

MGCCC CARES

November 17, 2020

Dear Gulf Coast Student,

MGCCC has a small number of CARES grants remaining for eligible students. These grants are limited in number and will be awarded in the amount of \$500 until all funds are depleted. To be eligible to receive a CARES Grant a student must be enrolled in Spring 2021 courses, must be eligible for Title IV, and must have experienced a hardship as a result of the COVID-19 pandemic.

CARES Grants in the amount of \$500 will be awarded to students who meet all criteria until funds are depleted. All eligibility criteria must be met prior to application submission, and enrollment must be maintained to receive the award. Students will be notified via their MGCCC email of whether or not they receive the grant. Students chosen to receive the grant will receive funds during the Spring 2021 semester.
