Congratulations to our 2019-2020 graduates! We are so proud of what you have accomplished and look forward to hearing great things about your future endeavors. At Gulf Coast, we want to ensure all of our students have the best learning opportunities, and we are always thrilled to be a part of their successes.

While this has been an uncommon year at Gulf Coast, challenges like the COVID-19 pandemic were overcome through the offering of hybrid-flexible (HyFlex) courses and expanded use of technology in all areas, the introduction of additional safety precautions on campus, and our first-ever virtual graduation. This has also been a year for winning. From our national champion football team to our five Jack Kent Cooke Transfer Scholarship semifinalists and other scholarship winners, Gulf Coast students have raised the bar this year. We applaud your incredible accomplishments.

The college was also recognized at the state and national level, including being named a Great College to Work For, the No. 1 ranked Military Friendly School in the nation, a Military Friendly Spouse School, a Top 150 Community College, the Best Community College in Mississippi, and a Top Ranked Nursing School. The Process Operations Technology program won a national STEM award and the college was named the Best College for Computer Science and IT in Mississippi. The fact that Gulf Coast continues to be ranked so highly at both state and national levels is a testament to our commitment to excellence. It is also a testament to the successes of our outstanding students. You make us great!

As Gulf Coast looks to the future, we proudly credit our students and alumni as the solid foundation on which the institution is built. Without you, we could not accomplish all that we do. From outstanding students achieving recognition at the state and national levels to alumni supporting our scholarship programs, athletic teams, and much more, Gulf Coast is proud to have you among its supporters.

If you graduated this year, we hope you stay involved with MGCCC through the Alumni Association. We want to hear about your future and want you to help us make MGCCC even better for future generations. To find out more about staying connected with us, visit [mgccc.edu/alumni](http://mgccc.edu/alumni).

Best wishes to each of you as you continue working toward reaching your educational, career, and personal goals. We are proud to be your community college.

## THE ALMA MATER

*'Way down south there's a school that we all know,  
Where the winds from the gulf doth ever blow.  
'Mong the pines so stately and so tall  
We listen to your call,  
We love you best of all.  
Fame was thine through the years of the past,  
And we know thy name shall ever last.  
Thou art noble, proud and true,  
Oh, Gulf Coast, we all love you!*

# DISTRICT OFFICE DIFFERENCE MAKER NATASHA BAUCUM

Natasha Baucum greets each work day with a smile and enthusiasm. Since she is the main contact for many community and industry leaders, a positive attitude and kindness are vital. “If you have a smile on your face when you answer a phone call, it’s in your voice,” she says. “I always try to keep that in mind. Courtesy and a positive attitude go a long way when dealing with any individual.”

Committed to doing the best she can in each of her responsibilities –from decorating Liaison for the holidays to preparing reports for the president and Board of Trustees– she knows the quality of her work reflects on the college. “I’ve always believed anything worth doing is worth doing right,” she says. “I feel that is never more important than when doing the job I do, since so much of it is visible to the public.”

A regular fixture at all MGCCC athletic events and other occasions, Baucum says she fell in love with the college immediately after starting her first position here in 2012. “My first position at the college was with Dr. (Jason) Pugh’s office, and I just knew I had found my place,” she remembers. “Everything about Gulf Coast is great, and the people here are like my family. My husband says I bleed blue and gold. We laugh about it, but it’s true!”

Natasha Baucum, left, is the executive assistant to Dr. Mary S. Graham, right, president of Mississippi Gulf Coast Community College.

After graduating from high school, I knew the Jackson County Campus was my best choice to further my education. However, I did not want college to be about just going to class and graduating. I knew that I wanted to make memories and leave my mark on this campus. I used my opportunities to become the best I can be, and I am very grateful to be a part of this great college."

STUDENT LIFE @ JC

DR. BRAD BAILEY  
JACKSON COUNTY CAMPUS INSTRUCTOR  
OF THE YEAR

The idea of public speaking and of taking an entire class in speech sends fear through the heart of the most stalwart student. Knowing this, and having faced those same fears in his younger years, Dr. Brad Bailey strives to make his classroom a place where students feel confident and comfortable finding their own voices. “When I was in college, I was terrified of my public speaking class,” he says. “It remained that way for a long time and even hindered me in my teaching career. I understand that fear, and I want to help my students find their way to being able to tackle speaking to a crowd. It is something that will help them find success in their careers and in life.”

As a former high school science teacher and coach, Bailey came to public speaking in a roundabout way. “I certainly never intended to become a public speaker, but I began working toward becoming better at it because I wanted to be a better teacher,” he says. “It soon became a passion of mine and, well, I ended up teaching it!”

Bailey embraces his role as both a teacher and a servant to his students and community. “I believe that you should be the best at whatever you are, and my calling and my passion are for teaching. I want to share that passion for doing your best with my students.”

BRANDI MARTINO  
JACKSON COUNTY CAMPUS DIFFERENCE MAKER

Dedicated to making students’ experiences at MGCCC the very best they can be, Brandi Martino organizes student events with a plan A, B and C. She knows anything can happen, and she wants campus events to be successful despite unforeseen circumstances.

“We have had to move outdoor events inside because of rain and have even had circumstances where we haven’t had enough food or drinks. I try to always come prepared with a back-up plan so I can ensure our events are fun for students.” That level of organization and troubleshooting are qualities she wants to instill in her students. “Being prepared for whatever life throws at you is such an important concept to learn,” she says. “If the students in our campus organizations don’t take away anything else from what I have to offer, I hope that’s it.”

But ask anyone on the Jackson County Campus, and they will tell you that Brandi also teaches her students about hard work and enthusiasm. Always wearing a smile and a “can-do” attitude, she truly has a passion for teaching students about leadership. “A lot of students don’t have any idea that they can be leaders. They come to me just wanting to get involved in campus life. When they join an organization like Campus Activities Board or Student Government, they suddenly discover that they can lead and that they can make a difference. That’s an exciting moment for me, and I’m glad I get to be a part of it.”

# HALEY REEVES BARBOUR MARITIME TRAINING ACADEMY

Mississippi Gulf Coast Community College works in partnership with the Ingalls Apprentice School to meet the training needs of approximately 750 apprentices in 14 different shipbuilding crafts. The partnership between Ingalls Shipbuilding and MGCCC is long-running and dates back more than 50 years.

The apprenticeship programs are recognized as the backbone of a well-trained workforce. For this reason, every effort is made to provide each apprentice with opportunities to learn all of the phases of their selected craft. The regular apprentice programs consist of a well-balanced curriculum of on-the-job training and related classroom instruction. This training provides an opportunity for men and women to master one of the many crafts of shipbuilding. Upon successful completion, the apprentice is promoted to the status of journeyman.

We are happy to introduce you to the MGCCC full-time trainers, staff and administration that make the MGCCC Center at the Haley Reeves Barbour Maritime Training Academy a success.

# JEFFERSON DAVIS CAMPUS

## FAIS DO DO

Jefferson Davis Campus's annual Fais Do Do spring celebration was in April 2019. "Fais Do Do" means "Go to Sleep," and it is a French lullaby. In the South, Fais Do Do is a celebration or party that occurs after your children have been put to bed at night. This is an exciting social event featuring caricature artist Ricky Nobile, a rock wall, a dunking booth, and photobooth fun. Students can wind down under the sun before finals and enjoy free tasty mudbugs courtesy of Quality Seafood in Biloxi, and hamburgers, and hotdogs courtesy of the JD Maintenance Staff.

## VETERANS DAY

This year for Veterans Day at MGCCC JD, we wanted to honor our veterans from then to now with two parts. This year we had several military units returning home, so we wanted to show our veterans how grateful we are that they made it home safely and create awareness about the daily sacrifices our veterans and their families make for us every day. These sacrifices sometimes change the lives of our veterans in ways we may never understand. The theme this year was, "Welcome Home, and Thank You For Your Service," and "You Had Our Back, Now We Have Yours."

We welcomed home our veterans by tying yellow ribbons all around campus to show our support. The Student Services department hosted a veterans day breakfast for our student veterans. We had a backpack drive for our local homeless veterans, and we collected 30 backpacks full of supplies as well as coats and blankets donated by our students and employees. We wanted to personally show our appreciation to our student and employee veterans by spending time with them in hosting a Military Appreciation picnic. We closed our weeklong celebration with a special ceremony to honoring our veterans.

## FALL FESTIVAL AND HAUNTED TRAIL

The JD Campus hosted the fifth annual Fall Festival and Haunted House in October for MGCCC students, families, faculty, and staff as well as the community of Gulfport, MS. The Student Government Association members organized Fall Festival, which included activities such as trunk-or-treating, hayrides, inflatable games, arts and crafts, Touch-A-Truck, a caricaturist, pumpkin carving, and outdoor movies. More than 7,500 community residents, students, and families enjoyed this exciting event. Campus Activities Board members worked many hours to create and build the “CarnEvil” Haunted Trail. This evil carnival terrified more than 700 individuals and was put on by more than 30 students, faculty, and staff from MGCCC JD..

## BLOOD DRIVE

The Mississippi Gulf Coast Community College Jefferson Davis Campus hosted MS Blood Services for a blood drive that supported four children from Blair E. Batson's Children's Hospital in Jackson, MS.

## MR. AND MISS JEFFERSON DAVIS CAMPUS

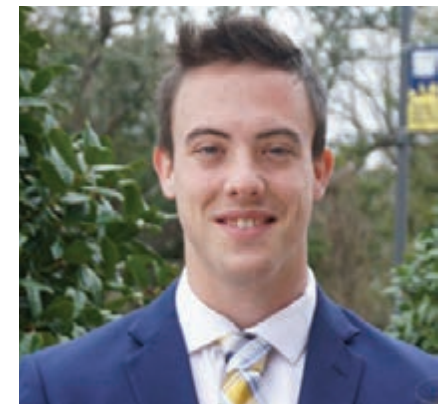

### HANNAH LEIGH KENNEDY

Hannah Kennedy, a graduate of Biloxi High School, is the daughter of Charles and Michelle Kennedy. Hannah plans to transfer to the University of Southern Mississippi to pursue a bachelor's degree in

nursing. She plans to pursue travel nursing and then she plans to pursue travel nursing and then, she plans to pursue a master's degree in Nursing to become a Nurse Practitioner. Hannah hopes to work for St. Jude Children's Hospital one day.

Hannah was the freshman class president and treasurer of the Student Government Association, a member of the Reflections Team, and Phi Theta Kappa. She helped start the Mac's Helping Paws Food Pantry and Professional Clothes Closet. She was elected Freshman Class Favorite, a Freshman Homecoming Maid, and a Sophomore Homecoming Maid. Hannah was selected as a member of the 2019-2020 Who's Who Among Students at MGCCC, and she was also inducted into The Mississippi Gulf Coast Community College Hall of Fame.

When asked why she chose to attend MGCCC, she replied, "I chose to attend MGCCC-Jefferson Davis Campus because it was cost effective and close to home. However, I found my family at MGCCC. I joined the Reflections Team, and I quickly fell in love with the team. I immediately felt like I was growing as a person and a leader, and I was so thankful. Then, I had the opportunity to be the freshman class president for the Student Government Association on campus, where I saw myself becoming a better person. MGCCC has made a huge impact on my life and career, and I feel that it prepared me for my next step at USM"

### TERRELL WILLIAM JORDAN

Terrell Jordan, a graduate of Hancock High School, is the son of Juan and Meaghan Hernandez. He plans to transfer to The University of Mississippi to pursue a bachelor's degree in business

management. After obtaining his degree in 2022, he plans to attend graduate school to receive a master's degree in business administration.

Terrell is president of the Student Government Association, a member of the Campus Activities Board, and a member of Phi Theta Kappa. He helped start the Mac's Helping Paws Food Pantry and Professional Clothes Closet. He was elected as Sophomore Class Favorite. Terrell was selected as member of the 2019-2020 Who's Who Among Students at MGCCC, and he was also inducted into the Mississippi Gulf Coast Community College Hall of Fame.

When asked why he chose to attend MGCCC he replied, "I chose MGCCC because it was cost effective, close to home, and after my campus tour, it felt like the right choice. Attending this school has afforded me many leadership, community service, and learning opportunities that have developed me into a stronger leader. MGCCC has exceeded my expectations to prepare me for my transition to a university."

JEFFERSON DAVIS CAMPUS  
INSTRUCTOR OF THE YEAR  
TERESA WELLS

An alumna of MGCCC's Jefferson Davis Campus, Teresa Wells is proud to bring her love of teaching to students at her alma mater.

"I loved attending college here and received such a quality education from outstanding instructors," she says. "It is really a dream come true for me to do something I love in a place that gave me so much."

As Phi Theta Kappa advisor and Honors director, she teaches the go-getters and achievers. "I work with an incredible group of young people in both Phi Theta Kappa and in Honors. The amount of talent these students demonstrate and their commitment to making the world a better place is just exceptional."

Students in both groups are expected to complete projects, some of which are entered competitively at the state and national levels. Wells said they have done well, winning recognition nationally and internationally for some of their community service projects.

While working with both of those groups is a full-time job in itself, Wells also teaches a regular load of English classes. As an instructor, she works with all students and says her joy is helping each and every student find the scholar within. "It is an incredible moment when I am able to witness the lightbulb go on for a student," she says. "When they recognize that they can do this, that they not only understand but can contribute to the discussion at a scholarly level. That's a happy moment."

CHARLA BAGWELL  
JEFFERSON DAVIS CAMPUS  
DIFFERENCE MAKER

Working in the Business Office, Charla Bagwell often gets to see students in stressful moments. They are worried about getting tuition and fees paid and sometimes feel overwhelmed. "I'm a very nurturing person by nature, so trying to put students at ease and finding solutions for their problems is what I strive to do," she says. "This job is so much bigger than just handling their payments. It's about helping our students reach their goals." Approaching each challenge with a positive attitude, Charla is also an inspiration to her fellow employees. She is seen as the kind of person you can turn to in a crisis. "Many times, the only control you have over a situation is your own attitude," she says. "Having a positive attitude and keeping a level head can go a long way toward diffusing difficult situations and helping solve a problem. She says her fellow MGCCC employees make that attitude easy. "I love coming to work every day to people who have such a love for our students and a passion for what we do here," she says.

MGCCC RANKED NO. 1 MILITARY FRIENDLY  
SCHOOL IN NATION BY VICTORY MEDIA

Mississippi Gulf Coast Community College is ranked No. 1 on the 2020-2021 Military Friendly Schools list for the nation's largest community colleges. Now in its 10th year, the list has come to set the standard for higher education institutions to provide the best opportunities for veterans and their spouses. MGCCC has had a top 10 designation for the past two years.

Institutions of higher learning competed for the title by completing an extensive survey covering 10 indicators of success, including support for student veterans on campus, graduation and employment outcomes, and military spouse policies. Only those in the top 15 percent are included on the list.

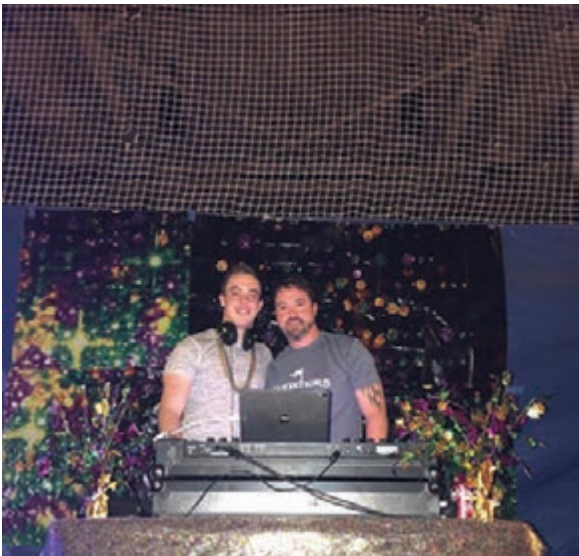

"It is our privilege to serve the men and women in the country's military and we are thrilled that MGCCC has been ranked as the best community college for our military families," said Dr. Mary S. Graham, MGCCC president. "The college has had a strong relationship with the military for many years and values the opportunity to have a presence at all of the military installations on the Coast."

MGCCC was ranked in six different categories, exceeding standards by more than 55 percent on Academic Policies & Compliance, Admissions & Orientation, Culture & Commitment, Graduation & Career, and Military Student Support & Retention.

MGCCC provides a wide variety of services to active-duty military personnel and veterans. The college assists its military students in scheduling courses around temporary duty assignments and interruptions for deployment. The institution's military withdrawal policy ensures military students avoid any hardships when called into active duty. Additionally, the college offers military-base campus representatives to provide one-stop-shop services, including priority registration assistance, degree evaluations and book service. MGCCC also provides a VA school certifying official (SCO) to meet the needs of veterans, military spouses and military dependents. Enrollment specialists at campus locations coordinate the review of transfer credit/military credit. Finally, active-duty military students and veterans receive in-state tuition.

STUDENT LIFE

# PERKINSTON CAMPUS

# FALL EVENTS

The fall semester began long before students arrived on campus with student training and camps. Several student groups and organizations each had their own week of fun, practice, and workshops. The semester activities kicked off with welcome week where students enjoyed numerous events, including laser-tag. Just as the fall leaves changed colors, MGCCC students learned quickly how to manage and adjust to the variety of events on campus. During the fall semester, students were seen lacing up their shoes for the 9-11 Remembrance 5k, rolling up their sleeves to save a life as they donated blood, speaking out in support of Breast Cancer Awareness, supporting our nation's Constitution, cheering on the football team at A.L. May Memorial Stadium and pep rallies. MGCCC students believe in a family environment, which is embraced through events such as the "International" Thanksgiving feast and welcoming future Bulldogs during Bulldog day. There is always a place for students at the Perkinson Campus during the fall!

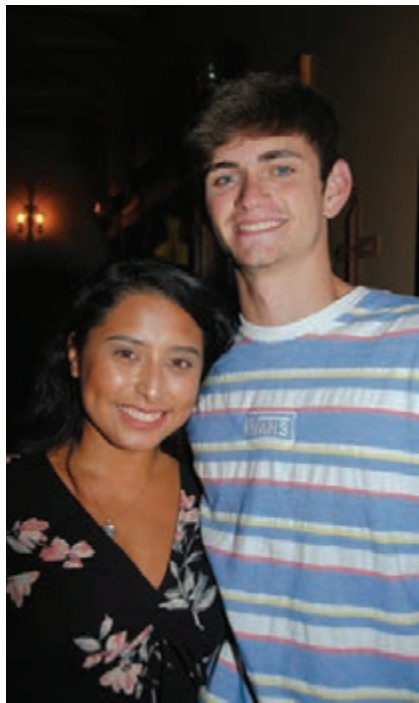

The Perkinson Campus celebrated Homecoming week with activities all week in anticipation for the big game against the Southwest Bears on October 5, 2019. Some of those events included caricature day, virtual reality games, ball pit, slip-n-slide, tie-dyeing, and even a gaming bus arrived on campus. There were also spirit boards, which were made by faculty, staff, and students who belonged to campus clubs, student organizations, teams, and the residence halls. This year's winner was by the MGCCC Office of Residence and Student Life. Earlier in the week, the Homecoming court enjoyed a luncheon, where the queen of the court was announced.

## HALLOWEEN EVENTS

College life on the Perkinston Campus is always a “treat,” especially during Halloween. On multiple occasions, faculty, staff, and students of the Perkinston Campus were seen transforming into entertaining characters. Despite the rain, MGCCC faculty, staff, and students made their way over to the annual Perk Elementary Trick or Treat. Everyone involved had a “fa-boo-lous” time as the elementary students received many goodies from their Bulldog family.

The Halloween festivities continued as students gathered to attend the Barn’s Annual Carnival for a “hair-raising” good time. Each year, the Barn provides booths and games, which include pop the balloons, cotton candy, pie throwing, and bingo.

## Wicked Wonderland

The Perk Players performed “Wicked Wonderland II: The Monster Monologues” October 29-31, 2019 in the Malone Hall Auditorium.

The monologues comprised of a group of monster friends eulogizing their friend, the Fly. The Blob, Werewolf and Mummy all have hilarious fun telling stories about their friend. Halloween songs and other spooky and hilarious monologues, such as the Weird Sisters from Shakespeare’s “Macbeth” are included. Music includes “The Monster Mash” and songs from the movie “Hocus Pocus.”

The cast included Dasia Rayborn, Robert Rankin, Chantavia Davis, and Gustavo Ramirez, Danielle Davis, Lita Rish, Greg Walmsley, Tiffani Jernigan, Madison Havard, Gustavo Ramirez, Tristin Shiffer, Destiny Orengo, Ashton Chaney, Trevor Griffin, Caitlyn Diamond, Elijah Hall, and Anthony James.

The crew included Bill Lipscomb, Brandon Ring, Kenny Yocum, Britney Patten, Mikayla Denton, Jewelee Garcia, Ahmaud Reese, Minley Brumley, Makayla Gunter, Destinee Cure, JoLee Goff, Krista Howard, Karah Grady, Amie Peacock, Jade Wheeler, and Sarah McGowan.

The monologues were written by Brad Bishop, Opie Cooper, Danny Dauphin, Brent Hearn, John Howell, Beth Kander, and Bret Kenyon.

VETERANS DAY

In honor of our veterans, the Perkinston Campus hosted several events that focused on showing appreciation to veterans. One event included a Tri-Art-A-thon made up of three parts: a musical performance by the Mississippi Sound, an art expo, and a remembrance of the many soldiers who sacrificed their lives for our country. All the art pieces that were shown at the art expo were created by the students at the Perkinston Campus. The Campus Activities Board hosted a Veterans Day 5k run, where students ran around the campus that started at the chapel and ended at the football stadium.

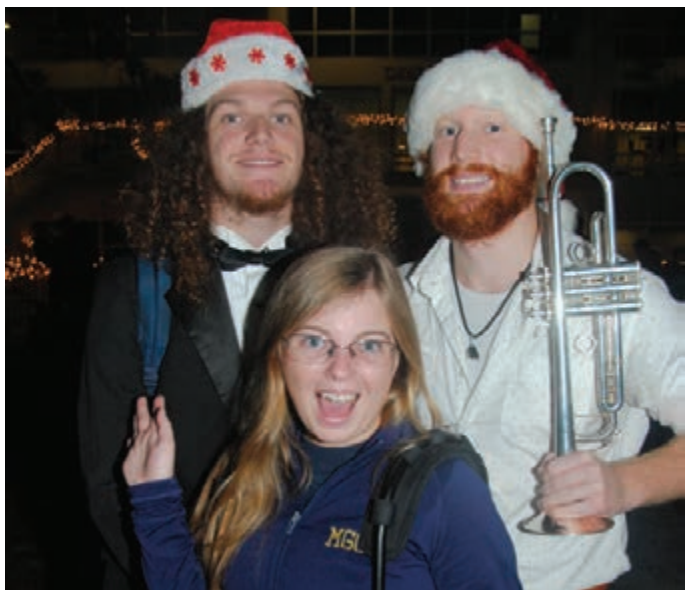

# TALENT SHOW

Students of the Perkinston Campus were given the opportunity to perform and share their talents for all the members of the campus community. Hosted by the Campus Activities Board, the show featured more than over 11 performances that were judged by three of MGCCC Staff members. A trio of Perkettes won first place. Anthony James placed second and Isabella Weaver won third place. This event continues to be a treasured tradition.

# FESTIVAL OF LIGHTS

The Festival of Lights is an annual event hosted by the Perkinson Campus community. The festival was held on Sunday, December 8, 2019, instead of its normal Friday night due to the football team competing for the National Championship. To help make this possible every year, campus clubs and organizations participate all throughout the event. These groups sold food, drinks, and hosted several types game booths. The entire campus was carefully decorated with colorful lights and beautiful Christmas Trees. The event was not just enjoyed by just the students, rather the entire community. Each year the events ends with a reading of "Twas The Night Before Christmas

# I NEVER SAW ANOTHER BUTTERFLY

The Perk Players of Mississippi Gulf Coast Community College presented the play “I Never Saw Another Butterfly” February 13-15, 2019, at Malone Hall Auditorium on the Perkinston Campus.

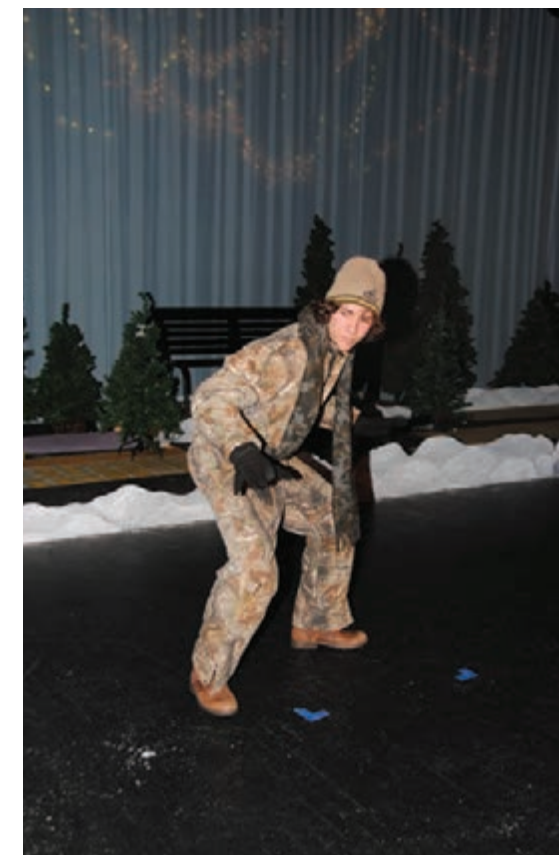

Written by Celeste Raspanti, “I Never Saw Another Butterfly” is based on the poetry and artwork created in a concentration camp by the Jewish children of Prague. More than 15,000 children passed through Terezin, and only about 100 were still alive when Terezin was liberated at the end of the war.

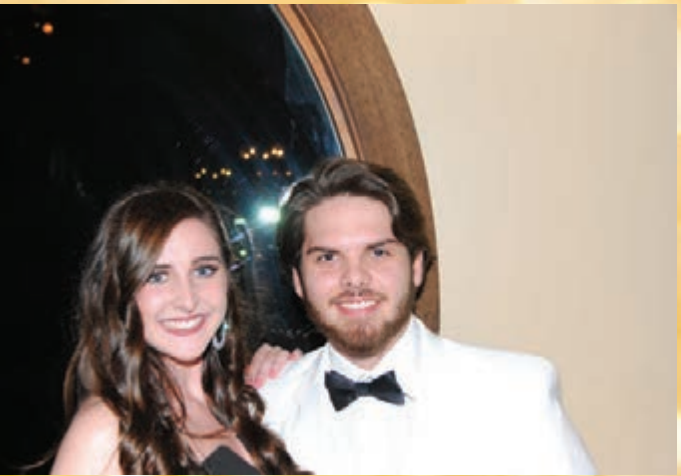

# ALMOST, MAINE

The Perk Players of Mississippi Gulf Coast Community College presented John Cariani’s “Almost, Maine” March 13-15, 2019, in Malone Hall Auditorium on the Perkinston Campus.

Almost, Maine, is a place that’s so far north, it’s almost not in the United States. It’s almost in Canada. And it’s not quite a town, because its residents never got around to getting organized. So it almost doesn’t exist. One cold, clear, winter night, as the northern lights hover in the star-filled sky above, the residents of Almost, Maine, find themselves falling in and out of love in unexpected and hilarious ways. Knees are bruised. Hearts are broken. But the bruises heal, and the hearts mend—almost—in this delightful midwinter night’s dream.

# Mardi Gras Ball

The Perkinson Campus experienced the annual Perkinson Campus Mardi Gras Ball that was held at The Barn, of the Wesley Foundation, on February 18, 2019. Nathaniel Hembree and Mykhaela Hite were crowned King and Queen for the evening. Following the presentation of the court, students enjoyed a night of food, fellowship, and dance.

# SPRING 2019 EVENTS

The Perkinston Campus is a busy place during the spring semester. With events such as Perk Idol, Human Hungry Hippos, Perk-A-Palooza, Field Day, Think Fast Game Show, Crawfish Boil, and Harry Potter Night at The Barn, students always have something to get involved in.

# MGCCC HOLDS GROUNDBREAKING CEREMONY FOR EARLY CHILDHOOD EDUCATION CENTER AT PERKINSTON CAMPUS

Mississippi Gulf Coast Community College held a groundbreaking ceremony for the Early Childhood Education Center on August 21, 2019, on the Perkinston Campus. The 8,000-square-foot facility is expected to be completed in June 2020.

“This is an exciting addition to the Perkinston Campus and to the college,” said Dr. Mary S. Graham, president of MGCCC. “Not only will it offer our college students an outstanding new building where they can learn about teaching young children, it also provides a convenient, modern space for our students’ children to begin their education.”

The Early Childhood Education Center will provide state-certified, low-cost child care for children of full-time MGCCC students. The center will serve children between the ages of 12 months and 5 years.

“Early Childhood Education Technology is one of our most successful programs at MGCCC,” said Dr. Ladd Taylor, vice president of the Perkinston Campus and George County Center. “We are looking forward to the completion of the Early Childhood Education Center on the Perkinston Campus. The state-of-the-art facility will play a major role in providing a quality education for our Early Childhood Education students.”

Included in the project are a driveway connection to the new access road; additional parking for the child care center, Central Printing and Community Arts Center; age-segregated exterior playgrounds with new equipment and Flexipave surface material; an entry lobby with controlled access; an academic classroom and workroom for the instructional program; four classrooms for up to 25 preschool students; and exterior upgrades to the Print Shop.

The facility is located at the back of campus across from the King Center and near the Community Arts Center.

## PERKINSTON COUNTY CAMPUS INSTRUCTOR OF THE YEAR DR. VALERIE CLECKLER

Helping students find their self-confidence is Dr. Valerie Cleckler's mission. She says that so many students who pass through the door of her classroom just don't seem to believe in themselves and what they can accomplish.

"Oftentimes young people, and even some older individuals, don't have a clue what they want out of life, and they place limits on themselves that really don't reflect their abilities," she says. "I just want my students to see that they can succeed, that they can reach for the stars and accomplish their highest goals. It takes work, of course, but they can get there with a plan."

As a psychology instructor, Cleckler understands the importance of being a sounding board for her students. She goes the extra mile to ensure they are not only successful in her class, but in all their endeavors. "My office door is always open to students. I want them to know that I will listen, help them make a plan or solve a problem, or just let them vent. And these are teaching opportunities as well, because learning doesn't just take place inside a classroom. Sometimes, we reach our students where they are."

Many of her former students return for a visit to share their success stories. "That's the moment that makes being a teacher such an incredible experience," she says. "That I have made a difference and have helped another person find their success. Working here gives me those opportunities, and there are many of them, as MGCCC is such a bright spot in the lives of so many students."

## SHARON A. WHITE PERKINSTON CAMPUS DIFFERENCE MAKER

Calm, cool and serene are three words that describe Sharon White. That's probably why her office is a favorite place for students and her co-workers.

"I try to approach every day with the attitude that I am going to help someone and that I can make a difference," she says. "There are difficult days, for sure, but knowing that at the end of it all, I have contributed to moving someone forward on their path makes it worthwhile."

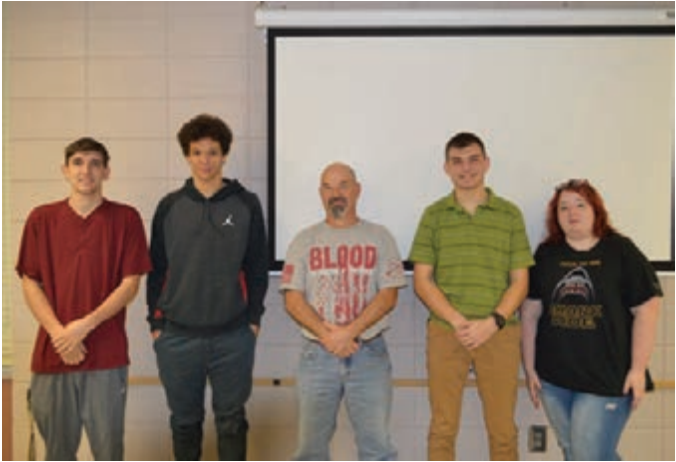

While having worked at MGCCC for a long time, White said she truly found her place when she joined Student Services five years ago. "I absolutely love working with students every day, and I am surrounded by such outstanding and supportive co-workers." Understanding that no two students are the same, White tries to always relate to them individually. "I want to meet them where they are. I listen and try to help them form a plan to get them where they want to go. Sometimes listening is the key to helping them accomplish their personal goals."
