

2023-2024 Income Reduction/ Special Circumstance Request

Independent Student

The MGCCC Financial Aid Office recognizes that some students may experience special circumstances that cause a substantial reduction in their income which may impact their ability to contribute to college costs. Students may use this form to report changes that have occurred since filing their 2021 tax returns. The submission of this form means that MGCCC will evaluate your circumstances, but it does not guarantee an increase in your financial aid award. You may complete this form only one time per academic year. Changes to your financial aid award will be communicated through your MGCCC e-mail account and Web Services.

Complete this form **ONLY** if your family's income is **SUBSTANTIALLY LOWER** in 2022 than it was in 2021.
