A Message from the President

Dr. Mary S. Graham

Another exciting year at Mississippi Gulf Coast Community College has come to an end, and we couldn't be more thrilled to celebrate our students' successes as they reach their educational goals.

During the 2017-2018 academic year, the college has continued to grow on all of its campuses and centers, highlighted by the completion of its 10th location, the Nursing and Simulation Center at Tradition. As MGCCC looks to the future, we proudly credit our current students and alumni as the solid foundation the institution is built on. Without you, we could not accomplish all that we do.

MGCCC has been steadfast in its mission to provide the residents in our region with a world-class education. That tradition has carried us from our origins as an agricultural high school in 1911 to today.

The college is regularly recognized for its excellence at the national level, including being again named a top associate degree producer in the nation for the 14th time since 2002. MGCCC was again named a Great College to Work For and a 2018 Military Friendly School. The fact that we continue to be ranked so highly at a national level is a testament to that commitment. It is also a testament to the successes of our outstanding students. You make us great!

If you are graduating this year, we hope that you stay involved with MGCCC through the Alumni Association. We want to hear about your future successes and challenges. We want you to help us make MGCCC even better for future generations. To find out more about staying connected with us, visit the Alumni page at mgccc.edu.

THE ALMA MATER

'Way down south there's a school that we all know,
Where the winds from the gulf doth ever blow.

'Mong the pines so stately and so tall

We listen to your call,

We love you best of all.

Fame was thine through the years of the past,

And we know thy name shall ever last.

Thou art noble, proud and true,

Oh, Gulf Coast, we all love you!

Mississippi Gulf Coast Community College celebrated its 2017 Homecoming October 26-28.

The three-day celebration included a dinner and awards ceremony for the Athletic and Alumni Hall of Fame, Sam Owen, Spirit of Gulf Coast and Bulldog Hall of Honor honorees October 26 at the IP Casino Resort Spa in Biloxi. The annual Clem Dellenger Golf Tournament was held at Hickory Hills Country Club in Gautier on October 27, followed by reunion celebrations for the 1967 and 2007 football teams and cheerleaders at the Golden Nugget Casino in Biloxi. On October 28, the celebration was at its peak with a full day of activities on the college's Perkinston Campus. The day included a pep rally, alumni art

show and children's art activities; a commemorative service at Gregory War Memorial Chapel; a cookout; a special archives exhibit; and pre-game and halftime activities at A.L. May Memorial Stadium. Three special dedications took place during the day – the Military Perk Historical Marker placed near the chapel, honoring the military buildings that were moved to the Perkinston Campus; the Canizaro Hall Dedication Ceremony, naming a residence hall in honor of alumna Sue Ellen Canizaro; and the George Sekul Field Dedication Ceremony, naming the football field after former football coach and alumnus George Sekul.

"Homecoming places a spotlight on our alumni – from those being honored in the Athletic and Alumni Hall of Fame to those who visit and enjoy our annual reunions," said Dr. Mary S. Graham, MGCCC president. "It is also an opportunity to see our current students in action as the Bulldog football team, cheerleaders, Band of Gold, Perkettes and Homecoming courts from each campus participate in the day's events. Most importantly, it is a time when our MGCCC family – alumni, students and employees– can visit with each other and be reminded what an incredible institution we have and what a positive impact it makes in our communities."

During the halftime show, the maids and queens for each of the three main campuses were announced

District Office Difference Maker

ALDRIDGE FREE

Aldridge Free, the director of District Printing, has worked at the college for 19 years but has been on campus most of his life. He grew up in Perkinston, just south of the railroad tracks and right by the band practice field.

"I spent a lot of time on campus growing up," he says. "I guess you could say the college has always been an integral part of my life."

Keeping it close to home, his wife, Kim, teaches kindergarten at Perkinston Elementary School, and his youngest daughter, Haley, is a student at the Perkinston Campus. His oldest daughter, LeAnna, is a nurse and MGCCC alumna.

"Our family is truly a part of the college family, and we wouldn't have it any other way," he says. "We love this area, and our community, and we love this college."

District Printing regularly gets the highest of marks in customer appreciation on the annual college survey. Aldridge says it is a credit to the tremendous job the print team does. "I can't take the credit for it. The people here do what has to be done, and they do it with a positive attitude. I never have to even ask. They jump right into any project."

Having spent his whole college career in the print shop, serving in almost every capacity in the department, Aldridge says he wouldn't work anywhere else. "I started out in this department and have just always loved it. I love the people I work with. They're a great team, and I like serving in such an integral area of the college."

Mardi Gras Cookout & Valentine's Day Line Dancing

February 2017 featured several special Student Life events at the Jackson County Campus, including a Mardi Gras Cookout and Club Fair and a Valentine's Day Line Dancing fundraiser.

The Club Fair and Cookout, held on February 8, offered free food, King Cake, an inflatable obstacle course and photo booth. Students also had a chance to visit at information stations to learn about the many student organizations available on campus.

On February 14, JC's student organizations worked together to raise awareness about domestic violence with a special Line Dancing for a Cause event in the gym. Great music and dance steps set the stage to raise awareness and raise funds for "Adrienne House," a domestic violence shelter in Pascagoula, Mississippi. In addition to the dancing, various clubs had refreshments and Valentine's goodies on sale. Dr. Kim Sellers choreographed line dances, including the Cupid Shuffle, Electric Slide, The Hustle, and Juju on the Beat. Participating groups included the following: Human Services Club, Student Nurses Organization, Skills USA, Mechanical Maintenance Class, Reflections, SGA, LINC, MI-BEST students, Gulf Coast Women's Center, Maintenance, and HPR staff.

Bulldog Showcase

The Campus Activities Board hosted JC's fourth annual Bulldog Showcase on March 9, 2017, in the Fine Arts Auditorium. The evening featured 10 different performers and covered a variety of genres, including hip-hop, blues, jazz, pop tunes, instrumentals and the spoken word. Simon Palmer and Nathan Burse served as emcees for the night. Performers included: Simon Palmer, Austin Cannette, Jerrell Perryman, Lela Joyner, Jonathan Hopkins, Timmon Smith, David MacLellan, Zavier Joiner, Darkel Solo and Xcell Solo.

Lagniappe Day

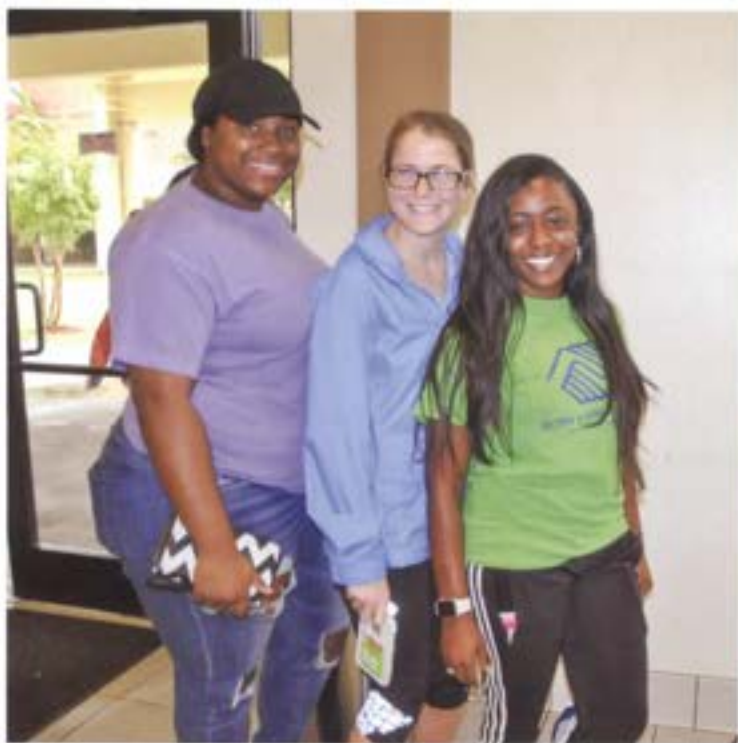

A tropical luau theme set the tone for lots of relaxed fun at the annual Lagniappe Day celebration on April 20, 2017, in front of the Student Services Center. The spring cookout always features free boiled crawfish and fixings, but the Skills USA students and advisers fired up the grill to cook hamburgers as well. A special treat to top off the day was Quakes Ice Cream.

Welcome Back Cookout

The Jackson County Campus kicked off the fall semester with a Welcome Back Cookout on August 30. While clouds and rain forced the festivities inside, the wet weather couldn't dampen everyone's spirits. Football themed decorations and special desserts set the tone. Students enjoyed taking souvenir photos, lined up for free food, and visited information stations to learn about the various clubs on campus and ways to get involved.

Welcome Week

The fun started early this fall at the Jackson County Campus. Student Life sponsored several special activities during Welcome Week, including free muffins on Monday, free popcorn, the Welcome Back Cookout, volley ball and Frisbee, and a chance to make tie-dyed shirts.

ThinkFast Game Show and Health Week

The Jackson County Campus hosted the ThinkFast Game Show on September 27. This fast-paced trivia game tested participants' pop culture knowledge, but also featured questions on health and safety awareness and Title IX issues. "Health Week" included health related activities throughout the week of September 11, such as a blood drive, a free yoga class, a healthy brunch, a 5K and a health fair in the gym.

Homecoming

The 2017 Homecoming Court was honored with a brunch at the Jackson County Campus on October 20. During Homecoming week, the Pep Band, cheerleaders and Perkettes from the Perkinson Campus visited for a Homecoming Pep Rally on October 24. Members of the 2017 Homecoming Court were as follows: Jessica Hutchinson, Freshman Maid; Katlyn Scott, Freshman Maid; Rebecca Brown, Sophomore Maid; Briana Kilgore, Sophomore Maid; Madison Kuhn, Sophomore Football Maid; and Madison Lock, Homecoming Queen.

Fall Festival & Trunk or Treat

The fifth annual Fall Festival & Trunk or Treat for the community grew well beyond expectations in 2017. More than 3,000 people attended the event, which was held on October 30 in the Gym and surrounding area. In addition to the decorated "Trunks," there were tons of games, a climbing wall, a costume contest and cake walk, a train for children to ride around the campus walking track, and tons of refreshments for sale. 2017 Trunk Winners were the following: First Place – Reflections Team (pirate theme); Second place – OAK Club (spooky cave theme); and Student Government Association and Campus Activities Board (Alice in Wonderland theme).

Bulldog Dash

The Reflections Team sponsored the second annual 5K color run on the Jackson County Campus on November 11. During the Bulldog Dash, participants were covered in color powder as they completed sections of the route. The intent of the event is to encourage healthiness and happiness. Participation tripled from the first year to the second, with more than 150 registered runners.

Veterans Day Program

The Jackson County Campus held its fifth annual Veterans Program on November 9, 2017, to show appreciation for those who served our country. The program was held in the Clocktower Courtyard. The JC Voices performed the National Anthem and America the Beautiful. The colors were presented by the Pascagoula High School Navy JROTC Color Guard. The keynote speaker was Vance C. Williams, Major (Retired), U.S. Army. Following the program, a reception was held in the Cafeteria Lobby, where there was a special display of photos of JC students and staff who are veterans.

Student Life at JC

Student Life at JC provides students the chance to enrich their college experience with activities outside the classroom. From big events like the Welcome Back Cookout and Lagniappe Day, there are fun activities throughout the semesters, including volleyball in the courtyard, Muffin Mondays, and free days at the Estuarine Education Center.

Mr. and Miss Jackson County Campus

Brooke McMillan

Brooke Nicole McMillan, the daughter of Phillip and Oreta McMillan, graduated from Vancleave High School in 2016 with Highest Honors and ranked fourth in her graduating class. While attending JC, Brooke was an active member of Student Government Association, Honors College, Phi Theta Kappa, Reflections Team, and Baptist Student Union. She served this year as Student Government Association president. Some of her community involvement includes the following: Backpack Buddies Gautier, Audubon, YoungLife (ministry for Ocean Springs students), Fall Festival, Bulldog Day, the Color Run, and Health Fair Volunteer. She was named Who's Who Among Students at Mississippi Gulf Coast Community College and inducted into 2017-2018 MGCCC Hall of Fame for the Jackson County Campus.

After graduating from MGCCC, Brooke will transfer to the University of Mississippi to pursue a degree in biology. She will then continue her education to become a dentist.

When asked why she chose to attend MGCCC, Brooke responded, "As I began thinking about attending MGCCC, I knew I wanted to be able to experience a more personal atmosphere, relationships with instructors, and the opportunity to improve my leadership skills. MGCCC has given me so much more than that. I have met some of the most incredible people, built relationships with my instructors who know me on a first name basis, and improved my leadership skills by learning to escape my shy personality. I would have never thought I would have pushed myself out of the comfort zones I had, but the people at MGCCC have made me feel confident in who I am. I have had opportunities far beyond what I thought I would have gotten to experience as a college student, and the opportunities all started when I decided to get involved with clubs and activities on campus. MGCCC has not only grown me as a student but also as a person. I am extremely grateful for this institution, and my life would not be the same without it."

Jonathan Harrison

Jonathan Edward Harrison, the son of Charles and Vonda Harrison, graduated from ABEKA Academy in 2015 and is from Escawtapa, MS. While attending JC, Jonathan was an active member of Baptist Student Union, Circle K International, Student Government Association, Reflections Team, and Phi Theta Kappa. He served this year as Baptist Student Union president and vice president of Reflections Team. Some of his community involvement includes the following: Coastal Cleanup, Backpack Buddies Vancleave, Fall Festival, Bulldog Day, and the Color Run. He was named Who's Who Among Students at Mississippi Gulf Coast Community College and inducted into 2017-2018 MGCCC Hall of Fame for the Jackson County Campus.

After graduating from MGCCC, Jonathan will pursue an internship with Chevron, which could lead to a job in instrumentation and controls. His plan is to also continue his education and pursue a degree in electrical engineering.

When asked why he chose to attend MGCCC, Jonathan responded, "I chose MGCCC because I heard nothing but great things about this institution and Jackson County Campus from my family and close friends; it's also very cost sufficient. They have some of the best instructors! I'm truly happy that I chose Mississippi Gulf Coast Community for my college career."

WHO'S WHO AMONG STUDENTS AT MISSISSIPPI GULF COAST COMMUNITY COLLEGE

Students are nominated for Who's Who Among MGCCC Jackson County Campus by faculty and staff based on academic excellence and campus involvement. Those students selected to be honored this year are as follows:

Student Leadership Conference

The University of Mississippi sponsored the 2017 Student Leadership Conference on October 4, 2017, at the Hospitality and Resort Management Center on the Jefferson Davis Campus. Approximately 30 students from the Jackson County Campus attended, representing the Campus Activities Board, the Reflections Team, Student Government Association, Phi Theta Kappa, Human Services, P-Tech Club, and the Baptist Student Union.

Jackson County Campus Instructor of the Year

Tommie Broome

Tommie Ann Broome is the lead instructor for the Process Operations Technology Program at the Jackson County Campus. She has a bachelor's degree in Career and Technical Education from William Carey University in Hattiesburg, and is a graduate of the Jackson County Campus.

She worked for Chevron Pascagoula Refinery for 23 years as a process operator, spending more than 10 years of her Chevron career in the Learning and Development Department for the refinery. "At the time, I learned that I like training, but I wasn't sure if I was a teacher or not," she says. "My boss at the time wanted me to consider working at MGCCC as a process operations instructor. I thought about it, prayed on it and decided to do it." She retired in 2003 to accept the challenge of starting the Process Operations Technology Program, which was then at the Perkinston Campus. "I retired in June and became an MGCCC employee in August of that same summer. By the time classes started, we were ready to go."

Tommie has been involved with North America Process Technology Alliance since 2003 when she began teaching. "Their curriculum was what we needed to get the classes started," she says. "Having that curriculum helped us get the program off the ground, and it was and has been a wonderful curriculum." Tommie served as Education co-chair of the Standards and Quality Committee for NAFT before moving to her current position as Education co-chair of the Curriculum and Education Committee. She still serves as an auditor for program endorsements for the S&Q Committee.

After three years at Perkinston, they moved the program to the Jackson County Campus. The program has grown successfully over the years. "We now have a full day program and a full night program," she says. "It has been a phenomenal trip, getting this program off the ground and watching it grow to what it is today."

Tommie has two daughters, both married. She has four grandchildren, a grand-daughter-in-law and four great-grandchildren.

Gloria Young

Jackson County Campus Difference Maker

Gloria Young began working at MGCCC as a custodian in the Science Department and then moved to the Warner Peterson Administration Building, until her retirement in June 2017.

"The campus has grown and it is really such a beautiful campus," Gloria says. "One thing that is the same as it always has been are the people. The people, from students to faculty to all employees, are just great here."

Gloria greeted everyone who passed her in the hallways with a smile. "I've found that if you help people when you can and always treat them with kindness that you most likely get the same attitude in return. And when you don't, it is probably because they are having a bad day, and your smile might make the difference for them and brighten things up a bit."

Six scholarships totaling \$1,600 were awarded to deserving students for their outstanding culinary creations.

Veterans Day

Our 2017 Veterans Day themes were "Sacrifice to Success" and "Welcome Home." We celebrated our military's sacrifice to success by creating awareness of the duties and responsibilities of our service members. We had a different branch of the military on campus each day of the week to display military equipment, play games, and share information with our students. Throughout the week, we showed military movies and had popcorn and breakfast prepared for our veteran students. We also had a welcome home seminar comparing how our veterans are welcomed home today and from past wars. On November 9, we celebrated our veterans with a ceremony in the Jefferson Davis Campus Veterans Courtyard. Our veteran students were presented with a flag flown over the United States Capital in honor of the establishment of the U.S. military. The flag is now hanging in the JD Campus Military Services Center Lounge.

The University of Mississippi sponsored the Student Leadership Conference held in October at the Hospitality and Resort Management Center on the Jefferson Davis Campus. Thirty students from JD attended, representing Phi Beta Lambda, Campus Activities Board, Student Government Association, Reflections Team, Phi Theta Kappa, Science Club, JD Players, and Student Paralegal Association. SAVANNA JONES

Savanna Jones, the daughter of Larry and Sherrell Jones, graduated from D'Iberville High School with honors in 2016. While attending JD, Savanna was an active member of Phi Theta Kappa, Campus Activities Board, and the Jefferson Davis Players. She was elected the 2017 Jefferson Davis Campus Homecoming Queen and was nominated as a member of Who's Who Among Students at Mississippi Gulf Coast Community College. She received the Jackson County Japanese Award and placed in the 2017 "JD's Got Talent" show. She completed her associate degree in December with a 4.0 GPA and special honors.

Savanna plans to transfer to The University of Mississippi to obtain a bachelor's degree in liberal studies with minors in Japanese and English. Her goal is to be an English teacher in Japan.

In her free time, Savanna uses her musical talents to sing and perform at local benefits and nursing homes. She is the pianist and youth leader at her grandfather's church and has also been involved in community service activities, including Coastal Cleanup and the JD Fall Festival.

When asked why she chose to attend MGCCC, she said, "I decided to attend MGCCC because it offers a quality education at a more affordable price than a university. Because of my decision to attend MGCCC, I have made many amazing memories and friendships and have grown tremendously. I am very excited for my future and am glad I chose to begin my story at MGCCC."

DEREK WATTS JR.

Derek Watts Jr., the son of Derek Watts Sr. and Celandra A. Watts, is a 2018 graduate of Gulfport High School. Derek, a graduate of the Collegiate Academy, is an active member of the Campus Activities Board and was on the Vice President's List. He was nominated by his peers as Freshman Class Favorite. He was also nominated as a member of Who's Who Among Students at Mississippi Gulf Coast Community College.

Once Derek graduates from MGCCC, he plans to join the Army as a practical nursing specialist. After serving 20 years in the military, he plans to further his education, receive a master's degree in nursing, and continue his career as an LPN at a local hospital.

Derek is a regular volunteer with the Gulfport Police Explorers and helps with events such as Feed the Needy for Thanksgiving and Christmas. He has also participated in multiple community service events at MGCCC, including donating blood and volunteering in the 2017 Coastal Cleanup.

When asked why he chose to attend MGCCC, he said, "MGCCC chose me! I am glad it did because being a bulldog for two years has been one of the best experiences of my life. I am very honored to have had this opportunity to make history with MGCCC."

Jefferson Davis Campus Instructor of the Year Andrea Clark

Andrea Clark has taught at MGCCC since 2004 as either an adjunct instructor or full-time mathematics instructor. She actually began teaching full time at the college in 2011, after having taught high school math for 15 years.

"I've always enjoyed teaching math, especially getting students past the anxiety that so many bring with them into math class, and helping them learn a new appreciation and maybe even love for math," she says.

She says having taught high school, she understands many of the problems students face in the math classroom. "One of the things I try to teach them is that math is an awesome subject because it is objective. So few things in life are objective, and you can count on most math, except some of the really upper-level math, to be objective. You are either right or wrong. There is something comforting in that for most people."

Her love of math began early. "My 7th grade math teacher really put me on the course to loving math. As I moved through high school, I decided that I wanted to pursue that love."

As chairperson for the Mathematics and Computer Science department, Andrea says she has learned that listening is key. "Listening to instructors in your department tell you what their needs are, what's working and what isn't and getting their input on possible solutions to problems are all important aspects of what I do as department chair. We are a team, and it only works if we are doing it together. And I work with an awesome team."

Andrea has three children: Drew, Jensen and Dylan.

Billy Lancon Jefferson Davis Campus Difference Maker

Billy Lancon, who retired in 2017 as superintendent of the Physical Plant at the Jefferson Davis Campus, worked at the college for 20 years. A native of Biloxi, he grew up knowing about the college, but had a family steeped in the seafood industry. "Because there was so many changes in the economy, the local seafood industry sort of died back," he says. That's when he decided to look elsewhere for employment.

Working as the assistant superintendent when Hurricane Katrina hit, Billy said the campus needed fairly extensive repairs. He said the outstanding employees at the college made a huge difference in the timetable of getting things going. "We are right on the water here, at Back Bay, so water came in many of the buildings, and there was also extensive wind damage. We began working the day after Katrina because they wouldn't let us on the roads until then. Since there was no way to communicate with people, employees began filtering in a few at a time over the course of the first week. Everyone worked hard to get the campus back up and running."

The Fox On The Fairway

During the week of April 17, members of the Perk Players performed "The Fox On The Fairway." Bingham, president of the Quail Valley Country Club, is in a difficult position. Not by finding out that his newly hired hand, Justin, is in love with Louise, the waitress at the club house, but by the discovery that the golfer he thought would play for his club in the inter-club championship, has switched sides, recruited by his counterpart and opponent, the cocky and arrogant Dickie, and the huge bet he had foolishly wagered is now likely to be lost. Fortunately, he discovers that Justin is actually quite a good golfer and finagles his entry into the tournament.. Justin does not disappoint and has a huge lead, when close to its end the tournament is interrupted by bad weather. When Justin learns that Louise has lost the engagement ring he gave her - she accidentally flushed it down the toilet - he comes unglued. The game resumes the next day, but Justin loses the lead, and, upset, takes an unfortunate swing, breaking his arm. Bingham is desperate, and the appearance of his wife complicates the matter, as she catches him much too close to Pamela, his affection-starved vice president. Can Bingham find a replacement for Justin to win the game, win the wager, and get his life in order?

Mr. and Miss Perkinston Campus

Miss Perk

Essence Kirk is a 2016 highest honors graduate from Laurel High School. Essence currently serves as Student Government Association President, National Residence Hall Honorary NCC delegate, Dog Pound secretary, a member of Phi Theta Kappa, The Baptist Student Union, and a resident assistant in Bryan Hall. Essence has contributed in several community service events on and off campus, including "Clean up the Coast" with the Residence Hall Association, trail clean up and hurricane relief efforts with Student Government Association, and raising funds for The Ronald McDonald House charity. Essence enjoys networking with new people, doing makeup, and cooking. After graduating from MGCCC, Essence plans to attend Alcorn State University to pursue a Bachelor of Science degree in Nursing and then receive her Master's Degree.

Mr. Perk

Tyler Avera is a 2011 graduate of Mary G. Montgomery High School in Semmes, Alabama. During his time at the Perkinston Campus, he served as a resident assistant in Moran Hall, a Wellness Center employee, president of National Residence Hall Honorary, and served as our lovable mascot, Mac the Bulldog. In his free time, Tyler enjoys spending time with his friends and playing football. Tyler will be majoring in sports management at the University of South Alabama and serving as a student coach. After graduating with his bachelor's degree, Tyler wants to coach football and one day be an athletic director for a university.

Perkinston Campus Instructor of the Year Tommy Snell

Tommy Snell, like so many other people who become teachers, had no intention of ever teaching. His plans were to be a golf professional. "I use myself when I talk about irony. I started out doing everything I could to avoid teaching, changing majors even," he says. "I had switched from math as a major to mass communication. I took a journalism class, and in that class we dissected a book. I became infatuated with it and ended up changing my major to English."

After graduation, Tommy landed a job teaching at St. John High School in Gulfport. "Clem Dellenger, who almost everyone at the college knows, was the assistant principal at St. John, and he was a patient of my dad's. He was in my dad's office, lamenting about how they had lost their English instructor at Christmas. Dad said, 'Look, my son has an English degree, and he's not doing anything but playing golf.' My dad told me about it when he got home, and I figured I could try anything for a semester. Before I knew it, I was in love with teaching, the kids and the golf team."

In 2000, Tommy began working for MGCCC at the Perkinston Campus as both the golf coach and English instructor. "I came to work here after talking to Dr. Lott and Dr. Graham, and I've never looked back. I assumed I'd be here for a few years, enjoy myself and move on. Now, I've been here almost 17 years, and I truly love it."

He says the students and their success is what makes the difference for him. "I'm sure any teacher will tell you this, but it is when you hear from former students, former golfers, and they are now working or own their own business and are happy and doing well. It's seeing them succeed and knowing that you played a role in that. That's what keeps you coming back day after day."

His success as a teacher is evident in what the students say about him as an instructor and in the honors he has won. Tommy was HEADWAE Instructor of the Year in 2007 and Humanities Instructor of the Year in 2014. As a coach, he has an even more successful record. His team were the NJCAA Region XXIII Champions (2008-2016), he coached 12 individual National Qualifiers and three MACJC Hubert Tucker Award winners. He was named MACJC Coach of the Year seven times and NJCAA Region XXIII Coach of the Year nine times.

Tommy's wife, Charlotte, also works at the college. She is coordinator of Instruction and Student Services. Tommy has four children.

Shellye Smith Perkinston Campus Difference Maker

Shellye Smith is the VA Certifying Official/Support Services coordinator for the Perkinston Campus. While she has only worked at the college for two years, she says she feels like a lifelong member of the MGCCC family.

"I came to the Perkinston Campus right after high school and was a cheerleader," she says. "I lived in a dorm and had the whole college experience while here. I loved it."

A native of Biloxi, Shellye says her father moved the entire family to Wiggins more than 20 years ago. She says he always liked the country and had a desire to move to a more rural area for many years before they moved to Stone County.

"My husband, Jason, is a native of Stone County, and he also attended the Perkinston Campus. In fact, he was a baseball player here."

Their son, Truitt, attends MGCCC and is on the Bulldog baseball team as a left-handed pitcher.

Shellye received a bachelor's degree in education from The University of Southern Mississippi. She taught kindergarten, third, and seventh grades and was also the librarian at Stone Elementary School for 12 years.
