Homecoming 1984 Alumni Honor Schloegel

George A. Schloegel of Gulfport, executive vice president of Hancock Bank, was inducted into the Mississippi Gulf Coast Junior College Hall of Fame on October 27, 1984.

A 1960 alumnus of what is now GJC's Perkinston Campus, Schloegel became the 15th recipient of the award, presented to him by college president Dr. J. J. Hayden Jr. at a homecoming banquet at Perkinston.

Schloegel, who has been with Hancock Bank for 28 years, began working there when he was 16 years of age. A graduate of Louisiana State University at New Orleans, Schloegel was employed part-time at Whitney Bank while he was obtaining his degree. In 1962, he returned to the Hancock Bank and in 1969 assumed the position he now holds.

Active in community affairs, Schloegel has won numerous awards, including being named the Mississippi Jaycees' Outstanding Young Man in 1965. That same year the Gulfport Jaycees presented him with its Distinguished Service Award. He was the recipient of the Sam Owen Trophy in 1982 in recognition of his distinguished service to the college.

Ramsey Receives Special Recognition

A special Distinguished Service Award was presented to Vertis Ramsey of Vancleave during the spring alumni banquet.

Ramsey, former Jackson County circuit clerk for 32 years, has served as chairman of the Jackson County alumni scholarship fund since 1969. He is credited with raising more than \$100,000 for scholarships, which have enabled hundreds of students to continue their education.

Owen Award Donald Cited For Service

The Sam Owen Trophy for distinguished service to the Mississippi Gulf Coast Junior College Alumni Association was awarded to Joe Donald of Gulfport during homecoming pregame ceremonies.

Donald, a 1960 graduate of what is now GJC's Perkinston Campus, was presented the trophy by Jo Kalif Ballance of Metairie, La., niece of the late Sam Owen of Gulfport, for whom the award is named. Owen was killed in Hurricane Camille.

Donald is serving as first vice president of the district alumni association after being second vice president for the past five years.

He is a land specialist with Mississippi Power company, a position he has held for nearly 20 years.

The professional excellence of three college instructors was recognized during the spring banquet of the GCJC Alumni Association.

The instructors, cited in ceremonies on the Jefferson Davis Campus, are Robert Hudson, who teaches machine shop at Jackson County Campus; Wentz Batson, horticulture, Perkinson Campus; and Evelyn Alford, retired nursing instructor of Jefferson Davis Campus.

Plaques attesting to their contributions to education and to their communities were presented to the instructors by Vice President Curtis Davis, Jackson County; Vice President Glen Cadle, Jefferson Davis; and L.D. Stringfellow, representing Vice President Clyde Strickland, Perkinson.

Don Milner, director of the Vocational Education Division of the State Department of Education, was on hand to present each with a certificate of appreciation.

Of the three instructors honored, Mrs. Alford was on the job the longest.

She began teaching at the Jefferson Davis Campus in 1965, the year the coast facility opened.

She is a member of the American Nurses Association, the Mississippi Nurses Association, and the American and state vocational associations.

Hudson has been teaching at the Jackson County Campus for eight years. He is a member of the President's Faculty Advisory Council, advisor to the campus Vocational Industrial Clubs of America, serves on the High Technology Committee, and a member of the Mississippi Faculty Association.

Batson has been at Perkinson for 10 years. He is a member of the Mississippi Nurserymen Association, Phi Kappa Phi, Alpha Zeta, and a new 22-member committee working to upgrade agriculture teaching guidelines in Mississippi high schools and colleges.

Instructors are nominated by their peers, administrators, and students.

Bulldogs win state championship Lady 'dolls have disappointing season

Bob Weathers and his 'dolls had an overall record in mid-February of 10-8 and 5-4 in the South, with five games remaining. It was a disappointing showing compared to last year's 26-0 record and state championship title.

Meanwhile, Coach Doris Smith and her Lady 'dolls were holding third place and fighting for a higher berth in the South Division after coming off a poor season last year. To date they were 10-4 overall and 4-4 in the South.

Leading the team in scoring was Darlene Watts of Gulfport, who averaged 17 points, 16 rebounds and three steals a game. Other outstanding Lady 'dolls were Dina Fountain of D'Iberville, who averaged 11.9 points, six rebounds, nine assists and 25 steals; Rhonda Hickman of Wiggins, with 13 points, 11 rebounds and six steals; and Denise McDonald of Biloxi with 10 points, 12 rebounds and three steals.

In addition to leading his men to the 1984 state title, Weathers was named Coach of the Year by the junior college

basketball coaches in Mississippi. He also received the Babe McCarthy Tip-Off Club award.

Considered to be one of the winningest junior college basketball coaches in the nation, Weathers has compiled to date a 24-year career record at Gulf Coast of 528 wins and 170 losses. He ranks ninth in the nation in all-time win-loss records.

Since coming to Gulf Coast, Weathers has guided his teams to six state championships and to the runner-up slot on five occasions. He has coached 10 South Division championship teams and has been in second place five times.

Outstanding Bulldogs last year include Troy Biju, 6-8 guard from New Orleans, All-Region 23; Rocky Evans, 6-0 guard from Pascagoula, and Clarence Gray, 6-6 forward from LaPlace, La., both selected for the All-Star game and to the All-State first team.

State Champion Bulldogs ...

Pluck Owls to Win National Title

A spectator sitting in the bleachers on the home-side of the football field at Bel Air has an almost unobstructed view of the rolling Maryland countryside.

And even on a cold, wind-whipped day in December, the scenery was eye-catching.

Only on this particular day, it is unlikely many of the 3,000 or so fans paid much attention to the pastoral beauty of the place.

They had come to watch a football game.

Football, Mississippi style, is what they saw as the top-ranked Gulf Coast Junior College Bulldogs claimed the 1984 national championship by defeating second-place Harford 21-7 in the sixth annual East Bow!

It was the 13th win of the season for the undefeated Bulldogs, who handed Coach George Sekul his second National Junior College Athletic Association title in 13 years.

"No one did it better," is the way an editorial in a Coast newspaper summed up the Bulldogs, "achievement of athletic excellence."

But achievement of this magnitude didn't come easy. And the quest for it almost ended at Perkinson in the state championship game against the Jones Bobcats.

A goal line stand on fourth down, with the ball only inches away from six points, enabled the Bulldogs to eke out the 17-16 victory that assured them of a crack at the national title.

Nine days later the Bulldogs were on a bus, headed for Bel Air—a thousand miles away. Later in the week they were followed by buses, vans and cars loaded with the Marching Band of Gold, the Perkers, cheerleaders and about a hundred faithful fans.

The victory ...
Linebacker Allen Montgomery (left) and running back Allen Williams (top photo) held trophy awarded after undefeated Bulldogs (below) best Harford for national title.

"... Reporters and photographers were poised on the sidelines, ready to capture the game's every play. On the field (the Gulf Coast) marching band, brightly dressed in blue and gold, moved snappily to its own festive music ...

"... A plane circled overhead, trailing a banner which crowed, 'Go Owls — Harford's Best.'"

"(But) Harford's best wasn't quite good enough ... (Yet) the event will still be remembered as the day big-time college football came to Harford County."

Writing in the Sunday, Dec. 2, edition of *The Sun/Daily Herald*, Slim Smith recounted the highlights of the game.

"The Bulldogs rolled up 364 yards, including 254 rushing yards, thanks primarily to the efforts of hard running backs James Evans and Allen Williams ...

"Harford, meanwhile, relied almost exclusively on the exceptional talents of tailback Charles Johnson, who rushed 37 times for 206 yards ...

"Gulf Coast's defense never really

held the Owls offense in check, but it really didn't have to. The Bulldogs turned to takeaways to stem the tide, picking off three passes and recovering a fumble.

"The first Owls turnover ... set the stage (at the 24) for what was to follow. 'If there was a key play, that was it,' Sekul said.

"The Bulldogs recovered for the Bulldogs and Gulf Coast marched 25 yards in five plays to take the lead. Evans crashed over from the 6, then added a 2-point conversion run for an 8-0 lead ...

"The Bulldogs quickly boosted their lead to 21-0 with quarterback Anthony (Shake-and-Fake) Harris hitting tight end Gary Taylor on (two) TD strikes ...

"Bobby Ogle broke up an Owls' first period scoring threat with an interception at the Bulldog 15. Then, Danny Harris stopped another Harford drive with an interception at the Gulf Coast 8. Henry picked off another pass in the fourth period ...

Like the editorial writer said: 'No one did it better.'

DOING IT BETTER ...
Bulldog tight end Gary Taylor (top left) reaches for ball thrown by quarterback Anthony Harris, then evades Harford defender (top right) as he weathers for six points. At left, running back Allen Williams (below) carries for big yardage through hole opened for him by offensive line. On one of his numerous running plays, "Shake-and-Fake" Harris (below) does his thing and goes for long gain near goal. It was this kind of round-the-clock play that kept Owls off balance all afternoon.

The sweet and the bitter

Running back James Evans (35) returns punt as Bulldogs set up well to assure safe passage. The blockers in front are Jerry Anderson (18), Ed Ponderstein (16), Harold Tillman (86) and Sean Logan (24). At right, Coach George Sekul watches action, which included a fumble (below) by Bulldog running back Logan. Harford recovers as Gull Coast players Danny Walker, Jody Theobald, Chris Frigo and Gary Stanford look on.

They're No. 1, too . . .
As Bulldogs leave field at halftime, they are cheered lustily by Perkettes and band members. On their return, GJC's cheerleaders lead the way. Braving the cold in the stands are (from left) C.G. Odum, member of the GJC Board of Trustees and former dean of the Forkination Campus; Dr. Barry Mellinger, vice president of instructional affairs; and Mrs. Lilian Hayden, wife of the president.

Ladies Claim State, Region Softball Titles, Northwest Shatters Bulldogs' Diamond Hopes

The baseball and softball teams were getting into the swing of practice in mid-February.

After winning the South Division championship last year, Coach Ken Farris' Bulldogs were upset in the state playoffs when Northwest Junior College scored two runs in the bottom of the ninth inning for a 9-7 victory. It was the third consecutive time Northwest claimed the state title at the Bulldogs' expense.

The season ended for the men with a 36-19 record, setting Farris' 22-year career record at 575-171 — or an impressive 77 percent.

The women, on the other hand, slugged their way to the top to claim the state championship and the National Junior College Athletic Association Region 23 title.

Women who received special recognition included Melinda Webb of Ocean Springs and Tracy Neal of Vancehew.

both chosen for All-Star National team. All-Region first team included Webb, Neal, and Kathy White of Ocean Springs. Second team selections included Tammie Dedaux of Pass Christian, Tracy Martina of Biloxi, and Dina Fountain of d'Iberville.

Those making Mississippi Junior College All-State were Webb, White, Dedaux, and Deborah Burts of Moss Point.

The men who earned honors were pitcher Greg Hibbard of Gulfport, who was named to All-State, All-Eastern Region District, Mississippi Junior College All-Star, and to the second team of the NJCAA.

Catcher Barry Willard of Ocean Springs was named All-State, All-Eastern Region District, and MJC All-Star. Other MJC All-Stars were shortstop Charlie Lyons of Houma, La., and center fielder Richard Byrd of Biloxi.

Other Sports

TENNIS

The men's tennis team, coached by Jon Lewis, last year captured both the Mississippi Junior College and the National Junior College Region 23 championships. They competed in the NJC tournament in Ocala, Fla. and came in 25th.

All of the men were selected for the All-State team. They are Bill Briggs and Myron Seaton, both of Moss Point, Robert Shobe of Biloxi, and Jimmy Avdoyan of Gulfport.

The women's doubles teams placed second in the state. They are Melody Lane and Jill Treadway, both of Ocean Springs, and Shelly Martin and Sally Miller, both of Gautier.

GOLF

Coach Charles Cooper's golf team, all of whom attended Perkinston Campus, placed third in the Mississippi Junior College Athletic Association and the National Junior College Athletic Association Region 23.

George Byrd and Gary Taylor, both of Long Beach, were named to the All-Region 23 team, which qualified them to play in the national tourney in Lehigh, Pa. Byrd also was named to the All-State team.

TRACK

The track team, coach by George Sekul, will look forward to a better season this year. Last year was disappointing as we did not win any honors.

Band of Gold . . . A Step Above the Rest

The Band of Gold is the combined talents of students from all three campuses. Under the direction of Virgil Fulcher, the 135-piece marching band includes a 40-member dance team and 15-member guard. Choreography for the dance team is by Delta De La Fuente.

In addition to performing at all 1984 home football games, the band and dance team participated in parades and performed in the Superdome during halftime at a New Orleans Breakers/Arizona Rangers game.

But the highlight of the year was when they traveled to Bel Air, Maryland to perform at the Gulf Coast Bulldogs/Harford Owls East Bowl tilt.

Another feature of the band is the 16-member Winter Guard, which was formed last year. It is the only competitive junior college guard in the state.

Competition begins in January and runs through March. The guard this year is working hard to do well enough to qualify for the national competition in Dayton, Ohio.
