MGCCC

TRIDENT/Perkolator

PRESENTING THE 1992 PERKOLATOR STAFF'S

SEAL OF APPROVAL

The Perkolator was first published in 1936. In 1968, the campuses collaborated on "The Trident" and in 1976 the annuals split into three separate editions. Perk's annual was renamed Trident/Perkolator. This is the fifty-sixth edition of the Perkolator.

Mascot "Mo" seems to be enjoying the Alumni Newsletter.

Mississippi Gulf Coast Community College Perkinston Campus P.O. Box 47 Perkinston, Mississippi 39573 601-928-5211 Editor-in-chief: Donella Wallace Associate editor: Wendy Platts Photography editor: Tony Barnes Advisor: Maryanne Anthony

THE PERKOLATOR STAFF'S

SEAL OF APPROVAL

Dr. Bobby Garvin

gives Perk his

Seal of Approval

Becoming vice president of the Perkinston Campus in January of 1991 was a very exciting moment in my life. This excitement has not waned and continues to grow each day I am here.

As become more familiar with the Perkinston Campus and its students, faculty, staff and administration, I am increasingly impressed with the entry the starts in all facets of collegiate life on the campus.

quality that exists in all facets of collegiate life on the campus. Thousands of alumni that had the "Perk" experience have given their sail of approval. The quality that has won this set of approval will be assured for thure generations by your continued active involvement and participation in al phases of campus life.

SCALPFEST '91

HOMECOMING SPIRIT WEEK

The week of October 28 — November 2 was a one full of excitement for everyone on campus. Homecoming Spirit Week gave students and faculty the opportunity to show their support for the Bulldogs. The week began with Hopice Day on Monday. Tuedday was college day. Wednedday was camollauge day. Thurday was Halloween and Friday students and staff wore Homecoming Twistis. In addition to the dessu-upday. Tiesday night was the Tribal Games, Wednedday night the Scavenger hunt and Thursday night was the parade in Wigglins and the ope nally/bonfre.

1991 HOMECOMING COURT

RIANNE CROWNED QUEEN

Sophomore Maids

Melissa Denise Roberts was elected a sophomore maid by the Perkinston Campus student body. Melissa is the daughter of Harry and Jan Roberts of Ocean Springs. Her major is elementary education. Melissa is escorted by her father.

Kelley Renee Winland, a sophomore maid, is the daughter of Robert and Diana Winland of Ocean Springs. Her major is elementary education with an emphasis in tearning disabilities. Kelley is escorted by her tather.

Rianne Peterson, Homecoming Queen.

Maids of Honor

Carolyn Bass was elected a maid of honor by the MGC football team. Carolyn is the daughter of Fred and Minnie Wiley of Pascagoula. She is a sophomore majoring in nursing. Carolyn is escorted by her father.

Amie Michelle Ranson, a maid of honor, is the daughter of Mr. and Mrs. E. Foley of Ocean Springs and Linda Ranson of Atlants, Georgia. Amie is a sophomore majoring in psychology and counseling education. Amie is escorted by her uncle, Kit Gleen.

Freshmen Maids

Anjanetta Johnson was elected a freshmen maid by the Perkinston Campus student body. Anjanetta is the daughter of Loretta Robinson of Mobile, Alabama. Her major is pre-medicline. Anjanetta is escorted at the game by her cousin, Amos Lee Wright, Jr.

Stacey Denee Jackson, a freshman maid, is the daughter of Mr. and Mrs. George F. Jackson of Long Beach. Her major is elementary education. Stacey is escorted by her father.

Left: Rianne Peterson was elected Queen by the Perkinston Campus student body. She is the daughter of Richard and Sue Peterson of Tampa, and Elaine and Marion Reese of Pass Christian. Rianne's major is communication and her other campus activities include, RA, Student Council, Bat girl and Campus Who's Who. Right: Dr. Bobby Garvin and Michelle Sekul assist Rianne with her crown.

Lower left: After many years of coordinating Homecoming activities, 1991 was Brenda Donahoe's last. Lower right: Rianne rides in the Homecoming parade.

JUST HANGIN' OUT

College is a time for social growth as well as intellectual growth. Students at Perk use every opportunity to experience social growth. From the Student Center to the "Pig" (Piggly Wiggly), students experiment with various types of social "hang-outs". These hang-outs not only give students a place to meet, but a place to eat, entertain, and maybe even sleep.

Michelle Sekul just can't control that Bulldog spirit while hanging out at a basketball game.

The Student Center parking lot is quickly becoming the number one campus hang-

Perk students crash the "Pig". From left: Steve Mason, Wendy Platts, Brent Fairley, Greg Tolbert, Karen Ray and Bryan Vonder Bruegge.

Michelle Sekul shows Stacey Jackson the fine art of ordering at Sonic Drive-In.

When the football cheerleaders are not cheering for the football team, they're hanging out at the basketball games. From left: Michelle Sekul, Steve Mason, Lucky Poe, Stacy Jackson, Tracy Taylor and Conrad Hamel.

Brent Fairley orders some food from "Green Tree."

VOCATIONAL-TECHNICAL

Graduates with MGC vocational-technical degrees are highly successful in securing employment in a variety of occupations and well prepared for advanced study. The vo-tech programs taught at Gulf Coast are top-notch and employers consistently give our graduates high marks for preparation. Basic general education courses such as oral communications, mathematics, humanities, fine arts, social or behavioral sciences and natural science in addition to the specialized technical courses.

Vocational-technical fields of study offered include commercial art and advertising, ornamental horticulture, fishery management, drafting and design technology and commercial truck driving.

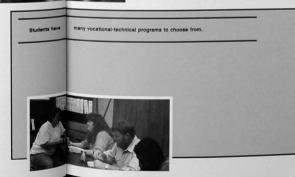

Admission to many vocational programs is open-entry, open-exit, a practice highly recommended by vocational educators nationwide. This means that students are accepted at times other than the beginning of a semester and may begin training immediately after they are enrolled and advance at an individualized pace.

TIMUT

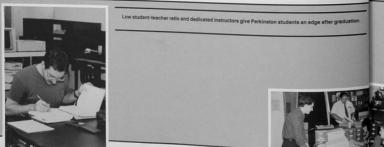

ACADEMICS

The Perkinston Campus of MGCCC is committed to the educational and cultural enrichment of its student body. Academic programs of study leading to an associate degree include: accounting, art, business, veterinary science, music and education. Also offered are B.A. and B.S. University Parallel Programs.

The faculty strives to provide quality classroom and laboratory instruction using innovative teaching strategies. The campus's low student-teacher ratio ensures individualized instruction and intensive student-faculty interaction.

But teaching and learning are dependent in no small measure upon environment. Gulf Coast has some of the finest physical facilities to be found. The Learning Resource Center, located in Huff Hall, provides materials such as computer software, audio-visual aids and video presentations. If you need to strengthen your skills in such areas as math, writing, reading, accounting or science, assistance is available from lab instructors for individuals and small groups.

Gold Seal Standards

The Perkinston campus offers a wide variety of clubs and organizations to its students. Because of various interests, there are clubs and organizations that deal with everything from academics and fine arts to vocational areas. These clubs and organizations help to break up the monotony of everyday school and encourage social interaction among students with similar interests.

A VICA student works on a project for class.

THE BAND OF GOLD

The Band of Gold not only entertains audiences at football halftimes, but also in various other events. They participate in concerts, parades, and exhibitions across the district. The band is under the direction of David Dulett and assistant director Bob Fayard. Dianne Deters and Terry Richardson are the drum maiors.

Delta Phi Omega

The Delta Pi Omega club has an open invitation for membership to engineering, mathematics and computer science majors. The club is involved in field trips to industrial and scientific organizations where members are exposed to engineers, mathematicians and computer operators on the job. Some of the plants attended on field trips include: The Marshall Space Center (Huntsville, AL), Peavy Electronic (Meridian), and General Dynamics (Fort Worth, TX). Guest Speakers from these organizations are invited to afternoon luncheon sessions. The club was organized under the direction of Dr. Larry O'Neal in 1984. Mr. Jesse Jacobs is currently the club sponsor

Delta Club members pose in front of a ship at Ingalls in Pascagoula.

Bulldog Barks

The Perk campus student newspaper, the Buildog Darks, was revived in the fail of 1969. Students are given the opportunity to learn journalistic writing techniques as well as layout and design working on the monthly publication. The 1991-92 Barks staff worked diligently to create a quality publication which students, as well as faculty and staft, looked forward to reading.

Honors Program

Mississippi Gulf Coast Community College established the Honors Program in 1987. The Honors Program offers special courses and activities, along with full-fuition scholarships, to academically talented students.

In order to remain in the program, honors scholars must maintain a cumulative GPA of at least 3.2 with no grade lower than a C and must take seven hours of honors credit each semester.

By preparing students to excel, the Honors Program helps to sharpen students' skills and prepare them for the challenges ahead. Perkinston Honors Program is sponsored by Brenda Batey.

Phi Theta Kappa

Phi Theta Kappa is the nationally recoprized scholastic honorary fraternity for junic college students. The goals of Phi Theta Kappa are to provide opportunities for development of leadership and service and to encourage continuing académic excellence. Phi Theta Kappa offers opportunities for personal enrichment to of the student through unique educational experiences and fellowship with other scholars.

Membership is by invitation only and a 3.5 grade point average on all college work. Perkinston Phi Theta Kappa sponsors are Mr. Tom Taylor and Mr. Benny Warren.

First Row, from left: Kristi Evans, Masako Hirayama, Jane Janney; Second Row, from left: Jay Schaar, Debbie Brokaw; Third Row, from left: Bennie Warren, advisor, Tom Taylor, advisor.

Phi Beta Lambda

PBL is a national organization for students at the college level who are preparing for careers in business and industry or for business related careers. The plan of organization includes local chapters, state chapters and the Phi Beta Lambda National Organization.

One of its chief objectives is to develop strong, aggressive leadership so that the members, as future businessmen and women, may parlicipate more effectively in the business and community life of which they will be a part. Throughout the year, PBL has fund raisers to raise money to go to competition on the state and national level. PBL is sponsored here at Perk by Lisa Taylor.

Reflections

The Gulf Coast Reflections, a student recruiting organization, re-established in June, 1988, is composed of representatives from the various, indistrict high schools of George, Stone, Harrison, and Jackson counties, out-of-district and out-of-state ful-livine students of MGCCC

The purpose of this organization is to promote MGCCG in the capacities of recruiting, hospitality, and public relations. Responsibilities include visiting high schools, serving as tour guides on campus, and hosting receptions and official dinners given by or sponsored by Mississippi Guit Coast Community College.

Front Row, from left: Sandy Rogers, Donella Wallace, Amie Ranson, Wendy Platts, Heather O'Neal, Susan Lamey, advisor. Back Row, from left: Pam Hatten, Steve Mason, Kesha Suilivan, Wayne Cospelich, Tracey Bell, Tommy Everett.

Sound Waves

The Soundwaves is the newest ambassador to the Mississippi Gulf Coast Community College. They are a singing quartet who perform many selections from barbershop music to the rock and roll hits of the fifties.

From left: Jeremy Morgan, Jeff Reeves, Johnny Gilbert, Tony Barnes.

Student Council

from each class of the college, these democratic bodies, through elective and advisory functions, are the voice of the students in helping to determine the success of the college. Faculty members serve on an advisory committee to this council. The Student Council plans wholesome recreational and social activities for the students, encourage student discussion of campus concerns, present helpful recommendations to the faculty and administration, and generally act in an advisory capacity to the students. The Student Council also exercises general supervision over other campus organizations and must approve the formation of any new group on campus.

COACH

Coach George Sekul is one of those special people who has achieved a level of success that has been reached by no other. He has proved himself to be one of the best-locally and nationallyamong junior college football coaches.

In 1961, Sekul became an assistant coach to the Perkinston Bulldogs, a position he held for five years. Then in 1966, George Sekul advanced to the head coaching position at Perk and lead his team to two consecutive state titles in 1966 and 67. In 1971. Sekul coached the Bulldogs to a national title. Under his direction, Gulf Coast has been named Mississippi Junior College Champs eight times, Conference Runnerups seven times, and South Division Champs ten times. In his 26 years as head coach at

Perk Sekul has had 19 nationally ranked top 20 teams and 14 top ten teams. The Buildogs have also participated in five bowl games in the past 28 years, wnning four. Four times Sekul excelled as Region 23 Coach of the Year. He also received the Frank Twig Branch Award for National Football Foundations and Hall of Fame.

Coach Sekul's record stands at an impressive 204 wins, 71 losses and 5 lise in his 25 years of coaching. He received his 200th win this season against Coahoma Junior Coaledge. In addition to this, he coached the Mississipi JARStir team of the south chaking up a 30-0 win to add to his career as the winningest coach in junior college history. Coach Sekul refitred after the 1991 season and was replaced by J.C. Arban.

Left, Coach Sekul contemplating a play. Below, Coach Sekul in his "Bear Bryant" pose.

Coach Sekul takes football seriously. (Homecoming)

Coach Sekul takes winning seriously. (200th win)

Below, Coach Sekul is congratulated by his daughter, Michelle; niece, Bridgette, and Dr. Barry Meilinger after his 200th win.

Coaches, Front Row From Left: Joe Allen, J.C. Arban, Steve Nagy, Back Row, From Left: Billy Stone. George Sekul, Cooper Farris.

The Bulldogs made improvement over the previous year, ending the 1991-92 season with 5 wins and 5 losses. Before the season started veteran coach Clem Dellenger left to assume an assistant coaching position at St. John High School in Gulfport. Then Gary Harper, who came to Gulf Coast in 1988, resigned to take a position at Tuskeegee University in Alabama as assistant football coach/head track coach.

Coach Sekul retained the assistance of Bulldog offensive line coach Joe Allen and he was joined by J.C. Arban, from East Mississippi Community College and Steve Nagy from Stone Junior College.

At the conclusion of the season, Coach Sekul's request for re-instatement as head coach was denied by the MGC Board of Directors and Sekul was replaced by J.C. Arban.

By Willie Jefferson, Jr.

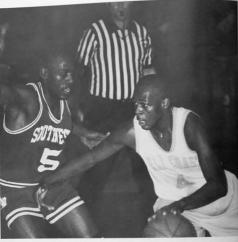

Coach Wendell Weathers, assistant coach of the MGCCC Buildogs basketball team, gave a brief insight about the team this year. Before the first game, Weathers didn't know what to expect from the team, "We had a good team, but we had a large number of inexperienced freshmen," he commented.

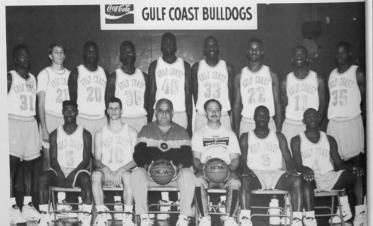

After the Bulldogs' first victory, Weathers identified the team's strong and weak points. "The team's strengths were size and out rebounding opponents. The big weaknesses are inconsistency and inexperience," he added.

The team lost the leadership of Dale Brown, who helped carry the learn is fifth place in NJCAA at Hutchinson, Kanasa, Weathers and there was not another Brown in the making, "Without Brown, the team has fattered with outside scoring-3-point shots, etc., but the inside game has been on the rise," he says.

Right, Wesley Taylor dribbles past his opponent.

Front row, from left: Derrick Oates, Chad Canoy, Coach Bob Weathers, Coach Wendeil Weathers, Robert Polk, Wealey Taylor. Back row, from left: Quincey Jackson, Mark Hubbard, Jimmy Cox, Kendrick Cannon, Frank Wilson, Pat Savoy, Maurice Stephens, Derrick Watts, Paul Flemmig.

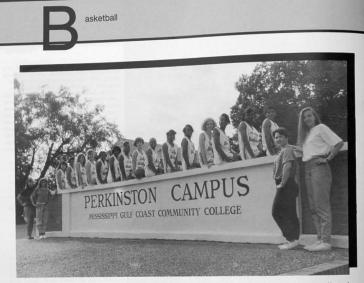

According to Weathers, the team is functioning pretty good without Brown and the freshmen are doing well. "The freshmen's game is what I expected, inexperience is the key factor."

When asked about the goals for the team this year. Coach Weathers was quick to give one response—"...to get back into the tournament." Coach Weathers commented about the team's short term goals by saying. "Teel we have a talented team and with our freshmen, we'll overcome inconsistency with experience." The head coach of the Buildogs is Bob Weathers. When the yearbook went to press, the team's record was 11-2.

Right, Derrick Oates puts one up for 2-points.

Far left, Robert Polk snatches a rebound as Maurice Stephens looks on. Left, Kendrick Cannon gets airborn for a shot. Above, Derrick Oates moves in for the kill.

The 1991 baseball team, under the direction of Coach Cooper Farris, finished the season with a 43-11 overall record, winning Region 23 and Eastern Division titles before advancing to junior college world series action at Grand Junction, Colorado. The National Junior College Association ranked the '92 Bulldogs fifth in the nation in its preseason poll. The 1992 team has a tough act to follow and losing all of the starting infield and outfield except left fielder Robert Dickerson, who is a Detroit Tigers draftee, is yet another hurdle. Several players moved to the big leagues. Right fielder Robin Higginbotham signed with the Detroit Tigers and second baseman Matt Lawton signed with the Minnesota Twins and shortstop Ronnie Ducksworth went with the Pittsburg Pirates. Coach Cooper Farris was named 1991 District Coach of the Year, Region 23 and Eastern Division Coach of the Year. "Depth will be one of our strengths this season," Coach Farris said.

The Bulldog Babes are a group of fourteen females, chosen by Coach Cooper Farris, who serve as "bat girls" for the baseball team. The term "bat girl" consists of much more than just picking up bats. The bat girls are responsible for choosing a baseball player and being his "secret babe" throughout the season. Each player would get a bag of "goodies" in his locker before every game. Other bat girl duties include: running the concession stand, keeping stat books, announcing during the games, keeping the scoreboard, picking up equipment, providing overall support for the team, and the favorite iob-chasing foul balls.

The Bulldog Babes sponsored the first-ever baseball calendar this year. The funds raised by the sale of the calendars were used to buy supplies for the players, to stock the concession stand and to buy bat girl uniforms.

Coach Sekul led several Buildog players to the first and second All-State teams and to the All-Star team that represented the South in the annual North-South game on December 7 at Boonevile. The South team was coached by Coaches Sekul, Nagy, and Arban. All-State selections include kicker David Beauger of Docen Springs, first team offense, running back Donald Moffett of Pascagoula, second team offense; defense back Kelly Steled of Moss Point, first team defense, and defense with avg. McPherson of Tallahassee, Fia, second team offense.

On the All-Star team are Steele, Moffett, Beaugez, McPherson, and linebacker Gerald Watterson of Bogalusa, La. Steele was second in the state in interceptions. He had nine, three fewer than leader Jerome Williams of Itawamba.

Beaugez was first in the state in field goals, kicking 5 of 7. He ranked sixth in punting, averaging 37.2 yards. And he recorded the longest punt of the year with a 70-yarder.

Moffett led the Bulldogs in carries and was tenth in the state with 520 yards on 95 carries for an average of 5.5 yards a try.

SEAL OF APPROVAL

Education is the main priority of Mississippi Gulf Coast Community College, Perkinston Campus. The college employs many administrators, teachers, and staff to achieve this goal. Students attending the Perkinston Campus have an option of enrolling in a transfer program or entering a technical or vocational program which will enable them to complete their education in two years or less. Whether it is an academic, technical, or vocational program, the students and faculty together attempt to excel in these areas. That is why, the 1991 Annual Staff gives its SEAL OF APPROVAL to the people who make up the Perkinston Campus!

MGCCC President Dr. Barry L. Mellinger.

0: 0: 0: 0:

DE JA VU

The Perkinston Campus has become "home" for several former students who are now employees. Maintenance secretary Pam Farmer, says, "The size of the campus and the personable attitudes of the employees lures students here and keeps them coming back." Some of the former students now employed at Perk are George Sekul, Wendell Weathers, Cheryl Catalano, Pam Farmer, Carrolyn Miller, Sandra Goble, Brenda Batey, David Smith, and Bary Thrash. Just goes to show, a "Perk" start on life can take you places!

RULES OF THE ROAD

Campus police officers gave ther "seal of disapproval" this year by issuing tokets to volators of decal and parking policies. Most students purchased decals during registration, but some neglected to put them on their vehicles. Enter — the long arm of the law! Excuses ranged from, "Ve had the decal in my room since registration," to "I swear, officer, somebody stole my decal of t of my car".

As for parking, even though Perk is a small campus, some

医静静静静 医肠静静 医静静静脉 医白色白色石

students still drive from building to building for class. Sometimes finding a parking place takes more time than walking. While ushing to make to class on time, the harried student sometimes hoped for the best and parked in a reserved space. (Reserved for employees, not for that particular student.) Enter — the long arm of the law! Excuses ranged from, "Well, you put Stone Hall reserved parking on my ticket, but I was in class in Dees Hall "to "I swear, officer. I didn't know that this was reserved parking on the take the student of the store of the student of the store of th

STAYING AWAKE WHILE STUDYING

Exams slipped up on the Perk students before they knew it. Many were totally unprepared:

therefore, late night "cramming" was the last resort How did students handle these late nights? Were there things students did to stay awake? We found that many students stayed awake in a variety of ways. Here are some:

- 1. took showers
- 2. ate
- 3. slapped water on face
- 4. drank sodas
- 5. talked to roommate
- 6 took walks

All of these methods didn't work for everyone. These aren't the only things people did to stay awake either. Staying awake while studying was definitely a challenge. Once students mastered the skill, the rest of the year was a breeze - at least for some.

Lee Carlisle's method of staying awake while studying is unsuccessful.

Left Jason Wade enjoys the fall weather while studying. Right The deck of the Student Center is an ideal spot for Kerri Wilson and James Zirger to study.

UNCLE SAM GIVES SEAL OF APPROVAL

Perkinston Campus's Pre-Military Program was the first of its kind in the country. The mission of the Pre-Military program was to recruit, house, feed, instruct, train, and counsel.

The students consist of young men and women between the age of 16 and 30, who want to enter different branches of the military. Students are given instructions to prepare to take the Armed Services Vocational Aptitude Battery (ASVAB). When asked, "What do you expect to get out of being in the Pre-Military Program?" Koletha Dedeaux answered, "Five more points on the ASVAB test, to go into the military and career of my choice.

The program is funded by JTPA and jointly coordinated by the State Department of Education, the Governor's Office for Literacy and Labor Assistance, and the Department of Economic and Community Development. The University of Mississippi was instrumental in the implementation of this program.

VOTE AMERICA by Jane Janney, President Phi Theta Kappa

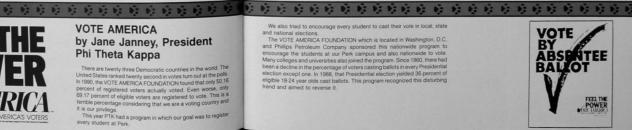

There are twenty-three Democratic countries in the world. The United States ranked twenty second in votes turn out at the polls. In 1990, the VOTE AMERICA FOUNDATION found that only 50.16 percent of registered voters actually voted. Even worse, only 69.17 percent of eligible voters are registered to vote. This is a terrible percentage considering that we are a voting country and it is our privilege.

This year PTK had a program in which our goal was to register every student at Perk.

We also tried to encourage every student to cast their vote in local, state and national elections.

The VOTE AMERICA FOUNDATION which is located in Washington, D.C. and Phillips Petroleum Company sponsored this nationwide program to encourage the students at our Perk campus and also nationwide to vote. Many colleges and universities also joined the program. Since 1960, there had been a decline in the percentage of voters casting ballots in every Presidential election except one. In 1988, that Presidential election yielded 36 percent of eligible 18-24 year olds cast ballots. This program recognized this disturbing trend and aimed to reverse it.

PHYSICAL FITNESS

In this day and age, physical fitness is becoming increasingly important to everyone. This also held true at Perk. In this day allowage, physical intess is becoming increasingly important to be your resolution and other feading. Those who didn't choose to Many students chose to participate in school sports such as football, baseball, baseball, and cheerleading. Those who didn't choose to participate at that level may have tried inframural sports such as softball and football. In addition to these sports, some students set of on their own to the stadium track to waik or jog. Tennis courts were available for those who preferred that type of workout, and many students chose to lift weights to stay in shape. Everyday, students could look outside and see other students participating in some type of activity to stay fit.

MICROWAVE MANIA

Microwaves were a big part of the dorm students' life. The microwaves were used for gourmet cooking, quick and easy meals, but mainly just for reheating something to curb the munchies.

Kelly Winland is about to curb her munchles with some microwave popcorn. Between classes when students needed food for energy, what better way to get nourishment than to just "zap" a cold slice of pizza, or "nuke" a cold hamburger. Late at night, when everyone was cramming for a big test the next day, it was nice to have a hot cup of coffee or a bag of popcorn.

If Donella Wallace is lucky, that is something homemade she is reheating!

FUTURE SEAL OF APPROVAL

A question we have all been asked and answered is, "What do you want to be when you grow up?" Common answers include doctor, lawyer, policeman, or freman. Now are grown up and about to begin our careers and our lives as adults. There are hundreds of careers to choose from that are equally prestigious and important. Where will you be in ten years? What will you be doing in the year 2002? There are some MGCCC students self-predictions:

D'Ann Vecchio: "I'll be a court reporter, married and making money." Teddy Rose: "I'm not sure; hopefully. I will be a detective somewhere out of state."

Melissa Roberts: "Married, teaching, and chasing children."

Eryn Cook. "I hope to be finished with school and in my own practice of psychiatry.

Amie Ranson: "Unmarried, and living very happily with a prosperous career in counseling."

Sean Miller: "I don't know, I hope to be a physical therapist in Biloxi because we don't have one there."

Whatever these students actually do, all of us can be sure their years at MGCCC helped them to receive a "seal of approval" in the real world.

PERK'S LOVE CONNECTION

D: 0: 0:

When it came to meeting people, women really had the advantage over guys this year. There were several couples who met after arriving at Perk and have dated longer than 6 months

How did these people meet? Our survey came up with some interesting meeting places. Some of these include the following: through the BSU, the Student

Center, Mississippi Sound Auditions, and one couple even met in a car on the way to Pizza Hut. There were also some interesting first impressions between these couples. One girl thought to herself.

bo bo bo bo bo

"I want him." One guy thought his relationship. "Wouldn't last two weeks."

Our survey showed that these couples had some interesting dates. First dates ranged from a Chinese restaurant and a movie to going to a Mardi Gras' ball. One couple said their most memorable date was at a friend's birthday party in Gulf Shores. One girl fixed her boyfriend a huge dinner to celebrate their one year anniversary, and he gave her a pearl ring. There was one guy who gave a new meaning to the word romantic when he had a waiter deliver his girlfriend's,

or should we say, fiance's, engagement ring to their dinner table with a rose.

Perk proved to be more than just a place to study; there was more chemistry than just in the science lab. The people in our survey were definitely granted a "seal of approval." In photo far left. Tony Barnes and Jeana Moran have dated for several months. At right, Jeremy Morgan and Kristie Evans met at Perk and plan to share a long life together.

RECYCLE NON

MOTHER NATURE GIVES SEAL OF APPROVAL

The condition of the environment was a growing concern on the minds of the faculty and students at Perk. This awareness led to the paper recycling program set up in the administrative offices. The domn students also pitched in by recycling the many soda cans. The money earned by selling the cans was put into domnitory activities.

Noel Nami participates in recycling at Perk.

WEEKEND EVACUATION

A strange phenomenon happened almost every Friday atternoon at Perk. One by one, the cars cleared the parking lots. Where was everyone going? They were headed home for the weekend.

Moran Hall clears out for the weekend.

It has been a habit of Perk dorm students for years to leave campus on Friday afternoon and return Sunday evening. When Donela Wallace was asked why she left Campus for the weekend, she replied, "There is nobody here on the weekends I like tog home sol can be with my family and friends," When Harne Rose was asked, she said, "To get money and gas."

Tracy Taylor leaves the "dormstead" heading for her "homestead" in Pascagoula.

PER:

Students were asked, "What do you like most about attending GCOTC?" A few responses were:

Elaine Shaw "George County is very personable and everyone is friendly and I'm treated as an individual."

Ophelia N. Campbell "The career choice which I wanted to pursue was offered."

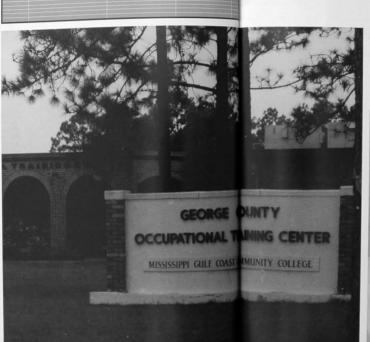

Roxie Barker "It's close to home which enables me to receive the job training I require without traveling far."

Gary Mason

"I am able to participate in club activities and meet other people in the vocational secretarial profession across the state."

> Lucedale is the home for MGCCC George County Occupational Training Center.

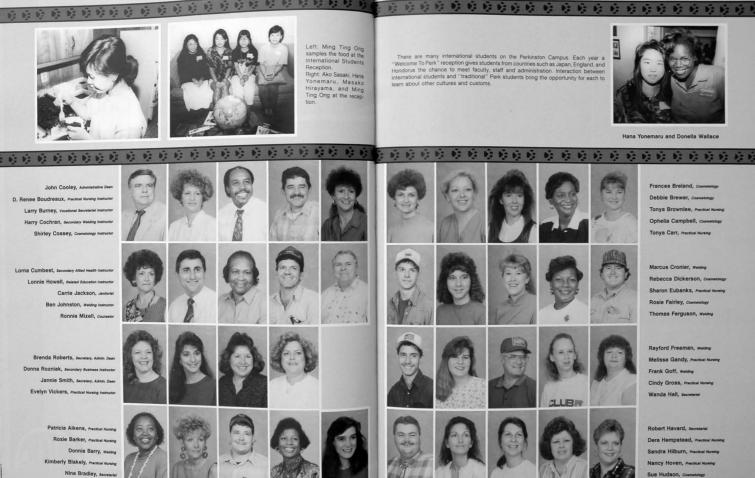

MGCCC Occupational Training Center

George County

Mr. Larry Burney

In 1991, for the first time, an employee at George County Occupational Training Center was given the instructor of the Year Award. Mr. Larry Burney is one of the instructors of the vocational secretural training program which lasts for three months. Motivation, not only to accomplish this goals but to help his students accomplish theirs, certainly makes Mr. Burney a successful instructor.

COLOPHON

The 1992 Perkolator was produced by the yearbook staff of Masissippi Gulf Coast Community College, Perkinston Campus. The 56th edition of the Perkolator was published by Delmar Publishing Company, Charlotte, North Carolina. Delmar representative was Virgil Melohn.

The 9 X 12 book is printed on 80 be namel paper. The first 120 pages were designed by the Perkolator staff. The last signature was designed by the Central Office. A Smyth seven binding was used. The cover was made from a blue lexitore material with a gold foil stamp. The board weight is 160 point. The endsheet paper is gray in color. There were 750 books produced. Helvetica was used for the main corp in varying sizes. The kickers were designed by the staff artist, Rianne

Peterson. Copy was written by the yearbook staff. Student and faculty portraits were taken by Carolyn

Richardson of Olan Mills Studios. Winfred Moncriet and Russell Hatten contributed their talents to the photography. Various other staff members contributed toward the photography.

The Perkolator was funded through the college. Books were offered to the students for \$10.00. The view points expressed in the Perkolator are those

of the students and do not necessarily express feelings of the administration, faculty or staff.

Mississippi Gulf Coast Community College has been a leader among community colleges in the state and nation for a long time.

The main emphasis in the organization and operation of the college is that it is a single, institutional entity with three campus locations and four centers.

While each of the Gulf Coast campuses has its

own personality and characteristics, they all share common philosophies and goals and work together to serve the educational needs of the citizens of George, Harrison, Jackson and Stone Counties.

Dr. Barry Mellinger is president of the college with vice presidents in supporting positions at the campus and central office levels.

Trustees make difficult decisions, plan ahead

The Mississippi Gulf Coast Community College district is comprised of George, Harrison, Jackson and Stone Counties. Gulf Coast trustees represent each county the college serves. They are faced with the sometimes difficult responsibility of deciding what is best for the school and the affected surrounding community.

Perhaps one of the most difficult assignments the board has had was to make recommendations for cutting more than a half-million dollars from the 1990-91 operating budget. The president advised the board to make the cut in anticipation of upcoming reductions in state appropriations.

When anticipated cuts became official in early '91, Gulf Coast was prepared. The Board of Trustees had in November of the previous year frozen all equipment purchases and hiring.

As enrollments have continued to increase, Gulf Coast has planned ahead – rennovating or building more facilities for the growing student body and hiring personnel to serve their other educational needs. For example, the Mississippi Gulf Coast Applied Technology and Development Center was opened in the summer of 1991 to better serve the economic growth needs of the community.

But planning ahead is becoming more difficult for the Board as enrollment growth continues and financial burdens become heavier.

With more than 8,000 students, Gulf Coast is now the largest community college in the state. GCCC President Dr. Barry L. Mellinger has said salary reductions would be a "last resort," and the board agreed. Community college salaries throughout the state now are not competitive with those of business and industry, universities and even secondary schools in the area, he said.

In a 10-year plan devised in 1991 by Dr. Edsel T. Godbey, college plans include more building projects and more programs to serve the diversified com-

munity college student body. When these plans may be put into action must be decided by the trustees.

Three instructors chosen GC's best

The Gulf Coast Community College Alumni Association on Friday, April 5, 1991, cited three instructors for their contributions to education and their communities.

Instructors of the Year for the college's three campuses were Larry Burney of Lucedale, vocational secretarial instructor at the George County Occupational Training Center, Perkinston Campus: Dr 1 Hollis Melton of Ocean Springs, science, Jackson County Campus: and R. Elaine Schmidtling, associate degree nursing, lefferson Davis Campus,

The honorees, chosen by committees representing students, faculty and administration, were the guests of honor at the Alumni Association's annual spring banquet held on the Jackson County Campus. There they received plagues and legislative resolutions from their respective campus vice presidents.

Burney has been at GCOTC for 14 of his 17 years teaching. The first three of his career were spent at Saints Academy and College in Lexington. He has a B.S. from Albany (Ga.) State College, an M.B.Ed. from lackson State University, and has studied further at Alabama State University and the University of Southern Mississippi.

Dr. Lena Nell Hollis Melton has taught at the lackson County Campus since 1985, her entire teaching career. She received her B.S. from the Hampton (Va.) Institute and an M.S.Ed. and Ph.D. from the University of Southern Mississippi.

Schmidtling has been a registered nurse for 30 years and has taught at GCCC for 12 of those years. She holds a B.S.N. from William Carey College on the Coast, an M.S. in nursing from USM, and is a board certified Critical Care Nurse through the American Association of Critical Care Nurses.

Mississippi two-year colleges host national convention

Gras ball at the Coast Coliseum

More than 2,000 community and junior college trustees cluded visits to historical points of interest, including from across the nation and several foreign countries attended the Association of Community College Trustees annual convention Oct. 16-19 on the Mississippi Coast.

The affair, hosted by the state's 15 public two-year colleges, featured three days of sessions that covered a wide variety of topics pertinent to the operation of the colleges.

Various "free-time" activities planned by the hosts in-

Beauvoir, Jefferson Davis' last home. The delegates also were feted at a Mardi Gras ball in the Coast Coliseum convention center

Credited with the success of the convention, the first of its kind ever held in Mississippi and widely praised by ACCT officials, was GCCC's Institutional Relations Department, then headed by Executive Assistant Nell Murray.

Shotgun start tees off 96 golfers

Enthusiastic golfers head for their tee to await shotgun start of MGCCC Showcase '91 tournament held at Windance Golf and Country Club near Gulfnort

Showcase '91, the third annual golf tournament sponsored by the Gulf Coast Community College Board of Trustees, raised \$6,200 for scholarships, \$1,200 more than the amount netted last vear, tournament chairperson Pat Descher announced.

Ninety-six golfers played in the September tournament held at Windance Golf and Country Club near Gulfport, Approximately 60 businesses made donations in support of the annual event.

Students attending any campus or center of GC will be eligible to receive the scholarships.

HOMECOMING 1991

DR. GERALD MILLER EPA regional expert becomes 21st inductee into Hall of Fame

Dr. Gerald J. Niller, regional expert in national environment policy and senior ecologist in the Atlanta office of the Federal Environmental Protection Agency, was inducted into the Culf Coast Community College Alumni Hall of Fame during homecoming festivities Saturday, Nov. 2.

Miller, 48, a 1962 graduate of what now is GCCC's Perkinston Campus, was honored at a noon luncheon in the Heidelberg Hall cafeteria.

A native of Jersey City, N.J., Miller began school in a one-room school house when he was only four-years-old. "We were living in upstate New York

at the time," said Mrs. Ruth Shirley, Miller's mother. "A teacher took a liking to Jerry and took him to school with her. He was too young to be a regular student, but he did learn to read and write."

Miller grew up in Gulfport, where he attended public schools and graduated in 1960 from Gulfport High School. His mother still lives in Gulfport.

The determination to learn and to master any subject he took served Miller well at Perkinston Junior College, the University of Southern Mississippi, Millsaps College, the University of Georgia (where he earned his Ph.D.), and at the various military schools he attended.

Determination, coupled with a stubborn streak, "has helped Jerry get things done," Mrs. Shirley said. "He goes allout. Even as a kid, he would put himself 100 percent into everything he did. He'd work and work until he got it right. He's still that way."

Miller's willingness to work helped him pay his way through college. When he was growing up in Gulfport, he worked as a hospital orderly, a bagboy in a

Dr. Gerald J. Miller, regional expert in national environment policy and senior ecologist in the Atlanta office of the enderal Environmental Protection Agen.

Of the 16 years Miller has been in federal service, the last 12 have been with the EPA. In addition, he has 23 years of active and reserve service with the U.S. Army, including a stint in Vietnam where he distinguished himself as an a mubuance lifer. He received the Distinguished Flying Cross for airlifting more than 300 wounded to hospitals. When he returned to the states, he was stationed at Fort Mead where he continued to airlift wounded to hospitals. During his air ambulance career, he transported approximately 3,500 wounded servicemen.

Miller is married to the former Glenda Hunt of Gulfport, who like her husband of 25 years, is a graduate of Perkinston Campus. She also is a graduate of Agnes Scott Collego, where Miller once taught. She and Miller share a love for competitive running. They run every weekend and are members of the Atlanta Track Club ArC Master's Rating Team which took first place in the '89 10K. Glenda is currently ranked top female master's runner in the ATC, having won the Grand Prix for the last two years.

Discussing the education he received at Perkinston, Miller and he had no difficulty competing later with people who had initially gone to a four-year college. 'Iunior colleges have instructors who can focus on what they are doing.'' he add.''They are not three to get tenure. to publish papers, or to get grants. These people are teachers. They have no problem going that extra little bit it takes to get points across.''

IOP RIGHT: Miller responds to his induction in the the MGCCC Alumni Hall of Fame. CENTER RIGHT: Call Coast president Dr. Barry Mellinger, right, presents Miller with Algape in recognition of his selection as the 21st regione of the college's highest award to former students. RGHT: David Stansing Iefo, histor professor at the University of Missistopir, receives a gift of appreciation from Dr. Mellinger. Saming, a former Privinston Campus scali tudies instructor, was the guest speaker at the homecoming lumcheon on Perkinston Campus. Saming was an instructor of the Hall of fame indicate Dr. Cereld Miller.

Homecoming reunites former classmates

Special class reunions were held from 9:30 until 11:30 a.m. homecoming day. Classes participating were 1932, 1952, 1962 (Dr. Gerald Willer's class), 1972, and 1982. Special recognition was given to members of the college and high school classes of 1942 on the occasion of their 50th anniversary.

Louise Brown, alumni/foundation officer, said she was pleased with the number of members in attendance representing each class. She attributed the good turnout to

been run in several issues of the Alumni newsletter Action prior to homecoming.

Sam Owen Award presented to former president

Former GCCC president Dr. J.J. Hayden Jr. is presented the Sam Owen Trophy by Marguerite Kalif Jouban, sister of the late Sam Owen for whom the award is named.

The Sam Owen trophy for distinguished service to Gulf Coast Community College was awarded to the school's former president, Dr. J.J. Hayden Jr.

Hayden, who retired in 1985 after 35 years in office, was honored during a homecoming luncheon on the college's Perkinston Campus.

Making the presentation to Hayden was Marquerite Kalif Jouban of Pass Christian, sister of the late Sam Owen of Gulfport, for whom the award is named.

Jouban also presented a permanent trophy to last year's recipient, L.D. "Buster" Stringfellow, Wiggins banker and former administrator at the Perkinston Campus.

Hayden, a graduate of what then was the Perkinston Junior College, was instrumental in building the college from a single-campus institution into a three-campus, four-center college, the first of its kind in Mississioni.

Succeeding Hayden, who now lives in Pass Christian, was Dr. Barry L. Mellinger, former GCCC vice president for instructional affairs.

Hayden is the 37th person to receive the Sam Owen trophy. "I really didn't expect this," Hayden said. "It came as a complete surprise."

Head coaching record: 84-49-4. Won Mississippi Junior College championship at Pearl River in 1976.

season in 1956.

It ended in December 1991 when the At the University of Southern Mississippi, school's Board of Trustees upheld the ad- Sekul guarterbacked USM to the school's ministration's decision not to renew Sekul's only unbeaten-untied season (1958) and contract as head football coach and athletic was named honorable mention Little All-American during his two seasons with the Instead, the board approved the hiring of Golden Eagles. Arban, a defensive J.C. Arban, a 34-year coaching veteran who back/running back, was also a member of

Following a short pro career in the Canadian Football League, Sekul returned to Thus ended Sekul's 31-year career at USM where he coached the school's fresh-Gulf Coast, where he was an assistant man team for two years before joining the

to head coach in 1966. During the 26 years Arban, who is 84-49-4 in 13 seasons as a that followed, his teams won two national junior college head coach, said he was glad championships, eight state titles and to get the opportunity to be a head coach

Arban has spent 34 years in the coachine profession. He served as an assistant coach at USM for two years, worked eight years on the high school level and spent the rest of the time on the junior college circuit

He was head coach at Pearl River from 1975-84 (61-37-4), head coach at East Mississippi for three years and an assistant coach at East Central for three years.

Arban said he would retain assistant coaches loe Allen and Steve Nagy for the rest of the school year

"George Sekul's record was excellent tr won't be equaled," Arban said, "The team has been down for the past few years Hopefully, I can get it back to where George had it before."

THE SEKUL FILE

Who: George Sekul. Birthplace: Biloxi Age: 54.

Coaching Career Junior College: Gulf Coast (assistant, 1961-65). Gulf Coast (head coach, 1966-91).

Senior College: Southern Mississippi (freshman coach 1959-60). Head coaching record: 204-77-4. Won NJCAA national championships in 1971 and 1984. Won Mississippi Junior College championships in 1966, 1967, 1971, 1974, 1980, 1982, 1984 and 1986

Gulf Coast appears headed for winning season

PHOTOS (left to right): Top: Head Coach Bob Weathers and Assistant Coach Wendell Weathers Second Row: Sophomores Mark Hubbard and Robert Polk, Left: Sophomore Maurice Stephens. Sophomore not pictured is Kendrick Cannon.

The Gulf Coast Bulldows, fourth in the nation last year, appeared headed for another winning basketball season in 1991-'97. At vearbook press time in early February, the team was 14-6 overall and 6-4 in South Division play.

Coach Bob Weathers said he had hopes of finishing second in the division, but wins over Copiab-Lincoln and Hinds would be necessary to achieve that goal.

"We're a freshman-oriented club." Weathers said. "Only four sophomores and one starter are back from last year. We are still making too many mistakes; we haven't matured as quickly as we should."

Last season the Bulldogs finished with a 35-5 record, winning both the state championship and the National Junior College Athletic Association Region XXIII title before going to the national tournament in Hutchinson, Kan, There the souad advanced to the semi-finals before losing to Aquinas Community College of Nashville, Tenn, Aquinas went on to claim the national title.

"We have good potential again this year," said Weathers. "But potential has to be developed to produce a winning team. That's what we're working on."

Weathers, 58, of Wiggins has been at GCCC for 31 years of his 35-year coaching career

Last year, he became the winningest active junior college coach in the nation. The season brought his career record to 657-234.

Weathers has led his Bulldogs to three NICAA Region XXIII championships, nine Mississippi state championships and 13 South Division titles. He was twice named Region XXIII Coach of the Year and also has received that honor in the state numerous times

Since 1988, Weathers has been assisted by his 33-year-old son Wendell.

When the younger Weathers came to coach here, he had a fresh Coach of the Year title to his credit, which he earned while at Thibodaux High School in Thibodaux, La. where he had a 107-48 record.

NOT FROM SCRATCH Farris rebuilding 'Dog team

Cult Coast baseball Coach Cooper Farris save 1992 will be a rebuilding year for his team, ranked fifth in the nation in a preseason poll conducted by the National Junior College Athletic Association

Gone from last year's 43-11 Junior College World Series team are seven position players and three of the top pitchers who led the Bulldogs to the national

playoffs in Grand Junction. Colo., and a fifthplace ranking. It was the best record ever achieved by a Mississippi community/junior college team, winners of the NJCAA Region XXIII and Eastern District tournaments.

"We hope that last year's freshmen class and the new recruits will keep the Bulldogs at the top of the heap." said Farris, who in 1991 was named District Coach of the Year by the Diamond Sports Company of Los Alamitos, Calif. He also was chosen Region XXIII and Eastern Division Coach of the Year by the NICAA.

"Depth will be one of our strengths this season," Farris said, "Detroit Tiger draftee Robert Dickerson will be back, along with sophomores Lilo Garza, Chris Fairley and several promising newcomers. Dickerson scored seven home runs and batted in 27 runs last year. He plays left field. Garza and Fairley are outfielders.

Newcomers Farris says he is watching include Houston Astro draftee Eric Dumas. pitcher-outfielder. Others are Mike Lineberger, P-OF; outfielders Jeff Niolet, Alex Moore and Jerry Hoffer; infielders Brandon

Mabile, second base; Heath Tanner and Denny Forsythe, first base; Brian Howell, shortstop; Scott Davis, third base: catchers Alan Roberts and Shon Sain.

Pitchers back for another season are Ricky Taylor, who had 10 wins last year; Jimmy Barta, two wins; Germie Hopkins and Harold Holton, Bolstering the mound

Returnees cited by Farris are Ray corps will be lefthanders Bubba Dixon and Teddy Rose, along with righthanders Chet and Jody Reinike, and Melvin Vincent. "It will be an exciting year for

the Bulldogs." Farris predicted. "The goal is to reach the top in state, regional and district play and - we hope - have another crack at the national title."

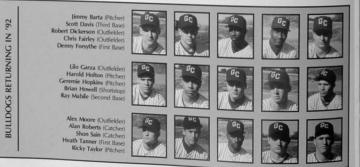

Coach Cooper Farris

WOMEN'S SPORTS

Gulf Coast sophomore Gina Papania (5'8", G/F) of Ocean Springs is surrounded by Lady Wildcats in 1991 Lady Bulldogs vs Pearl River Community College game at Perkinston.

Basketball

The Lady Bulldogs in early February had posted a 3-15 baskethall record and were practicing for the South State Tournament at lones Junior College.

With a little luck and a lot of determination. I believe we could beat anyone and receive the respect we deserve for our hard work." said Coach Doris Smith, "We've played some good games this season; however, we have had problems with our shooting." Smith, 48, of Moselle has coach women's basketball and softball at Gulf Coast for her entire 19-year

Her 3-23 1991 basketball season brought her career record to 123-118.

When Smith's 19-8 1988 basketball team won a South Division title and NICAA Region XXIII second place, she took home her first Mississippi Junior/Community College Basketball Coach of the Year award. Her softhall record includes five state and regional College Softball Coach of the Year award.

Softball

Women's softball coach Doug Borries says his team's 1990-'91 record of 24 wins, 6 losses annd a South Division title will keep the 1992 Lady Bulldogs on their toes.

The softballers, who last year averaged 10 runs a game, scored 38 points in one game to set a school

Borries 28 of Ocean Springs, has been assistant women's coach at Gulf Coast for three years and acting softball coach for two of those years.

Cooper's golfers to vie in six-tournaments

early February was selecting titles in four invitational tournaments. players for his '92 team, which was to face a six-tournament season, followed by the state and Region XXIII playoffs.

The Bulldog golfers placed fifth in the state last year. One team member. Mike Boyett of Wiggins, participated in the Division III tournament in Midland, Texas,

Trying out for the team were Dax Alexander, Brannon Besse, Todd Donhaiser, Jamie Herring David Williamson, Robert Snelling and Kevin Hunt.

golf coach. Cooper's teams have played in eight National Junior College Athletic Association tournaments, and in 1990 finished fifth in the nation.

Cooper, of McHenry, has been named NICAA Region XXIII Coach of the Year three

GULF COAST GOLFERS (from left to right): Chris Graham, Wyatt Boyett, Dax Alexander, David Williamson (all of Perk) and Jamie Herring (ID)

Layton predicts success for tennis teams

teams are expected to have a successful season, thanks to the return of experienced players, Coach Bruce Layton predicted in February.

Lavton said a highlight of the coming season will be the National Junior College Athletic Association Region XXIII tournament that GCCC will host at its lefferson Davis Campus and at Hiller Park.

Last year, the Bulldogs finished fifth in the state tournament at Tupelo.

Layton, 31, of Gulfport, began coaching tennis at Gulf Coast four years ago. He has a career record of 15-4, including the team's 9-6 record last year.

The West Memphis, Ark. native also assists Coach Doris Smith with women's basketball and Coach Doug Borries with softball. Layton teaches physics at the Perkinston Campus,

He attended the University of Mississippi, Ouachita Baptist University and West Memphis Christian School, where he was a four-year letterman in track and baseball. Layton was co-captain of his 1978 AA championship football team, and he won the offensive Most Valuable Player award in the Memphis

Gulf Coast's 1991-'92 men's and women's tennis Christian Athletic Association. He also received offensive honorable mention once and was named All-Conference three consecutive vears

Priceless performances! Gulf Coast band worth its weight in pure gold

David Dueitt this year marked his fourth year as director of bands at Gulf Coast. His dream of national recognition for the Band of Gold is nearing reality as the performance schedule of the band and Perkettes dance team grows each year

'The Gold' is comprised of students from every high school in the college's district and the states of Alabama. Florida, Louisiana, Tennessee and Missouri.

The 108-member band and 24-member Perkette dance team this year was led by drum majors Diane Deters of Stone High and Terry Richardson of Pascagoula High School. Both were drum majors at their respective high schools prior to coming to GC.

Majorettes were Amy Balius, Cindyy Durant and Stephanie Janczewski, Guard captain was Brandy Parker and Shannon Baca was percussions captain

In addition to assistance provided by Mrs. Kathleen Braun, Perkette instructor, Dueitt this year was aided by Bobby Fayard of Bay St. Louis.

Fayard, an instructor with Cavaliers Drum and Bugle Corp, serves as assistant band director. He comes to Gulf Coast from Foley High School in Foley, Ala, where he was assistant band director

In addition to field and stage performances, the Band of Gold and Perkettes participate in Mardi Gras parades in Biloxi, Gulfport, Wiggins, New Orleans, and Fairhope, Ala. They have also marched in Wiggins and Lucedale

Christmas parades and in exhibitions at the Gulf Coast Marching Festival and at the Deep South Marching Festival.

Dueitt also has taken the band to perform at area high schools as part of a recruitment effort.

ALL SPARKLE AND GLITTER: When the Gulf Coast Band of Gold and Perkettes take the field, it's all 'sparkle and glitter' from their instruments and uniforms to their perfected periormance. Photos taken during halftime at home (Pe Campus) Bulldog football game.

In Closing...

Deborah (Debbie) Lynn Mellinger, daughter of President and Mrs. Barry Mellinger, passed away on Friday morning, October 4, 1991. Debbie, a beautiful person both spiritually and physically, was a joy to know.

Following graduation in 1985 from Stone High School, where she was valedictorian, she enrolled at the Perkinston Campus and was named to the Hall of Fame and listed in Who's Who Among Students in-American Community Colleges.

Debbie was in her fifth year at Ole Miss where she had the honor of being named the Outstanding Graduate of 1991 in the American Pharmacy, the official journal of the American Pharmaceutical Association, and received the Pharmacy School's 1991 Senior Leadership Award.

Then, with only a short time before she would be awarded her pharmacy degree, she was stricken with a malignant tumor.

In the months that followed, hard as they were, she was always an optimist, always pleasant.

Debbie's faith, courage, strength and kindness during her illness were synonymous with her character. And her death has not dimmed our memory but heightened our awareness.
