Federal Student Aid Programs
Dependent Student

Your application was selected for review in a process called “verification.” In this process, MGCCC will be comparing information from your application with the information on this worksheet and other required documents. If there are differences between your application information and your financial documents, corrections may need to be submitted to the Department of Education. Please answer carefully and completely.

Complete this verification form and submit it to your financial aid administrator as soon as possible so that your financial aid won’t be delayed. Your financial aid administrator will help you if you have questions.
