The Alma Mater

‘Way down south there’s a school that we all know,
Where the winds from the gulf doth ever blow.

‘Mong the pines so stately and so tall
We listen to your call,
We love you best of all.

Fame was thine through the years of the past,
And we know thy name shall ever last.

Thou art noble, proud and true,
Oh, Gulf Coast, we all love you!

A Moment of Reflection

Graduation ceremonies for all graduates continued to be held at the Perkinson Campus for three years after the formation of the two Coast campuses. Following the presentation of diplomas at those ceremonies in 1966, 1967 and 1968, the graduates stood and sang the Alma Mater. Beginning in 1969, each campus began holding a separate graduation. The Alma Mater was never included on the graduation programs of the Jefferson Davis Campus or the Jackson County Campus. It did, however, continue to be listed on the Perkinson Campus programs until May 8, 1970. Beyond that date, no official publication of the institution included the words of the Alma Mater. On Homecoming Day, October 11, 2008, the tradition of singing the Alma Mater was reinstated but with the words “Gulf Coast” replacing the designation “Perkinson” in the original.

Alumni Association

The history of the Alumni Association is rich in tradition. Established in 1929 as a link between the college, alumni, faculty and friends, the organization reaches out to graduates, and to those who have taken courses or completed a training program at the college since opening its doors to college students in the 1925-1926 school year.

Continue the tradition ~ join the Alumni Association today! Visit www.mgccc.edu/alumni, or call the Alumni Office to join today.

Celebrating 100 years of excellence!

*O*n September 5, 1911, the Harrison County School Board established the Harrison County Agricultural High School, which marked the beginning of the present-day Mississippi Gulf Coast Community College. A number of prominent citizens donated 566 acres of land and \$626, and the institution began operation on September 17, 1912. In 1916, Stone County was formed from the northern part of Harrison County, and the school continued under the dual support of both counties.

*J*ackson County added support in 1925, and the new institution opened on September 14, 1925, as the Harrison-Stone-Jackson Agricultural High School and Junior College. The first year of junior college work was offered, and sophomore-level classes were added in the 1926-27 school year, with the first student graduating May 20, 1927. In 1942, George County added support, and the school became the Perkinson Agricultural High School and Junior College.

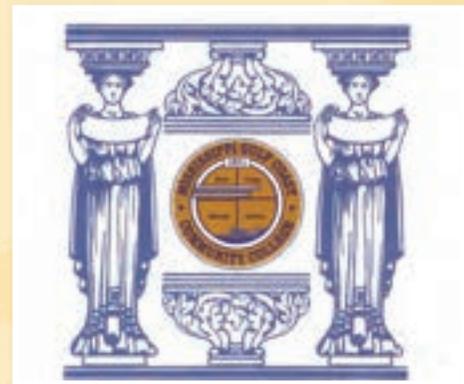

*O*n May 10, 1962, House Bill 597 created the Mississippi Gulf Coast Junior College District to serve the people of Harrison, Stone, Jackson and George counties. In September 1965, MGCJC became the state's first multi-campus junior college when the Jefferson Davis and Jackson County campuses

opened. Later, the George County Occupational Training Center, the Harrison County Occupational Training Center and the Keesler Center were added to the district. In 1985, the West Harrison County Occupational Training Center began operation.

*T*o reflect the comprehensive nature of the college, the name was changed to Mississippi Gulf Coast Community College on October 1, 1987. In 1991, the college relocated the HCOTC to Intraplex 10 with the opening of the Mississippi Gulf Coast Applied Technology and Development Center, a partnership with Mississippi Gulf Coast Community College, Mississippi Power and the Harrison County Development Commission. In 1996, the campus without walls concept was introduced, resulting in the Community Campus, which expanded the non-credit offerings, including workforce training, adult basic education and continuing education.

The blueprint for the master planning of all campuses and centers evolved in the efforts to develop the first Strategic Plan 2000 and later revised as Strategic Plan 2010. The expansion, renovation, and uniform signage, landscaping and lighting resulted in a transformation of the aesthetics of college grounds and facilities.

*F*rom the early beginning of an agricultural high school to the present-day institution with eight locations serving more than 35,000 residents in its four-county district, Mississippi Gulf Coast Community College has remained committed to providing educational opportunities to the communities served. The last decade of the college history has been characterized by unprecedented declines in state support and the recovery and renewal efforts following the worst natural disaster to strike the United States on August 29, 2005, when Hurricane Katrina came ashore, leaving a path of destruction and despair. The renowned institution inspired by the remarkable contributions of former leaders will celebrate the 100-year anniversary on September 17, 2012.

A century of milestones

1908: Mississippi State Legislature passes Agriculture High School Bill. Gulfport Commercial Union (Chamber of Commerce) establishes agricultural high school committee to secure AHS for Harrison County.

1910: Legislature passes revised AHS Law, makes establishment of AHS easier. September 3: Harrison County School Board meets in Harrison County Courthouse. The Daily Herald states two days later that Perkinston chosen as site of new school. Three days later paper prints retraction stating that the board failed to agree on a site. Board had used all legal meeting time for the year, so action stalled until following year.

1911 September 5: Harrison County School Board names Perkinston as site of new AHS. September 18: Harrison County AHS Board of Trustees meets for first time.

1912 September 17: Thirty-nine boys, 24 girls begin classes for first time at Perkinston. One building (later called Huff Hall) stood on Perk Hill. It was a co-ed dorm and a classroom building.

1913 July 5: The Board of Trustees accepts as complete institution's first administration building (later called Bennett Hall).

1914 May 27: First AHS graduation—two students.

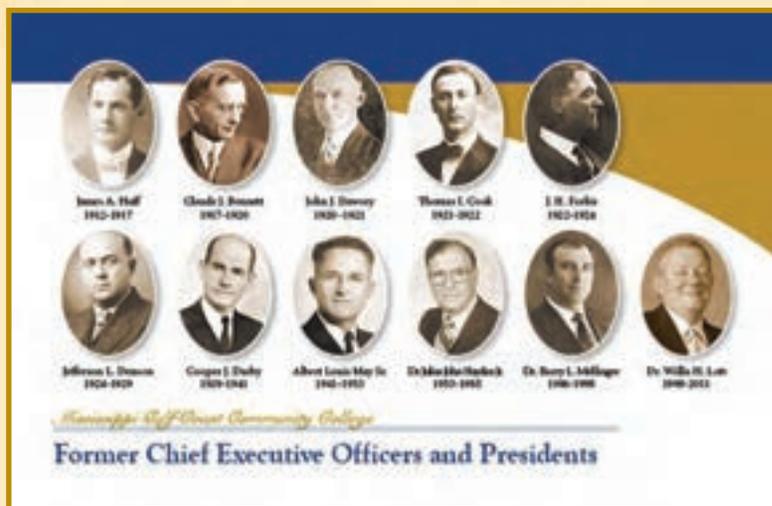

1915 April 1: Institution's first girls' dorm (later called Stone Hall) opens.

1916 June 5: Stone County forms out of north Harrison County. August 30: Stone

County joins in support of Harrison-Stone AHS.

1917: Professor James Andrew Huff, the institution's first principal, resigns to take position of principal of Pearl River AHS in Poplarville.

1918 November 11: Student body marches to Wiggins to celebrate end of World War I.

1919 January: Institution remains closed after Christmas for a month due to Spanish influenza epidemic.

1920 August: Physical education classes added by state requirement.

1921 March: Volume I, Number I of Perkinston Aggie published. First newspaper published on campus, distributed by students.

1922 July 1: Ernest Bert Colmer begins long career as agriculture teacher.

1923 September: Superintendent J.H. Forbis announces he will hire coaches who teach rather than teachers who coach.

1924 June: Newly appointed Harrison-Stone AHS Superintendent Jefferson Lee Denson takes helm, determined to add junior college to AHS.

1925 May 23: Institution adds junior-college work effective September. Name of institution changed to Harrison-Stone-Jackson Agricultural High School and Junior College (HSJAHS and JC).

Celebrating Instructional Excellence and Student Success

For 100 years, Mississippi Gulf Coast Community College has celebrated the success of students who have chosen to attend one of our college locations. Throughout the century, Gulf Coast students have experienced many exciting changes in the learning environment, enrollment growth, facility expansion, instructional technology and student life. The 2012 Trident will remind us of many memorable Gulf Coast experiences during our Centennial Celebration in 2011-2012.

Each section highlights various student activities and events focused on remembering the past and celebrating the present. We are also proud to feature in this edition honors and recognitions of students, championship sports teams, Band of Gold and auxiliary groups, fine arts performances, student organizations, and other special activities that contribute greatly to the Gulf Coast collegiate experience. Having been a part of our Centennial Celebration and making lifelong friendships will remain as cherished memories for the rest of your life.

From our early beginnings as an agricultural high school and junior college with one student graduating in the first college graduation in 1927, MGCCC has evolved into a modern, multi-campus institution with more than 10,000 students annually.

Encourage you to stay connected to Gulf Coast in the future and help us continue the legacy of dedication and commitment to the education and success of our students.

Graham at the Aspen Institute College Excellence Program ceremony in Washington, D.C., on December 12. The inaugural Aspen Prize capped a yearlong effort to recognize excellence in the nation's 1,200 community colleges, which serve nearly half of all undergraduates nationally. A Prize Jury selected Valencia College in Florida as the top community college in the nation. Gulf Coast, one of the top-10 finalists for the Aspen Prize, was recognized for extraordinary accomplishments in the areas student learning, degree completion and transfer, and equity and employment/earnings after college.

Vintage Moments

Jackson County Campus Building D appears as a rectangular group of structures located north of original Building B in this early 1968 aerial photograph. Building D was finished in January 1968, an open house was held February 18, 1968, and the official dedication of the facility came on February 9, 1969. The grass airstrip immediately east of the campus is cleared in preparation for offering a vocational-technical program in flying which never got off the ground. To the east of the campus, U. S. Highway 90 crosses the Pascagoula River and enters the city of Pascagoula. Ingalls Shipbuilding is located at the far right (or southeast) corner of the photo.

Centennial Breakfast

Jackson County Campus Centennial Kick Off

Jackson County Campus kicked off its celebrations for the college's centennial anniversary with a breakfast on September 1 in honor of faculty and staff. Numerous community leaders were also in attendance. The morning's events culminated with presentations of several resolutions honoring the college from city, county and industry leaders.

Centennial Committee Members

The committee for the September 1 kick-off was as follows:

Nebo Carter (chair)	Trudi Dixon
Dr. Pamela Ladner	Tommy Fortenberry
Amanda Magee	J.J. Morgan
Tenesha Batiste	Danny Smith
Patrick Presley	Nina Terral
Craig Summerlin	Todd Trenchard
Heath Thompson	Michelle Rager
Janet Krebs	
Elizabeth Cumbest	

The following contributed:

Valley Services	Merchants & Marine Bank
Coca-Cola Bottling	Homes of Grace
CentreStage	DMR
Kentwood Water	

Right: Holding proclamation Dr. Michael Heindl, Dr. Mary S. Graham, Chris Anderson, Singing River Health System, Alan Sudduth, Chevron, and Irwin Edenzen, Huntington Ingalls.

Centennial Tailgate

Centennial Tailgate Brings Bulldog Football Experience to Jackson County Campus

Jackson County Campus continued its Centennial Celebrations with a massive tailgate party for the start of football season on September 1. Weather pushed events indoors, but more than 500 Bulldog supporters from the community and campus enjoyed a free barbecue and seafood, as well as live music and performances from Gautier and Pascagoula High School cheerleaders. The first football game of the season was streamed live on a giant screen.

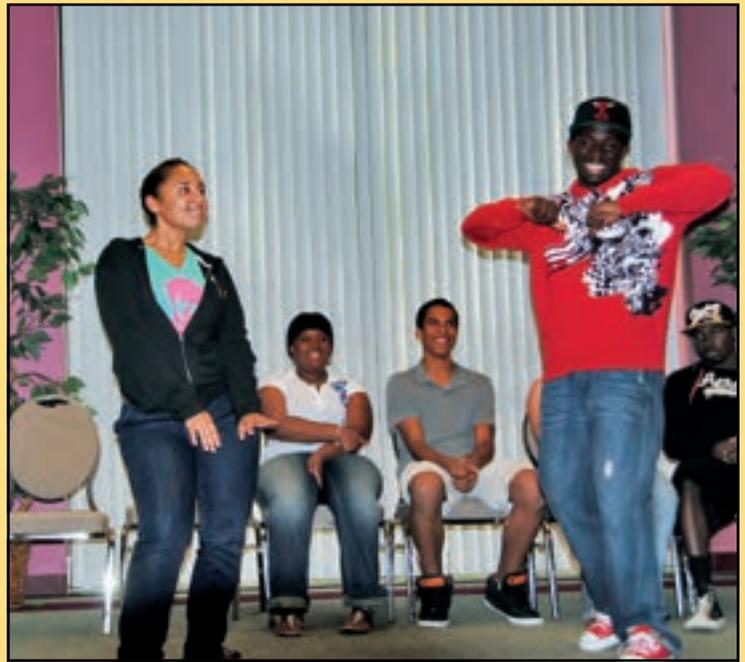

Special Programming

Welcome Week Surprise

Jackson County Campus welcomed students to the fall semester with a special surprise performance in the courtyard by saxophonist/DJ Matt Corey. Students and staff alike enjoyed the sunshine and diverse tunes from Michael Jackson, Kanye West, Marvin Gay and many other favorites. Corey has performed at the Queen's Theatre in London, England, and the Rock and Roll Hall of Fame. He's opened for Dave Matthews Band, Lil Wayne, Mario, Average White Band and O.A.R.

Hypnopalooza Brings Laughs to Campus

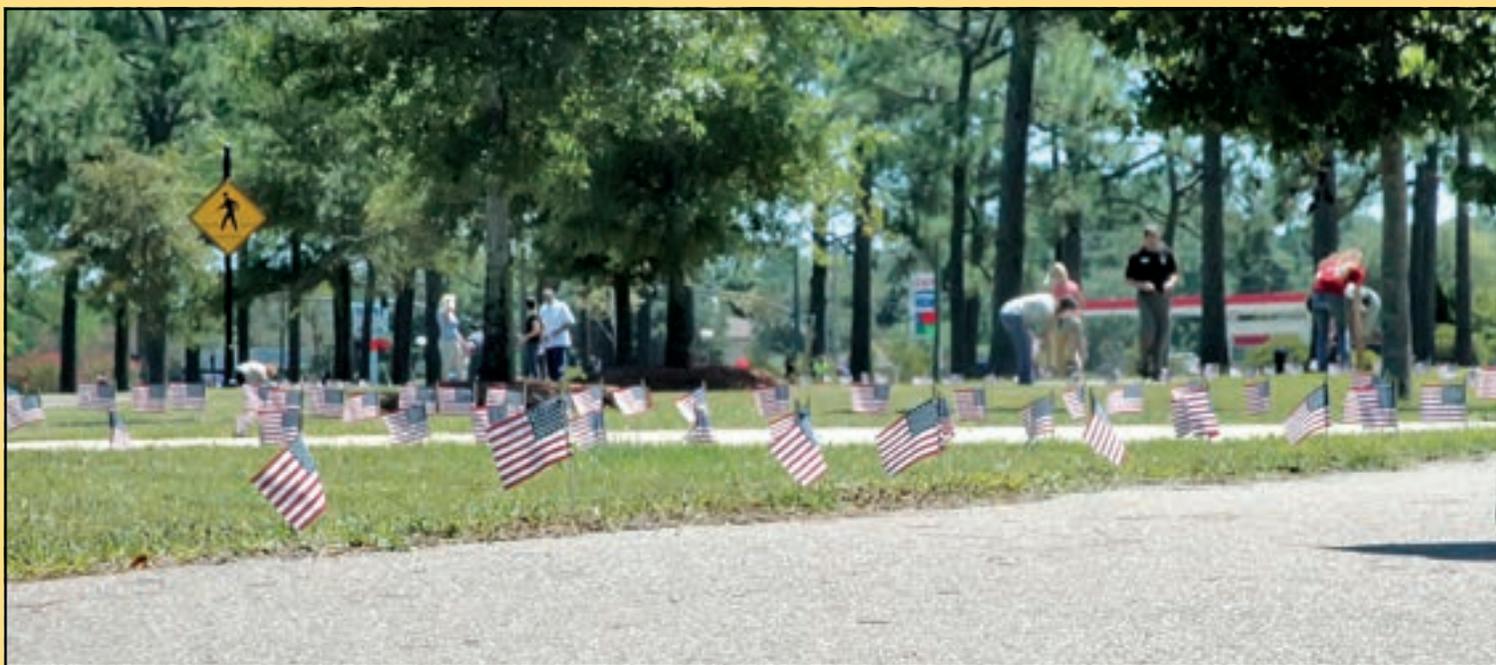

The cafeteria was packed in November for a performance by Rich Aimes, a trained hypnoterapist. Show participants entertained the audience with their NASCAR racing, dancing, jumping from their “hot” seats, and taking on familiar star personas under Aimes’ guidance. All along the way, Aimes provided explanation about how hypnosis works. Following the show, those interested stayed for a brief seminar and a chance for a session designed to help relieve test anxiety. Aimes received his hypnosis training in California and Florida and is certified by NBHEC (National Board of Hypnosis Education and Certification). He is also a member of the American Counseling Association.

9-11 Memorial

Student Groups Work Together on 9-11 Display

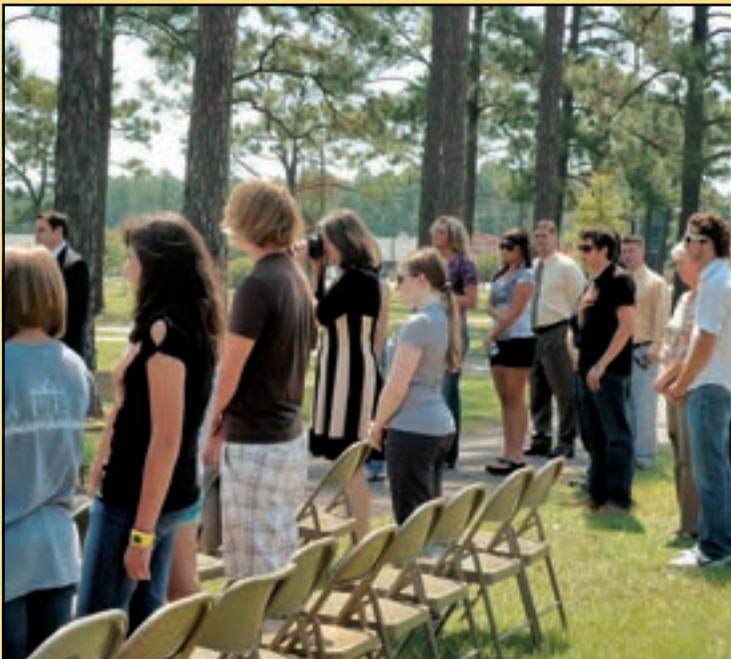

Student leaders representing numerous organizations came together to plan a special display to mark the 10th anniversary of 9-11. Nearly 3,000 flags were placed in a display near the Highway 90 entrance to campus, along with a banner painted by the students. The display was assembled on Friday, September 9, and remained for much of the following week. Organizations represented in the effort included Student Government Association, Reflections, College Republicans, Students for Political Awareness, Phi Theta Kappa, Alpha Beta Gamma, Baptist Student Union and Student Nurses Organization.

9-11 Memorial Service

Those same student leaders organized a special memorial service held on campus on Monday, September 12, near the Peace Pole dedicated several years ago. The service featured an invocation, a performance of the national anthem, and special remarks by Dr. Michael Heindl, campus vice president (left).

Blood Drives

Blood Drives Help Save Lives

Jackson County Campus students and staff continued their tradition of sponsoring two blood drives during the 2011 fall semester. Four blood drives are scheduled on campus each year, supporting The Blood Center or the American Red Cross. An average of 115 pints is collected at each drive - that's a lot of lives saved!

Harvest Hay Days

Harvest Hay Days Shared with Gautier

Jackson County Campus students showed their community spirit by decorating both entrances to campus for fall. Decorations were in place for October and much of November.

Coastal Cleanup

Approximately 100 students and employees from the Jackson County Campus participated in the Coastal Cleanup in October 2011. Students collected trash via canoe on Mary Walker Bayou, along the nature trails on campus, around a public fishing area on the West Pascagoula River and along the beaches in Biloxi. Once again, nearly 1,000 volunteers throughout Jackson County enjoyed free barbecue lunches from The Shed at the Estuarine Education Center to end a great day of volunteering.

Homecoming Pep Rally

Homecoming Pep Rally Livens Octoberfest

Jackson County Campus celebrated Homecoming Week with a special Pep Rally at the start of the annual fall cookout, Octoberfest. The JC family enjoyed performances from the MGCCC pep band, cheerleaders and Perkettes, as well as the presentation of the JC 2011 Homecoming Court. Nearly 500 enjoyed the sunshine, food and games that followed the pep rally, though blustery winds and a lower temperature happened during the day.

Octoberfest

Veterans Day

Veterans Day Reflect Campus' Patriotic Pride

More than 150 participants attended the Jackson County Campus special Veterans Day program held on November 11, 2011. The program included State Representative John Read presenting to campus an American flag flown over the Mississippi state capitol, followed by special guest speaker Chief Master Sergeant Damian Orslene. The ceremony then moved outside for the raising of the new flag and the release of 100 balloons signifying the Centennial anniversary of Mississippi Gulf Coast Community College.

Turkey Trot

26th Annual Turkey Trot Helps Three Families

One of the longest-running traditions on the Jackson County Campus is the annual Turkey Trot, which marked its 26th year in 2011. The annual fun/run walk gives students and employees the chance to support the Jackson County Campus Food Pantry with their entry fees – this year, five non-perishable food items or \$10. Donations from participants this year were used to put together Thanksgiving baskets for several families in need.

Christmas Parade

Gautier Rotary Christmas Parade

Student Government Association and Reflections Team members showed their holiday spirit this year decorating a float and riding in the annual Gautier Rotary Christmas Parade. Our mascot was once again a huge hit on the parade route.

Choir

Choir and Christmas Concert

One of the highlights of the holiday season is the December concert by the Jackson County Campus Concert Choir, under the direction of Dr. Jonathan Kilgore, director of the Fine Arts Department. Jackson County Campus Choral Activities offers a wide variety of musical styles and genres to students and is comprised of two standing ensembles, the Concert Choir and The Voices.

Freedom Walk

The Black History Program started on a regular basis at the Jackson County Campus during the late 1980s. The program seeks to honor and educate the campus and community about significant events in black history. One of the highlights for the past six years has been the Freedom Walk, held each January as a tribute to the many walks that took place during the Civil Rights Movement. The Black History Committee uses the event as a focal point to raise money for scholarships, and everyone on campus is invited to participate in the event. In 2012, there were more than 50 students and campus leaders who joined for a walk around the track.

Harry Potter

Harry Potter's World Invades Library & Campus

The Jackson County Campus Library looked a lot like Hogwarts School of Witchcraft and Wizardry during the month of February 2012, thanks to the traveling exhibit *Harry Potter's World: Renaissance Science, Magic, and Medicine*. The exhibit, from the National Library of Medicine and National Institutes of Health, explores author J.K. Rowling's books to teach students the Renaissance traditions that played an important role in the development of Western science, including alchemy, astrology and natural philosophy. Students, faculty and staff worked together in a tremendous campus-wide effort by creating artwork and science projects, dressing as characters from the Renaissance, and entertaining while educating school groups from our community.

Club Days

Clubs Fairs Help Students Connect

Jackson County Campus student clubs and organizations held several Club Fairs during the fall and spring semesters to give the student body a chance to learn more about their activities. When weather permits, the courtyard near the Clock Tower proves a great place to gather. The Club Fairs also give members of the various groups a great chance to network and plan joint projects.

Reflections

The members of the Jackson County Campus Reflections Team work hard all year representing Gulf Coast in the community, providing campus tours and hosting campus events. The team particularly takes pride in serving as student leaders at Freshman Orientation sessions and on Bulldog Day each spring. The adviser is Sonya Edwards.

Team members in 2011-12: Katie Day (president), Katelyn Barber, Joseph Bowers, Alix Breaux, Shaudell Brooks, J.B. Cirino, Katie Colville, Emily Dixon, Brad Essary, Alisha Ford, Kelsey Griffin, Stephen Harris, Kristian Harvey, Jeremy Ladnier, Ryan Lake, Shea Lutkins, Hannah Mallette, Shannon May, Zach Myers, Courtney Parker, Rachel Payne, Sarah Pennington, Phelecia Langford-Purnell, Dionna Russell, Dylan Sawyer, Amelia Stewart, Tyler Stewart, Jenny Tran and Shane Waldrop.

Student Government Association

The Student Government Association at Jackson County Campus plans and promotes special activities for the campus, as well as represents their fellow students in the student judicial process and at certain official college events. **Executive Council officers:** Jeremy Ladnier, president; Katie Day, vice president; Jenny Tran, secretary; Chris Marshall, treasurer; and Allen Hamilton, parliamentarian. **Other members:** Sarah Pennington, freshman class president; Miranda Hodges, sophomore class president; India Williams; Jamie Williams; Kristian Harvey; Phelecia Purnell; and Shaudell Brooks.

Honors

The Honors College rewards academic excellence with scholarships and provides students with opportunities to engage in research and service, preparing them for studies at four-year colleges and universities. During 2011-2012, members of the Honors College have studied “The Democratization of Information: Power, Peril and Promise” and “The Culture of Competition.” The advisers are Dr. MaryAnn Sison and Dr. Jordan Sanderson.

2012 Honors College members Aaron Belk, Gigi Boettcher, Jordan Herring, Tiffany Kirkland, Amanda Sadd, Elton Barrett, Marla Cooper, Cristena Culpeppter, Anja Ewing, Shayna Giardina, Neilly Grady, Heather Harris, Cierra Haynes, Joseph Janikowski, Rebecca Lesser, John Chris Marshall, Luciano Mendoza, Hang Nguyen, Joseph Quiros, Kathryn Severs, Lauren Smith, Laura Woitalla, Kristina Zwerg, Joseph Barlow, Edward Carr, Christy Landrum, Fatma Mohy Eldin, Rachel Payne, Melissa Roggenkamp, Victoria Strayham, Julia Barrett, Patrick Carter, Katelyn Day, Haley Denmark, William Gill, Ryan Lake, Derek Van Winkle and Alexandra Young.

Phi Theta Kappa

Phi Theta Kappa, the international honor society of two-year colleges, promotes scholarship, leadership and service. To become a member, students must maintain at least a 3.5 grade point average. During the 2011-2012 academic year, members of the Pi Epsilon chapter participated in Make Strides, Relay for Life and the Memory Walk; they held the second annual Shepard State Park - Phi Theta Kappa 5K; and won a number of scholarships and awards. Pi Epsilon is a five-star chapter, the highest ranking attainable. The advisers are Dr. MaryAnn Sison and Dr. Jordan Sanderson. **2011-2012 officers:** Ryan Lake, Katie Day, Katie Severs, Julia Barrett, Rachel Payne, Christina Lambert, Amanda Bowman, Ed Carr and Derek Van Winkle.

Human Services

The Human Services Club is open to all majors who want to become involved in campus and community projects. The HUS Club integrates service learning, which allows students to connect community services with classroom experiences. The benefits for joining include making a positive difference in your community while learning civic responsibility, developing leadership skills as an officer, networking and teamwork opportunities, planning, organizing, and evaluation skills including reflective and critical thinking skills, as well as increasing scholarship opportunities. The adviser is Yolanda Mayberry.

Members for 2011-12: Jackie Bell, Natasha Cooper, Angela Cotton, Felicia Dungee, Michelle Dupre (treasurer), Rebecca East, Kimberly Holland, Ebonnee Hunt, Jeremy Ladnier, Sarah McCraine, Tiyahri McCray, Teshawna McWilliams (president), Hang Nguyen, Marion Richardson, Haley Ross (secretary), Kama Spence, Jeremy Stribling, Rachel Szabo (vice president), Jenny Tran (photographer) and Lorraine Zielinski.

Alpha Beta Gamma

The Beta Tau chapter of Alpha Beta Gamma continued its history of excellence on the Jackson County Campus in 2011-2012. The chapter is active in campus events, including Club Fairs, blood drives, Oktoberfest and Interclub activities. Special projects of the group included collecting shredded paper and supplies for area animal shelters and teddy bears for local law enforcement and child-welfare agencies to give to children for comfort in traumatic situations. The on-campus adviser is Amy Chataginer, though long-time adviser Rebecca Rutz continues to assist even after her retirement from the college.

SkillsUSA

SkillsUSA is an organization dedicated to the perfection of crafts in the technical world. It provides its members with the tools needed to be leaders in industry as well as community. Members compete in state and national competitions.

2011-2012 members: Thomas Whalen (adviser), Eric Beans, Jacob Read (parliamentarian), Cardarrious Everett, Alan Cox (vice president), Loren Gilliland (president), Harold Brown (historian), Joze Debevec, Adonis Tucker, Amy Ly (secretary), Herman Dykes (adviser) and Willy Showah (adviser).

Baptist Student Union

The BSU is a Christ-centered, student-led, campus minister-directed ministry. The BSU is dedicated to providing students with social and outreach opportunities in which they can be accepted for who they are while being challenged to seriously develop their Christian faith. The BSU exists by the motto: "Knowing Christ and Making Him Known."

Leadership members: Chase Allen, director; Amanda Bowman, student president; Jacob Allen; Kimberly Bishop; Kevin Kokubun; Ethan Richards; Brooke Smith; and Devante Tussey

College Republicans

The College Republican Chapter at the Jackson County campus seeks to educate students on current issues that are facing our nation on a federal, state, and local level. They work to allow students to really evaluate why they vote the way they do and transform their way of viewing politics as a whole. The advisers are Faye Jones and Steven Brown.

Members in 2011-2012: Allen Hamilton, Kaitlyn Abney, Devon Bergeron, Rachel Payne, Christy Johnson, Phelicia Purnell, Amy Ly, Pelaih Hall, Brittany Tanner, Erica Gerard, Anthony Cronin, Chris Marshal, Melenie Clark and Corey Adkison.

Students for Political Awareness

The purpose of Students for Political Awareness is to educate and emphasize civic responsibility and provide a forum for political debate to the student body. This newly organized non-partisan club's mission is to increase engagement and reduce apathy related to politics among young adults through education and fun activities. Hosting influential, locally elected officials as speakers and conducting voter registration drives are just two of the ways that SPA has endeavored to get the club involved at the community level.

Members include: Marla Cooper (president), Alissa Kearney, David Price, Denise Thomas, Derek Van Winkle, Edward Carr, Jeremy Ladnier, Joseph Quiros, Julia Barrett, Katie Severs, Luciano Mendoza, Allen Hamilton, Corey Adkison, Erin Morales, Jeremy Peterson, Jessica Beck, Mark Burr, Micah Lee, Miranda Hodges, Patrick Carter, Rachel Payne, Ryan Lake, Ryan Mains, Schuyler Wilder, Shayna Giardina (vice president), Spencer Temant, TaJuan Stanton, Teddy Lovejoy, Ti'Ara Wilson, Victoria Stayham and Kristina Zwerg (executive director).

Young Americans for Liberty

The Young Americans for Liberty chapter at Jackson County Campus formed in spring 2011. The group is dedicated to informing and educating the campus community of current events facing the country. The members advocate becoming involved at a young age and provide information on what liberty is. Some of the events they've focused on include celebrating Constitution Week and encouraging students to register to vote. The adviser is Donald Mangum.

Original members: Corey Adkison, Caitlin Sanderson, Ian Hammond, Ben Stanhope, David Price, Jeremy Ladnier, Jeremy Peterson, Patrick Davis, Alex Smith and Miranda Hodges.

Outdoor Recreation Leadership

Members of the Outdoor Recreation Leadership Club enjoy getting together for canoeing, hiking and backpacking outings, as well as spending time on the indoor climbing wall in the ORL building. The adviser is Brent Holifield.

Katie Day

*K*atie, a 2010 graduate of East Central High School, is the daughter of Susan and Russell Day. Katie plans to transfer to The University of Mississippi to major in biology/pre-medicine and ultimately become a surgeon.

*K*atie has loved being involved in student activities while attending Gulf Coast. She has served as Reflections Team president and been an officer for the Student Government Association and Phi Theta Kappa. She was also elected 2011 Homecoming Queen for the Jackson County Campus. Katie says, "I attended MGCCC because I knew that if I made the best of my two years here, it would only enhance the experience that I would have at a university. The best part about MGCCC is the student organizations. They really make you feel like a part of the campus as well as the community."

Jeremy Ladnier

*J*eremy, a 2010 graduate of East Central High School, is the son of Dana Miller and Lewis Ladnier. He plans to attend the University of South Alabama to pursue a career in medicine.

*W*hile at Jackson County Campus, Jeremy was active in many student organizations, including the Reflections Team and Student Government Association, of which he served as president. Jeremy says, "I chose to attend MGCCC because it is closer to home than a university, and I wasn't quite ready to leave the nest yet. I have had many great experiences here at JC and met some of the most amazing people ever. The instructors here are top notch!!! I consider it an honor to be selected as Mr. JC, and the past two years here have been the best years of my life."

Vice President Dr. Michael Heindl

Instructor of the Year & Difference Maker

Suzi Brown

2011 Instructor of the Year

Suzi Brown is a busy lady. She is not only the department chairperson for the Language Arts Department at the Jackson County Campus, she also serves as the Learning Lab chairperson and owns a Sylvan Learning Center franchise. “My teaching philosophy is influenced by my own story. Student success depends on the involvement of everyone in an institution. I had wonderful experiences and encouragement while I was a student at the Jackson County Campus in 1991, and I want to pass that same kind of encouragement and positive experience onto my students.”

Brown, who served in the Student Government Association while in college at Gulf Coast, remains involved with student organizations and campus events. She serves on the SACS Quality Implementation Committee, the Instructional Affairs Council, and the Emergency Action Committee. Also active in her community, she serves as a partner with American’s Promise ~ Gulf Coast Promise Zone, providing

college prep classes for two Jackson County school districts, and she serves on the Education Issue Manager Group with the Jackson County Chamber. “I believe in demonstrating community activism for my students, and community starts right here at Gulf Coast,” she says. “Many students don’t have the support of their families so our faculty, through their daily contact with students, may have the greatest impact on students’ lives. That impact will probably not even happen in the classroom. It happens when instructors take an interest in their students’ successes, and they follow those students through to graduation.”

Achieving her goal to teach at a community college, Brown is pleased with her position on the Jackson County Campus. “This is what I always wanted to do and I love it,” she says. “I enjoy being with my colleagues and the students who enroll in my classes each semester. I find it gratifying that I can make a positive impact on my students and that I can contribute, in some small part, to their successes.”

Brown and her husband, Walter, have two sons: David and Jay.

Barbara Richerson

2011 Difference Maker

When a Gulf Coast employee sets a goal of recruiting five people to enroll in the college within a year, you have met a true difference maker. This is Barbara Richerson’s goal as finance clerk in the Business Office at the Jackson County Campus.

Richerson, employed at Gulf Coast since 1984, is committed to making sure students are helped and appreciated. “I am very sensitive to their needs as they go through registration, and if I can’t completely solve their request or solve their problem, I will get them to somebody who can. I am deeply gratified when Gulf Coast alumni, long established in their careers, tell me that I made a positive difference in their lives. Some of them have told me that they would never have taken that first step to come to the campus and register if not for my persistent and strong persuasion.”

Greenville, Alabama, native, Richerson and her husband, Gordon, have three children and six grandchildren. She attended Pensacola Junior College and has also taken courses at Gulf Coast.

Her co-workers have made a difference in her life. “We have wonderful leadership through our supervisor, Tammy Franks.” Barbara’s passion about her job is shown through her bright smile, her winning personality and her never-ending desire to help our students,” says Franks, dean of Business Services at the Jackson County Campus.

Nursing Centennial

Mississippi Gulf Coast Community College Campus Centennial committees hosted Nursing and Allied Health Appreciation receptions at the Jackson County, Jefferson Davis and Perkinston campuses and the George County Center on Thursday, January 19, 2012. Former instructors and graduates of Gulf Coast nursing and healthcare programs were encouraged to attend. Gulf Coast honored the many graduates of the college's nursing and healthcare programs during January as part of the yearlong Centennial Celebration. Special presentations, recognition of the college's clinical affiliates, opportunities for audience response and refreshments were provided at the events.

Gulf Coast has a long tradition of nursing and allied health programs. The first healthcare program, Pre-Clinical Nursing, began at the Perkinston Campus in 1944. The Licensed Practical Nursing (LPN) program began at Perkinston in 1957 and was expanded to a temporary Coast Campus in Jackson County in 1959. That temporary campus was later closed, but the program eventually returned to the Coast at the new Jefferson Davis and Jackson County campuses in 1965. The Associate Degree Nursing (ADN) program began at the Perkinston Campus in 1960, followed by other nursing and allied health programs (including X-Ray Technology, Medical Laboratory Technology and Secondary Health Occupations) on all the campuses between 1965-1968. An LPN program began at the George County Center in 1972, and by the early 1980s, the Emergency Medical Technology and Respiratory Therapy programs joined the growing number of allied health options at the college. Program offerings have changed over the years to reflect the dynamic needs of local healthcare employers. Currently, the college offers three nursing-education options in Associate Degree Nursing, Practical Nursing or the LPN to RN Mobility Track. Additionally, there are programs in Emergency Medical Technology/Paremedic, Medical Laboratory Technology, Radiologic Technology and Surgical Technology.

In 2010, the college unified the Practical Nursing and Associate Degree Nursing programs on its campuses and centers into the Nursing Division. These changes were important for the consistency of the curriculum and policies of the program. Additionally, they ensure students have the opportunity for multiple career pathways, with the ability to complete Practical Nursing certification as either a career destination or as the first step in the ADN program. At the same time, Nursing and Allied Health programs were placed under one administrator, the associate vice president for Nursing and Allied Health, providing an integrated structure for students in those programs.

Instructor of the Year & Difference Maker

Karen Fayard
2011 Instructor of the Year

*K*aren Fayard has been a mathematics educator for 39 years, and during that time, she says all students have one thing in common: fear of failure. “It is my hope that I have helped students overcome this fear, especially in the mathematics classroom. I firmly believe that I must be able to call a student by name when a hand is raised. I want them to know that they are not just numbers to me and that I care whether or not they attend class. After all these years, I am still excited when I see the light spark for a student. What a great feeling!” Working as an adjunct instructor for the college for 13 years, she accepted a full-time position in 1991. “When I started working for the college, I was thrilled. It was like coming full circle since I had attended Gulf Coast as a student in the 70s.

*W*ith teaching, I never get bored because every day is different, and I get to work with our wonderful students. I especially enjoy teaching college algebra because for many students it is the only math class they will take, and they wait until the last semester to take it. I try to make them feel comfortable in a math class and it is easier to do here because our classes are relatively small. I can answer questions and give them the one-on-one attention they need.”

*W*hy math? “My students always want to ask me why they have to learn math; when will they ever use it? My answer is from a quote that I like to tell them at the beginning of each semester. The quote states that many people talk about the beauty of numbers and their universality. That’s true. For the average person, though, math is important because it teaches us problem-solving skills. It sharpens our wits so we can tackle the problems we face each day. That is why I teach it.”

*F*rom a large family, Fayard learned about the importance of an education early. She is one of five sisters who are all teachers. In fact, four of the siblings are math teachers, and all but one are alumnae of Gulf Coast. She says the college prepared her and her sisters well, providing them an excellent educational foundation for their teaching careers.

*N*ationally and state-recognized mathematics instructor, she is actively involved in professional organizations and has received numerous awards for excellence in instruction. A member of Delta Kappa Gamma Society International, a professional organization of women teachers, she has served in numerous positions in the organization, including State Membership chairman and Southern District director. She currently serves as state president of the organization.

Daphne Flowers
2011 Difference Maker

*M*ost people can name one person who has inspired them in their career. Daphne Flowers has two: her mother, a secretary for 35 years, and her husband, R. Lee. Flowers has been a secretary in the Career-Technical Department at the Jefferson Davis Campus since 2002.

*F*lowers brings to work each day the ideas that teamwork and communication are vital to a productive relationship, that students receive our undivided attention, and that every single customer be treated as our only customer. She says it is important to be available to assist co-workers and students with a positive attitude. “My co-workers have become my family. We work together as a team to meet the needs of the students. Each one of us has an integral role to play in the smooth operation of our department, from recruiting students through our community interaction in our daily lives to retaining stu-

dents by offering great service. Together, by constantly working to better ourselves, we will make a positive difference in the lives of our students, employees and community every day.”

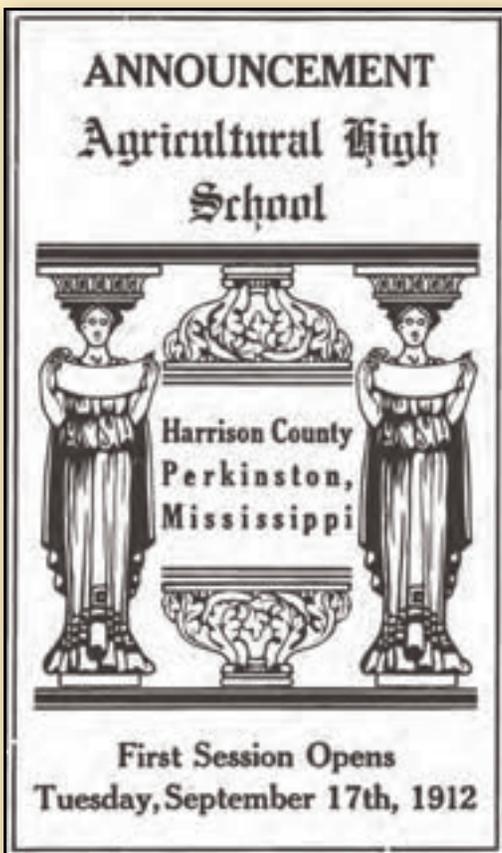

*F*lowers has an Associate of Arts degree from Pearl River Community College and has completed coursework at Gulf Coast and Mississippi State University. “Making a positive difference comes naturally to Daphne because she has such a generous spirit and friendly nature,” says Dr. Beverly Clark, assistant dean of Career-Technical Instruction at the Jefferson Davis Campus.

Perkinston Campus

Vintage Moments

This aerial photograph from the 1954 *Perkolator* taken within a few months of President May's death on July 8, 1953, shows the campus as May left it. The swimming pool, the last facility built in the May era, appears in the Quadrangle between the tennis courts and the Old Gym. The pool, completed in August 1953, is filled but not fenced and the scars of construction still surround it. Most of the other May-era structures are visible as well. The five buildings of Military Perk are visible at left. A. L. May Memorial Stadium is at the top of the photo with the Colmer Building standing complete across the street. Due to the trees, only a portion of the World War II-era vo-tech complex of shops and garages is visible between the Colmer Building and Bennett Hall.

Cover of the first Announcement - Harrison County Agricultural High School published in 1912 by Connell Printing Company of Gulfport. The first Announcement of the Harrison County Agricultural High School acknowledged the debt of the educational system of the Western World to ancient Athens. On the cover two caryatids modeled on those that support the roof of the porch of the Erechtheum on the Athenian Acropolis are depicted reading scrolls of learning. The Announcement declared "a sound mind in a sound body" as the educational ideal of the school. Those words echoed across the hush of 24 centuries from ancient Athens.

The Perkinston Band-Orchestra is pictured in front of Huff Hall in October 1927, four months after Noby Ruth Denson became its director. Noby Ruth, dressed in black, stands near the center of the group. Her brother Joe (far left at rear) holds a banjo, an instrument not normally found in a band or an orchestra.

Welcome Week

Settling into their new lifestyle at the Perkinson Campus, students were overjoyed to have an activity-filled week. There was a back-to-school dance and a mechanical bull ride that was open to all students.

International Peace Day

*I*nternational Peace Day was observed by students and faculty on September 21. To commemorate the day, the Campus Activities Board sponsored a tie-dye T-shirt activity at the Student Center.

River Rat Week

During River Rat Week, students riled to prepare to face their rivals from Pearl River, a.k.a. the River Rats. All week, students participated in many different activities such as the annual River Rat Queen contest, a powder puff football game, a health fair and a Blood Bowl held against Pearl River.

Catfish Moon

During October, the Perk Players presented “Catfish Moon” in Malone Hall Auditorium. The production was about small-town Southern men and the experiences they have throughout life and the ups and downs of their friendship. The cast included Tony Fite as Gordon; Johnathan Tindall as Curley; R. Max Barrett Jr. as Frog; and Jessica Drexler as Betty.

Homecoming Week

The Perkinston campus celebrated with activities in anticipation of the big game against Coahoma. Students had the opportunity to make their very own blue and gold bracelets, participate in a powder puff game against Pearl River, and attend a game show called Dash for Dollars. During Dash for Dollars, students were randomly selected to participate in several challenges to have a shot at getting into “The Money Box” and have a chance to win up to \$500. In addition, students were also able to attend the traditional Homecoming dance as well as an annual Bonfire Pep-Rally held in the Baseball Parking lot.

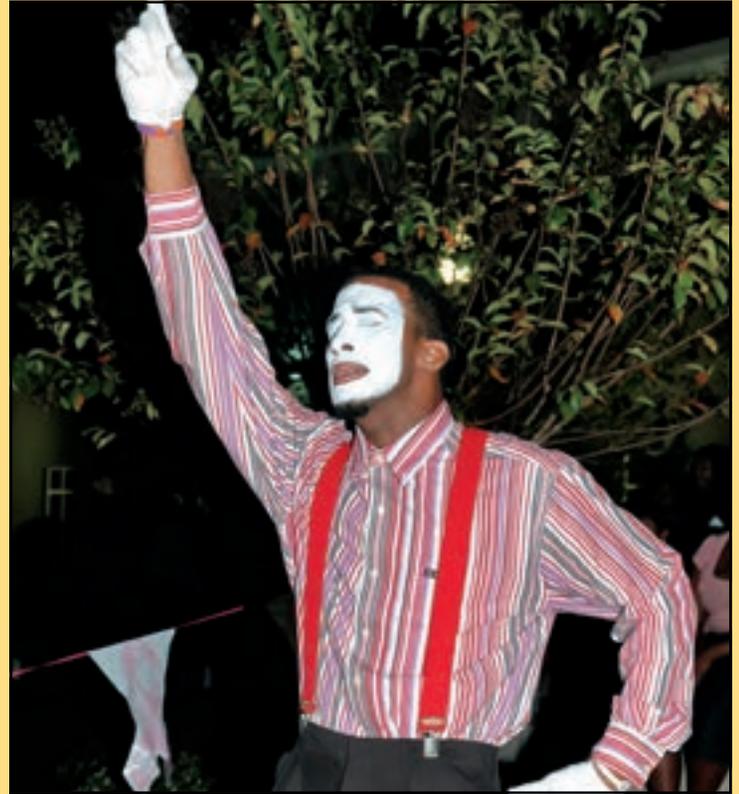

Dash for Dollars

Breast Cancer Awareness

During October 2011, the Perkinston Campus held many student-led activities to promote Breast Cancer Awareness Month. There was a Breast Cancer Walk preceded by a Pink Fashion show, and every Wednesday during October, a student-led group, Studio 250, wore pink to show their support for “winning the battle” against breast cancer.

Halloween Week

During Halloween week, the Perkinston Campus is a spirited place. Students were able to show their Halloween spirit by participating in many festive activities. Some of these activities included the Hayden Hall Haunted House hosted by the resident assistants and Oktoberfest, where students were able to participate in activities and paint their own pumpkins. In addition, students and staff enjoyed the opportunity to greet and give treats to children from Perkinston Elementary.

Veterans Day 5K Run

Perkinston Campus hosted the inaugural Fallen Soldiers 5k Run in honor of Veterans Day on November 10. The race, which began and ended at A.L. May Memorial Stadium, took runners on a 3.1-mile course around the Perkinston Campus. Water stations, staffed by a variety of student clubs, were located along the route. Twelve medals were awarded for placing as well as an overall medal to Jordan Young, as the 5K winner.

Hypnotist and Talent Show

On November 2, 2011, students were invited to attend a comedic hypnosis show in Malone hall. Various students were chosen randomly to participate in the hypnotic activities. The show was a great experience for the participants as well as the audience. The annual campus-wide talent show was held on November 16, 2011, in Malone Hall. More than 20 contestants participated in the evening's activities. Some of the talents included singing, dancing and acting. Winners of the show included the following: Nakida Thomas, first place; Jade Withington, Allan Cramer and Brandon Warden, second place; and 3rd place Jessica Seals and Cody Breland.

Tacky Christmas Sweater Party

As the fall semester came to a close, the Perkinson Campus transformed into a Winter Wonderland. On Tuesday, December 6, 2011, the Tacky Christmas Sweater party was held in the Multi-Purpose room of the Barry L. Mellinger Student Center. Students viewed the Christmas decorations and enjoyed themed food and beverages. The highlight of the evening was the students' display of their favorites tacky Christmas sweaters.

Festival of Lights

On December 9, thousands of community members, as well as students, attended the 14th annual Festival of Lights. Children visited with Santa and Mrs. Claus at the Children's Village, while others rode the trains and visited a nativity scene at the front of the campus. Some of the highlights of the festival were the Ferris wheel and the dedication of the Dr. Ottis G. Ball Bell Tower and Carillon. The structure was constructed in memory of Dr. Ball's parents, Leonard D. and Mildred Rouse Ball, and was made possible by Dr. Ball's generous donation to the Foundation. Dr. Ball, recipient of the college's 2008 Sam Owen Trophy, made the largest monetary gift in the college's history that same year. The gift also funds student scholarships.

Mardi Gras Ball

In early March 2011, the Perkinson Campus Student Government Association held the annual Mardi Gras Ball at Wiggins Pine Burr Country Club. Justin Krol and Morgan Rabby were crowned king and queen for the evening. During the festivities, a royal court was presented that was comprised of members from various campus clubs. Following the presentation of the court, students danced the night away.

Spring Fever Week

During the week of April 5-10 2011, students celebrated “Spring Fever.” Some of the Spring Fever activities included a crawfish boil, sand art, laser tag, rock wall climbing, a blood drive and a make-your-own funny T-shirt day.

Seussical

During February 2011, the popular writings of Dr. Seuss were brought to life in the Perkinson Campus's "Seussical," a musical production comprised of adaptations of many Dr. Seuss books. The cast was comprised of Gulf Coast students, employees and community members.

Intramurals

Intramural sports at the Perkinston Campus include flag football, powder puff football, softball, volleyball, dodge ball, basketball, paintball, ultimate Frisbee, ping pong and more. Intramurals provide an opportunity for students to enjoy extracurricular activities, provide leadership activities and have fun while getting involved with other students on campus. All intramurals are open for anybody to participate. Zack Crawford supervises intramural sports at the campus. The spring 2011 softball champion team was the East Side Boyz. The Golden Boys won the fall 2011 Flag Football Championship. The All-Star Powder Puff team took back the title from Pearl River.

Reflections

Perkinson Campus Reflections team members are ambassadors for Gulf Coast, actively participating in all areas of recruitment, such as high school visits, college nights and Bulldog Day. They conduct campus tours for prospective students during the year, as well as assist during summer orientation, registration, Homecoming, graduation and other college events.

Vice President Dr. Jay Allen

Dr. Jay Allen, vice president of the Perkinston Campus, visits with sophomore Kaila Lawson, left, and freshman John Hamblin during the spring semester (top). Dr. Allen assumed the position of vice president on June 1, 2011. The George County Center in Lucedale is also under the auspicious of the Perkinston campus.

Dr. Allen, far left, assisted in presenting scholarships to George County students at a fundraiser dinner held in Lucedale on November 1. Beginning at second from left are students Zane Cooley, Lea Kittrell, Morgan Fairley and Evan Gartman. Not pictured are George County students Haley Jenkins, Darrin Klosowsky, Adrian Bradley, Rory Nelson and Victoria Tolbert. The scholarships were awarded by the George County Chapter of the Alumni Association.

Instructor of the Year & Difference Maker

Deloris Compston
2011 Instructor of the Year

In the words of Deloris Compston, the best feeling in the world is having one of her nursing students become successful in his or her career and to receive praise about former students from employers. “When a nurse manager in a health care facility thanks me for referring a graduate who is doing a great job and is a valued employee, I am thrilled. That means I did my job well. I am equally as pleased when former students share how much they love their careers and how well they are doing. There is absolutely nothing more rewarding than seeing graduates working in the hospitals that we visit for clinicals.”

Compston says that her experience as a nursing administrator is what led her to become a nursing instructor. “I am a graduate of Gulf Coast and was proud of the education I received, so my desire was to teach there.”

The most important thing that she teaches her students is caring. “I teach my students that caring is important. Most patients and their families don’t want to know what you know until they know that you care. While it makes the job more difficult, it also makes it infinitely more rewarding. Students today are busier, more nontraditional. They have full-time jobs and children. It is very difficult for them to handle personal responsibilities and school. We counsel them and assist them in balancing their busy schedules so they can succeed.”

Compston says that nursing instructors always have new procedures and skills to learn since medical breakthroughs occur all the time. “You have to stay up to date. And really, I have the best of both worlds: I still maintain part-time hospital employment to keep my skills current. I also get to teach, which I truly love.”

Along with her husband, Stuart, her brother and parents, Compston owns and operates an Angus cattle farm in Big Level. Her two children, Justin and Adriane, are Gulf Coast alumni and live and work in the area.

Vivian Anderson
2011 Difference Maker

As a mathematics instructor in the Learning Lab, Vivian Anderson understands its value to students. In fact, she says she would not have survived college without the help of the Learning Lab. “When students come to see me in the lab, I can be patient with them because I know exactly how intimidated they feel. I was once in their position, and I asked the same questions they do.”

Anderson, a stay-at-home mother of four for 17 years, came to Gulf Coast as a nontraditional student. As she explains it, she was suddenly thrust into the job market and realized she needed to further her education. After completing her education at Gulf Coast and William Carey University, she was able to help her youngest son through college. Later, she began working at Lumberton High School and pursuing her master’s degree in math education at William Carey during the summers. She taught one year at Forrest County Agricultural High School before joining the Gulf Coast staff.

She concludes, “My prayer has always been that I can be the blessing to others that other people were to me when I was a student here. I consider it a privilege to be a part of this great institution and to work with wonderful people.”

“Vivian Anderson is a dedicated, caring instructor who always goes the extra mile for students who need her help,” says Dr. Brenda Rivero, assistant dean of Learning Resources at the Perkinson Campus.

Gulf Coast Defeats Blinn College 46-17 in Fourth Annual Mississippi Bowl

In a clash between two of the NJCAA'S top 10 teams, Gulf Coast used its patented running game to stampede past Blinn 46-17 to win the Mississippi Bowl for the third time in the last four seasons. The No. 9 Bulldogs (10-2) scored 39 unanswered points against the No. 5 Buccaneers (9-2) to turn a close game midway through the second quarter into a blowout. This was Gulf Coast's fifth straight bowl game and sixth in the last seven seasons. The 2011 Bulldogs made their fifth-straight trip to the MACJC title game and won their fifth Mississippi Association of Community and Junior Colleges (MACJC) South Division title in the last seven seasons.

Blinn's Kurt Walker connected on a 35-yard field goal to open the scoring in the first quarter, while Gulf Coast had two drives result in missed field goals by kicker Taylor Pontius. With 7:57 left in the first half, Gulf Coast converted on a fourth down as James Gillum bullied his way 8 yards for the game's first touchdown and a 7-3 lead. Blinn answered with a 45-yard touchdown pass from Eric Matthews to Jacob Bennett to take its last lead at 10-7. From there, the Bulldogs converted six Blinn turnovers into four touchdowns and blew open the contest.

It was also a coming-out party for Gulf Coast sophomore quarterback Raymond Cotton, who began 2011 as the team's starting quarterback but lost his job after suffering an upper-respiratory illness. Cotton began the Bulldog onslaught with a 47-yard touchdown run to put Gulf Coast in front for good at 14-10.

An interception led to a 28-yard scoring pass from Cotton to Javon Bell making it 21-10 at halftime. The Bulldogs got a 7-yard touchdown run by Cotton and a 39-yard field goal by Pontius to make it 31-10 after three quarters. Cotton and Bell hooked up again on a 40-yard touchdown pass, and Gillum scored his second touchdown from a yard out. The Bulldogs got a two-point conversion to make it 46-10. Blinn got a late 14-yard touchdown run from Brelyn Sorrels to end the scoring at 46-17.

The Mississippi Bowl weekend began Friday night with the Mississippi Bowl banquet held at Keesler Air Force Base. The next day, players spent time with youth from Biloxi's Boys and Girls Club and the Dream Program Inc.

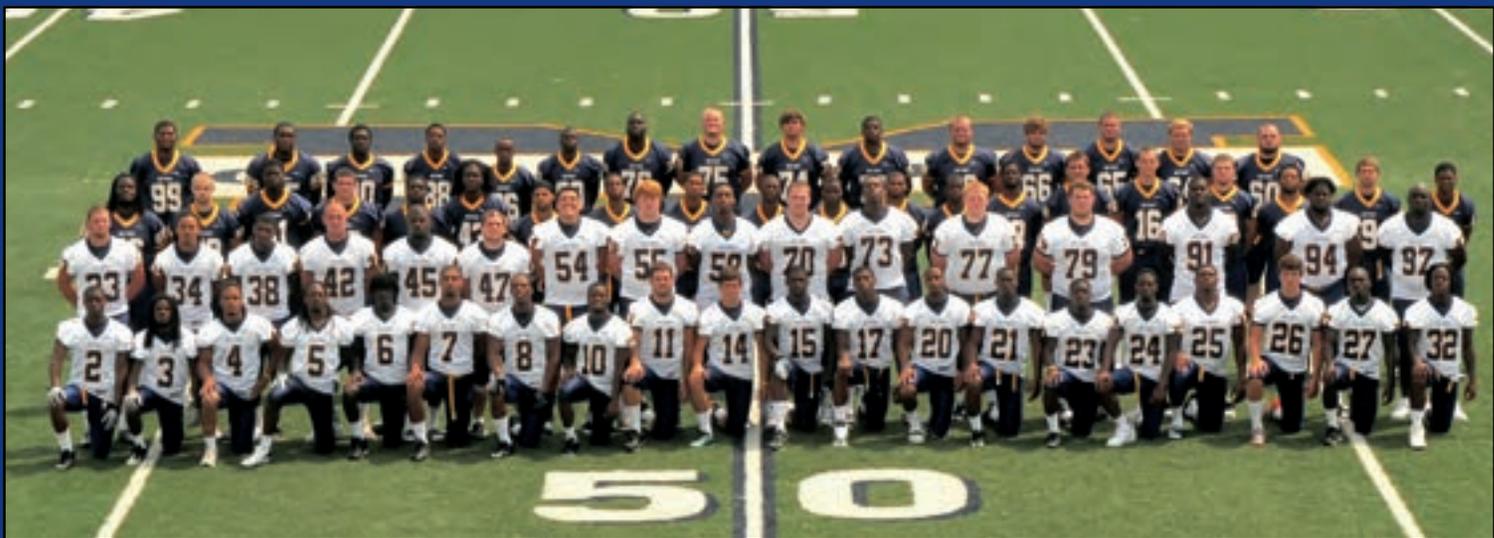

MGCCC Players Earn All-Region 23, MACJC Honors

Six players on the Bulldog football team were recognized for their outstanding play in 2011 with honors from Region 23 and the Mississippi Association of Community and Junior Colleges. All-Region and All-State players for 2011 included Javon Bell, Dylan Holley, Will Scott, Alonzo Lawrence, Darrington Sentimore and Otis Jacobs. Bell, wide receiver; Holley, center; and Scott, punter, each made the 2011 All-Region 23 Offensive squad, while Sentimore, defensive lineman, and Lawrence, defensive back, were All-Region 23 defensive selections.

Bell, Holley, Jacobs and Scott were also 2011 All-MACJC South Team offense honorees, with Holley being named the MACJC South Team's Most Valuable Offensive Lineman. Sentimore, Jacobs and Lawrence were 2011 All-MACJC North Team defensive team members, with Lawrence earning the MVP Award for defensive backs and Sentimore taking the MVP Award for defensive linemen. Offensive lineman Rashad Fortenberry, running back James Gillum and kicker Taylor Pontius were All-MACJC Second Team selections, with nose guard Willie Packer and linebacker Mario Gainer earning All-MACJC Second Team defensive honors.

MACJC & REGION 23 CHAMPS!

Soccer teams win state and regional titles

The magical season for Gulf Coast soccer ended with second place in the South Division as Tyler Junior College defeated the Bulldogs and Lady Bulldogs on November 4 in the NJCAA Southern District Championship at the Perkinson Campus.

The Tyler men's team, ranked No. 3 in the NJCAA, won 5-0 against Gulf Coast. Despite the loss, the Bulldogs (15-5-1) won the Mississippi Association of Community and Junior Colleges and Region 23 titles in 2011.

Tyler's Lady Apaches, the nation's top-ranked team, defeated the Lady Bulldogs 3-1. Taylor Walker netted the only goal for Gulf Coast, with a header late in the second half. The Lady Bulldogs (16-5) also won MACJC and Region 23 titles this season.

It was the first time in college history that both teams won MACJC and Region 23 championships in the same season. Six days after the MACJC championships, both teams earned Region 23 titles in the same campaign as the Bulldogs shut out archrival Pearl River 2-0, and the Lady Bulldogs edged Meridian 1-0 in overtime.

The second history-making event began when Lady Bulldog Jordan Papas scored an overtime goal to stop Meridian 1-0. This is the first time the Lady Bulldogs have claimed a Region 23 crown since the college began the soccer program in 1998. Harrison Russell scored a first-half goal and Carter Griffith a second-half netter to enable the Gulf Coast men to shut out Pearl River for the second time in less than a week.

We had tremendous depth on our men's team," says Bary Thrash, head soccer coach at Gulf Coast. "The girls kept fighting and winning games. I'm so proud of their effort."

Men's Basketball

Bulldogs clinch South Division and state titles in 2011

In 2010-2011, the third time was indeed the charm for the men's basketball team. Playing archrival Pearl River for the third time that year, the Bulldogs held on in a tight contest and defeated the Wildcats 64-61 to win the MACJC championship for the first time in more than 13 years. Gulf Coast had two huge free throws from sophomore Marlon Williams to ice the game with 0.8 seconds left. Raymond Cintron led the Bulldogs with 17 points while Marlon Williams had 14 and Justin Childs added 11.

Gulf Coast reached the MACJC championship after defeating Itawamba 56-55 on February 22, 2011, and with a forfeit victory over Mississippi Delta on February 23. The MACJC crown is the first for Gulf Coast head coach Wendell Weathers. The Bulldogs also won the 2010-11 MACJC South Division title.

Four days later, Gulf Coast saw the season come to an end as Itawamba defeated the Bulldogs 87-75 at the 2011 Region 23 Tournament at Mississippi College. The Bulldogs (21-6) led the Indians 38-35 at halftime and appeared to be poised for another championship run. However, Itawamba took a 50-47 lead with 11 minutes to go in the second half and went on a 10-0 run to distance themselves from Gulf Coast.

On March 28, Marlon Williams and Raymond Cintron helped the South team defeat the North 98-89 at the MACJC All-Star game at Decatur.

The seven returning sophomores for 2011-2012 included guards Jeffery Simmons and Jermiah Dunnings, swingman Justin Childs and forwards Guy Payne, Ice Asortse and LeKendrick Evans.

The four incoming freshmen included Bryan Williams, Darius Forrest, Angel Matias and Giancarlo Santiago. Both Matias and Santiago played on Puerto Rico's Carmen Del Sol squad.

Raymond Cintron named All-American

In 2010-11, sophomore guard Raymond Cintron was named to the 2011 NJCAA All-American squad. The 6-1, 215-pound native of San Juan, Puerto Rico, made the NJCAA's All-Second Team. He averaged 18.6 points per game in 2010-11 and scored 410 points as Gulf Coast won the MACJC South Division Crown and ended the season with a 21-6 record. Cintron, a Middle Tennessee State signee, also led the Bulldogs in scoring in 2009-10 with 19.8-points-per-game average.

Lady Bulldogs have successful showing in 2011-2012

The 2010-11 breakthrough 16-10 season for the Lady Bulldogs and head coach Melanie Stone earned a postseason appearance in the 2011 MACJC Tournament. Highlights of the winning campaign included an 11-2 start to the season that featured an eight-game winning streak and season sweeps over MACJC rivals Mississippi Delta, Hinds, Southwest, East Central and Delgado. Gulf Coast also earned its first post-season win in more than six years thanks to a 67-60 win over East Mississippi at the MACJC Tournament.

Sophomore Deonnica McCormick was a 2010-11 All-Region 23 honoree, and fellow sophomore Brianna Blunt was named to the 2010-11 All-Region 23 tournament team. On March 28, 2011, McCormick helped the South beat the North 92-64 at the MACJC All-Star game in Decatur.

Leading the way in 2011-2012 was sophomore forward Cara Beverin (D'Iberville), who averaged eight points per game as a freshman. In summer 2011, Beverin took part in the 2011 Juco Journal Women's Invitational in Dallas, Texas, an event that showcases some of the nation's up-and-coming women players. Joining her are returning sophomores Ricille Davis (forward/Vicksburg), Tatyana Haywood (guard/Mobile), Delainna Lyons (guard/Long Beach), Katie Shepard (guard/Enterprise) and Sabria Wells (forward/Biloxi). Freshmen include Tyra Griffin (guard/Monticello), Shameika Hart (guard/Lumberton), Brittany Jones (forward/Union), Yasmine Nelson (forward/Yazoo City), Presley Owens (forward/Vancleave), Seandrea Stevens (Mobile), LaPrecious Thompson (Canton) and Laliesa Hicks (Jackson).

Softball

Lady Bulldogs finish 2011 No. 7 in NJCAA and power up for 2012

In 2012, the Gulf Coast softball team hopes to take care of some unfinished business on the diamond. Last season, the team was 36-13, won its first MACJC South Division title since 2007 and finished the season ranked No. 7 in the NJCAA D-II softball poll.

The tough 7-6, extra-inning loss to East Central in the 2011 championship game of the MACJC Tournament and two efforts against NJCAA D-II Champion LSU-Eunice in the Region 23 Tournament brings plenty of motivation to head coach Kenneth Long and six returning sophomores for the 2012 season.

“We know we have the talent to compete with any team out there,” says Long, who is in his 11th season as head coach. “Once again I think we have the right mix of sophomore leadership and talented incoming freshmen.”

Long had four returning sophomores to rely on in 2012, including pitcher/first baseman Kris Albritton. As a freshman, the Gulfport native batted .336 with three homeruns and 36 RBIs. She also went 2-0 as a pitcher and earned All-Region 23 honors. Albritton joined second baseman Courtney Moore, centerfielder Katy White, outfielder Shajuan Buckley, catcher/third baseman Ciera Deroche and catcher Britton Ross as the team’s sophomore leaders.

“Courtney Moore started every game for us at second base,” Long says. “Katy White is one of the fastest players in the state, Shajuan Buckley is fast and can hit for power, Ciera Deroche will catch and play third base for us, and Britton Ross is a terrific hitter.”

Added to the mix in 2012 were nine incoming freshmen, headlined by two-time Sun Herald Player of the Year Morgan Fairley. The outfielder from George County was the Most Valuable Player at the 2011 Mississippi High School All-Star Game and also earned All-State and All-District recognition in 2011. Fairley’s George County teammate Lea Kittrell also came to Gulf Coast with an all-star pedigree, as did pitcher Megan Lamb, pitcher Julie Butler, pitcher Fallon Dyle and infielder Hanna Murray. Pitcher Olivia Ladner and infielders Latesha Ancar and Lauren Box also rank high on the recruiting list.

Gulf Coast baseball swings at more success in 2012

If improvement is based on how a team does from year to year, then Gulf Coast is on the right track.

The Bulldogs were on the doorstep of the post-season in 2010 and then broke through with an MACJC playoff series victory over Itawamba in 2011.

The 2010-11 Bulldogs produced five NCAA Division I signees in 2011, the most of any MACJC team last season. It also featured Trey Porter, an NJCAA All-American/First Team All-Region 23/First-Team All MACJC star who signed with Mississippi State University, and Anthony Izzio, First-Team All-State pitcher who signed with the University of South Alabama.

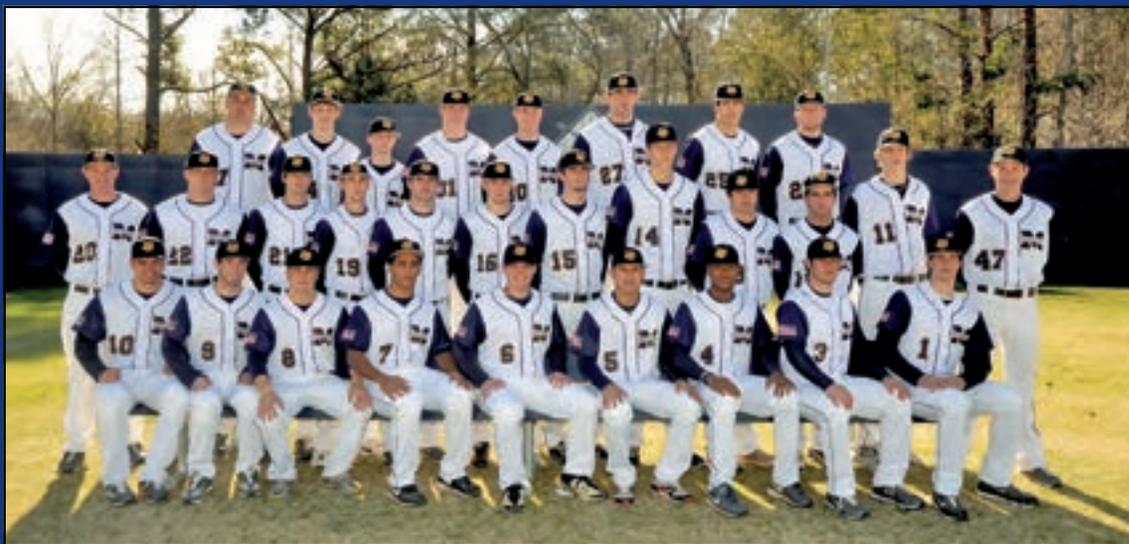

Bulldog head coach Gary Rath hopes 2012 will be another year that extends well into the post-season. "I think we're right on track to have even more success in the upcoming season," says Rath, who is in his third year as coach. "Despite losing one of our best starting pitchers at the beginning of 2011, we made the playoffs and had some success. I expect more good things from this group of sophomores and incoming freshmen."

The 2012 Bulldog baseball team returns six sophomore starters to a lineup anchored by Second Team All-MACJC selections Daniel Miles (third base-- .333/14 2Bs/4HRs), J.C. Cassidy (shortstop-- .330/6 2Bs) and Michael Paul (second base-- .329/ 2 2Bs/ 4 HR). Veterans Nick Boggs (outfielder-- .328/ 5 2Bs/ 4 HR) and Dieter Hamilton (catcher-- .316/ 2 2Bs) look to continue their solid play in 2012. Pitcher Gavin Culpepper (RHP- 32IP/ 26 Ks/ 3.56 ERA) will anchor a staff featuring a solid core of freshmen arms ready to shut down any and all opponents in 2012.

The new crop of Bulldog players is made up of 12 incoming freshmen and two transfer players. Chris Burdette (RHP/ OF) of Trussville, Alabama; Chad Reeves (RHP) of Mobile, Alabama; Josh Favalaro (RHP/ OF) of Mandeville, Louisiana; Jarred Gates (LHP) of Lyman; Jovan Thigpen (OF) of Gulfport; Craig Wilson (C/OF) of Biloxi; Zach

Haarala (C) of Vancleave; J.C. Heflin (INF) of Gulfport; Jason McDonald (RHP/INF) of Lucedale; Jordan Mata (RHP/INF) of Biloxi; Matt Cobb (LHP) of Pascagoula; Michael Gilbert (INF) of Lyman; and Taylor Hardy (UTL) of D'Iberville; Trevor Naramore (OF) of Hurley.

Michael Paul returns to bolster a solid middle infield for Gulf Coast in 2012.

Tennis

Tennis teams reach state/regional tournaments in 2011

In spring 2011, tennis coach Gary Bourgeois and his teams competed in several matches against top NJCAA teams, with the women's team finishing second at the MACJC Tournament in Jackson. At the Region 23 Tournament in Meridian last year, Gulf Coast's men's team defeated Holmes twice and earned victories over Northeast, Hinds, Co-Lin and East Central.

The 2011 women's squad featured four sophomores, including defending MACJC state singles champion Ruta Grindvalde, Katherine Blair, Katy King and Andrea Breland. Signees included Kaleigh Grantham and Arielle Fischer.

The 2012 women's team included returning MACJC All-State players McKinsey Boss and Grantham.

They anchored a solid line-up with Fischer, who assumed the No. 1 position on the team. Local USTA players Stacy Everhart, Suzy Bowman and Katherine Holden brought depth and leadership to the team. Diamond Short, Marlee Triggs and Mary King also competed for playing time in 2012.

The men's team hit the court in 2011 with four sophomores and three freshmen. Kriss Baglais (2010 MACJC state tournament semi-finalist), Alex Drake, Tyler Eggers and Travis Ladner all earned valuable experience in 2010. Freshmen included Carter Griffin, Ivan Lidzar and Matt Cannaday.

Cannaday and Griffen returned in 2012. This year's signees included Nick Georgian, Travis Burdick, Caleb Baughman, Tyler Simmons, Grant Bell, Cameron Wolf, and international signees Aussies Lachen and Alexander Puyol.

Golf

Golf wins state/regional and competes nationally

In 2011, the Gulf Coast golf team won the 2011 MACJC Tournament for the second year and the Region 23 title for the fourth consecutive season. The team also finished in 12th place at the NJCAA D-II Tournament held in May 2011 in Scottsboro, Alabama, shooting 306-295-306-306 in the four-day event.

John A. Logan won the event by 12 shots over second-place South Mountain. Jack Sargent led the Bulldogs by shooting 76-70-75-79 and finishing tied for 38th individually.

Three Bulldog golfers earned post-season honors. Freshmen Jared Smith, Marcus Fox and Drew Seals were named to the Ping All-Region Team from the Central Region, while Smith also collected Ping All-America honors from the Golf Coaches Association of America selection committee and was named to the National All-Freshman Team.

The four-time defending Region 23 champion golf team became even stronger in summer 2011 with the addition of signees

Anthony D'Angelo and Brad Thornton. Sophomores included Smith, Fox and Seals. Fox was an All MACJC First Team honoree, while Rory Nelson picked up All MACJC Second Team honors.

In fall 2011, Gulf Coast competed in several tournaments, including the MGCCC Fall Invitational at Windance Country Club October 17-18. Smith earned Low Medalist honors at the two-day event.

Difference Maker, Retirees, & Colophon

Anjelica Holliman
District Office

Surprise is a reaction common to Difference Maker honorees, mostly because, like Anjelica Holliman, they tend to say, “I’m just doing my job.” But to others, they are dependable, hard-working Gulf Coast employees who come through in both good and bad times.

At the time of her being named the District Office Difference Maker, she was secretary to the vice president for Instruction and Student Services. (She is now lead secretary in the President’s Office.) She knows that students are the college’s No. 1 customer. “Just by helping students, we can make them feel more important. Most of them are new to this process and do not know what they are to do.

“We need to make sure that they leave satisfied so they will tell others of their good experience,” says Holliman, a Perkinston native who has five children with husband Ernie. She has an Associate of Applied Science degree in Office Systems Technology from Gulf Coast and is pursuing a Bachelor of Technology degree in business administration from the Mississippi University for Women (V3 College). She was the first Gulf Coast graduate to begin classes at MUW under the new agreement.

In compliance with Title VI of the Civil Rights Act of 1964, Title IX, Education Amendments of 1972 of the Higher Education Act, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 and other applicable Federal and State Acts, the Board of Trustees of the Mississippi Gulf Coast Community College hereby adopts a policy assuring that no one shall, on the grounds of race, religion, color, national origin, sex, age or qualified disability be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity of the College. The Mississippi Gulf Coast Community College is an Equal Opportunity Employer and welcomes students and employees without regard to race, religion, color, national origin, sex, age or qualified disability.

Compliance with Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, Title II of the Age Discrimination Act and Title IX of the Education Amendments of 1972 is coordinated by Dr. Billy Stewart, Vice-President for Administration and Finance, Perkinston Campus, P. O. Box 609, Perkinston, Mississippi 39573, telephone number 601-928-5211, email address billy.stewart@mgccc.edu.
