On your 2023-2024 FAFSA, you failed to report information about your parents on your FAFSA. Your answers to the dependency questions appear to indicate the information is needed.

**Instructions:** Please review options A, B & C below, select the option that best describes your intentions, and follow the instructions below the option.

**A. I checked the box on the FAFSA in error and am willing to provide parental information.**

1. Please make a correction to your FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) in order to add parental information and a parent's signature. This form does not need to be returned.

**B. I feel I have unusual circumstances that exclude me from being able to provide parents' information on the FAFSA.**

1. MGCCC Financial Aid may override the federal dependency requirements in very limited and extreme circumstances. If you feel your situation warrants a dependency override please complete the 2032-2024 [Request for Dependency Override Form](#), and return it to our office with the **appropriate documentation**. *If you choose this option, the No Parental Data form does not need to be returned.* The Request for Dependency Override Form can be found on the website at <https://mgccc.edu/paying-for-college/financial-aid/forms/>.
2. Please note: Parents' unwillingness to provide the information or inability to help support you are not acceptable reasons for a dependency override.

**C. I am applying for a Federal Unsubsidized Loan only.**

1. If you are not using parental information on the FAFSA, you have the option of applying for an Unsubsidized Stafford Loan. Please note: Unsubsidized Stafford Loans accrue interest while you are in school. You have the option to pay on the interest while you are in school or have it capitalized.
2. Please have your parent complete the information below. This must be signed by you and your parent. Federal law requires that MGCCC Financial Aid verify that the parent(s) have ended financial support for the student or refuse to complete the parental section of the FAFSA.

**By completing this portion of the form, you are choosing Option C described above.**

**PARENT CERTIFICATION: Check all that apply (to be completed and signed by the parent).**
