracksters dashed to a first in the South Division, but had a heart-stopping state finals meet to Copiah Lincoln, coming in second with 49 points to the winner's 54.

In the finals at Watson, Cu-Lin grabbed the state crown in a persistent rain that hampered the performance of most all the runners.

But the Bulldogs, coached by George Sekul, had one runner that coped a couple of first places. He was Dwight O'Neal, who won the 100- and 200-yard dashes with times of 9.9 and 23.1.

THE CHAMPS

Members of men's team that won 1976 state championship are (From Left) Clinton Richey; Doug DeGroot; Steve Sims, Coach Bryan Hoda; Russell Miller and tennis director James Cernous of Meridian-Jones College. (See story for names of players not pictured.)

Men Netters First In State; Women Finish Third

The men's tennis team at MGJC captured the 1976 state title with 31 points and the women netters came in third with 18 points.

Coach Bryan Hoda, justifiably proud of the record, said the team finished the season 5-2 overall and 7-1 in conference play. In all matches the men won 24 and lost 8. The women posted a 26-6 mark.

In the state playoffs Gulf Coast winners were Doug DeGroot (men's singles) Steve Sims, Russell Miller (men's doubles); Clinton Richey (B-men's singles); Michelle Lee and Alyson Martin (B-team women) also were winners. Losing in doubles action were Kim Wilson, and Jo Ann Perina.

Other members of the team were Kirk Smith and Gordon Lyons (B-men's doubles); Mary Jo Wechsler, (A-women's singles); and Gayle Dean, (B-women's singles). The squad is not pictured because the student photographer lost the negative.

Golfers: No. 3 In '76

In Golf, the MGJC team placed third in the 1976 state tournament.

Coaches Bobby Garvin (Jackson County) and Charlie Cooper (Perkinston Campus) said their players competed in nine season matches and in most ranked second, third or fourth.

The team averaged 84.45 in most matches, the coaches said.
