Requvoir

*The Pleasures of Nature . . .*

Nature is a part of our humanity, and  
without some awareness and experience  
of that divine mystery, man ceases to  
be man.

Henry Beston

# *The Beauvoir*

THE BEAUVOIR is published by the students of Jefferson Davis Campus, Mississippi Gulf Coast Junior College, Gulfport, Mississippi 39501. It is the Jefferson Davis section of the College yearbook, THE TRIDENT, New Series, Volume IX, 1983.

Our interest in natural history dates from the earliest days of our forefathers. The understanding of our natural environment, of the need for conservation, of the principles of ecology, has spread through the works of literary naturalists to a point where appreciation of nature has become a part of the national culture —

A rare species of bird or mammal . . .

A long-standing oak . . .

A flourishing wilderness area . . .

all are prized as highly as a man-made work of art. This growing value placed upon our surroundings is observed by the 1983 *BEAUVOIR* in celebration of nature and its pleasures.

... the whole world kin

*One touch of nature makes  
the whole world kin . . .*

## Trustees make history Elect woman to chair board

Gulf Coast's 29-member Board of Trustees, the college's policy-making body, in December 1982 elected its first woman chairperson.

She is Mrs. Eula Switzer of Biloxi, named for the 1983-84 term to succeed Wilbur Ward of Lucedale.

Mrs. Switzer, vice president of Coast Water Works, Inc., was chosen by acclamation, as were the other four board officers.

They are James Bryan of Stone County, who succeeded Mrs. Switzer as first vice chair; Robert Slaughter of Jackson County, re-elected second vice chair; Joe D'Angelo of Harrison County, secretary; and Tolle Owen of Harrison County, elected treasurer for another term.

Mrs. Switzer, who was appointed to the board by Harrison County Beat 4 Supervisor Hugh Snowden, also represents

Beat 5. She is the only trustee to represent more than one district.

An outspoken advocate of junior colleges — Gulf Coast in particular — Mrs. Switzer is active in many other organizations. Among them are the United Daughters of the Confederacy and the Mississippi Trustees Association. She was president of both groups.

## Homecoming 1982

# Alumni honor attorney

Clare Sekul Hornsby, a Biloxi attorney who early in life was taught that only the ministry is a more noble calling than law, was inducted into the Gulf Coast Junior College Alumni Hall of Fame on Oct. 23, 1982.

A 1941 graduate of what is now Perkinston Campus, Mrs. Hornsby became the 13th recipient of the award, presented to her by GJCJC President J. J. Hayden Jr. at a homecoming banquet at Perkinston.

In accepting the award, Mrs. Hornsby described a junior college as "... playing the role of a parent. It has a grave responsibility. I am here to say that (Gulf Coast) fulfills that responsibility."

Mrs. Hornsby, the mother of four children, one adopted, believes that parents have an obligation to impart to their offspring "a sense of value, a sense of understanding and self-confidence." "A junior college can pick up where the parents leave off," says the grandmother of four.

As to why she chose to attend "Perk", Mrs. Hornsby explained: "I had never heard of going any other place. Everyone I knew was going there, or had been there. It was a big school to me, a big step (after Biloxi High School)."

Mrs. Hornsby's shingle hadn't been hanging long before she landed one of her first big cases.

Although criminal cases "challenged" her, "I found that adoption cases were a natural thing for me and that is what I specialize in now."

She admitted that she "becomes emotionally involved" with her clients. "I am in my client's shoes. When they cry, I cry. But of course when I get to the courtroom, I realize that what I need to do for them is a lifetime thing. Then I get mean. I want to have my way about it ..."

## Owen award Schloegel cited for service

The Sam Owen Trophy for distinguished service to Gulf Coast Junior College was awarded to Gulfport banker George Schloegel during pre-game ceremonies.

Schloegel, executive vice president of Hancock Bank, was presented the trophy by Chakre El Murr during GJC's homecoming at Perkinson Campus.

El Murr, a native of Lebanon who is visiting in the United States, is a cousin of the late Sam Owen of Gulfport, for whom the award is named.

Receiving a permanent trophy from El Murr was John Dees, Wiggins businessman who was last year's recipient of the award.

Schloegel, immediate past president of the GJC Foundation, was cited for exceptional service to the college through his work with the foundation. He was introduced by college president, Dr. J. J. Hayden Jr.

A native of Gulfport, Schloegel is a graduate of what now is GJC's Perkinson Campus. He also is a graduate of Louisiana State University and the Bank Public Relations and Marketing School Northwestern University, Chicago.

Active in business and civic affairs, Schloegel was one of the first persons appointed by Gov. William Winter to the Board of Economic Development, which replaced the Agricultural and Industrial Boards as the state's industry-seeking and tourist promotion agency.

A former national vice president of the United States Jaycees, Schloegel, in 1967, was selected Mississippi's Most Outstanding Jaycee vice president.

He is listed in Outstanding Young Men of America, Who's Who in Commerce and Industry, Who's Who in the South and Southwest, and Personalities of the South.

## They're the best! College names 3 Instructors of the Year

Professional excellence of three college instructors was recognized during the spring Alumni Association banquet when they were cited for the instructor of the Year honor.

The instructors were selected by students, faculty, administrators and alumni for their outstanding contributions to education and to the community. They were Marie Davis, Perkinson, general studies reading; David Fitch, Jefferson Davis, math/engineering; and Walter E. Mullen, Jackson County, English.

Davis is a 1973 graduate of the Perkinson Campus where she received special

honors. A resident of McHenry, she has been teaching at the Perkinson Campus for three years. She is a member of the Junior College Reading Association, Kappa Delta Phi, Phi Theta Kappa and Mississippi Reading Association. Her campus memberships include the faculty association and discipline committee.

Fitch, of Gulfport, has been on the faculty at the Gulfport-Bloxi Campus for 12 years. The president of the campus faculty association, he is a member of the American Mathematical Association of Two-Year Colleges, Tau Beta Pi, honorary engineering society, and Phi Kappa Phi. He is also

assistant pastor of the New Covenant Church at Gulfport.

Mullen, who has been teaching for 24 years, is a resident of Ocean Springs. He has been at the Jackson County Campus for 14 years. Memberships include Masonic Lodge, Order of the Eastern Star, Conference on English in Two-Year Colleges, Junior-Senior College English Commission and National Council of Teachers of English. Mullen is also a member of Phi Delta Kappa, Phi Eta Sigma and Kappa Delta Pi, Mississippi Council of English.

# One Point

## Ruins Bulldogs' hope of title bid

The 1982 Bulldog football team, which posted a 10-1 record and shared the state championship title with Northwest, "was as good as — maybe better than — the 1971 national championship squad."

So said Coach George Sekul at season's end, an end that came when the Bulldogs and Northwest tied 7-7 for the state title. But it was the regional season 3-2 loss to the Rangers from Senatobia that kept Gulf Coast from a second crack at the national crown. "That one point was our undoing," said Sekul.

Undeclared Northwest, ranked 2nd by the National Junior College Athletic Association, went on to national glory. And 4th-ranked Gulf Coast had to content itself with the thought that it had tied the best team in the country.

En route to doing that the Bulldogs in 10 games rushed for 2,364 yards to the opponents' 694 and passed for 1,059 to 773 for a total of 3,423 to 1,467, a record.

The team was honored in December at the annual football banquet on Perkinson Campus. Here, in a dining hall packed with girl friends, family members and well-wishers, the players were heaped with praise and awards.

Receiving the coveted Joe Williams "Out" award was Levelle Bradley, a 6-2, 185-pound linebacker from George County.

Williams, a decorated Vietnam veteran, played for Gulf Coast in the 1960s. He died with his brother in an automobile accident.

The George M. Guild Award for the highest scholastic average went to Doug Burgess of Pascagoula. The 6-1, 205-pound

tight end was credited by Dellenger with "using his head on the field as well as off. He even helped me coach, sometimes when I wanted him to and sometimes when I didn't."

Cited by assistant coach Mike Nelson were running back Craig Havard of George County, best offensive player, and linebacker Todd Navarro of John Ehret, La., best defensive player.

Singled out for special recognition by Coach George Sekul was defensive end Jason Thibodeaux of John Ehret, named All-American by the National Junior College Athletic Association, and first team by Junior College Gridaire.

## Number '1' haunts No. 1 'dogs

At yearbook deadline time, Coach Bob Weathers' 1983 Bulldog basketball team seemed well on its way to a title-winning season. The squad has lost only two games against 15 victories to rank first in state conference play, first in the National Junior College Athletic Association's Region 20, and 20th in the nation.

But wait. The 1982 team finished its season No. 1, only to lose by one point to Ulica in the South Division playoffs. And by one point to Northeast in the championship game. In the NJCAA regional finals, the Bulldogs lost to Paducah, Ky.

You guessed it. By one point. So Weathers, veteran of 23 years at Gulf Coast, winner of more than 480 games against only about 153 losses, isn't prone to forecast the future.

"It's been a good year so far," is all he would say of the 1983 season.

Players singled out for recognition by Weathers included Calvin Johnson of Gulfport, who early in January led in scoring with a per game average of 13.8, in rebounds with 11.4 and in field goal percentage with 70.

Other high scorers were John McArthur of Moss Point, Richard Johnson of Baton Rouge, and Clarence Gray of Laplace, La. Leading in assists were Joe Riley of Gulfport, who also had the best free throw percentage. Runner-up to Johnson in rebounds was Dwayne Jones of Houma, La.

## Ladies

### still bouncing at season's end

The Lady Bulldogs of Coach Doris Smith, led by high-scorer Daisy Casher of Pascagoula, were ranked fourth in South Division basketball play in early February 1983.

Overall the Ladies had a 9.7 record and were 5.5 in the conference as the season wound down to the last couple of games.

Although it appeared unlikely the women could make a serious bid for a title, they found consolation in having improved on the dismal 1981-82 season that saw the team drop 13 games while winning only 8.

Casher, a 5-8 sophomore forward, was credited by Smith with helping sweeten Gulf Coast's basket. In 16 games she had scored 325 points for an average of 20 an outing. She was second in rebounds with 130, behind Tammie Dedeaux's 139.

Dedeaux, a 5-11 center from Pass Christian, was second in scoring with 218 points, an average of 14 a game. She and Casher helped boost the team scoring average to 70 a game for a total of 1,124 to the opponents' 1,160.

Another team leader was Robin Fairley, 5-3 guard from Gulfport. She had 105 assists, averaging 7 a game, and 55 steals for a game average of 3.

LEFT: Robin Fairley guards her opponent under the watchful eyes of Darlene Powe. BELOW: From left: Coach Doris Smith, Leigh Wetzel, Pinkie Davis, Kellie Fox, Fran Jacobs, Carole Savakis, Darlene Powe, Tammie Dedeaux, Darla Atkinson, Rena White, Daisy Casher, Kim Clark, Shawn Deceaux, Lentretrie Gregorie, Deborah Burtis, Robin Fairley, Margaret Spears, Diane Spicer.

Coach Ken Farris

## Diamond Man Farris sparkles like 500 carats

Under the leadership of Coach Kenneth Farris, the '82 Bulldogs finished the season 30-15-2 and clobbered Utica 16-2 and 9-1 to take the South Division championship. Only to lose to Northeast 11-9 and 8-2 in their bid for the State title.

Farris, completing his 20th year at Gulf Coast, has stacked up a record of 500 wins to 139 losses. He has been named Mississippi Junior College Athletic Association Coach of the Year seven times, Mississippi Association of Coaches "Coach of the Year" four times, and has received the National Junior College Athletic Association Region VII Director's Award.

Sitting from left: Albert Farmer, Alan Lowe, Brian Kozlowski, Kevin Annison, Dean Graham, John Tomes, Ed Robertson, Darryl Deschamp, Neil Rhodes, Robert Hughes. Second row from left: Ken Hatcher, Darwin Nelson, Doug Borries, Jody Ortego, Mike Butler, Jim Johnston, Nick Moore,

The track team under the coaching of George Sekul, in 1981-82 finished the season second in the conference and second in the state. *Finda* was first in both.

A new record was set in the 440 dash by Eugene McDaniel, Ft. Pierce, Fla., with a time of 47.6.

Information on golf and tennis was unavailable as the teams were being organized at the time this publication went to press.

## Striking up band Takes work to get it ready

*The spit and polish of a halftime show doesn't just happen. It begins in the rough. On a practice field. Rain or shine. It's a lot of sweat. And sometimes tears.*

That's the way it is for the Gulf Coast Junior College Marching Band and Dance team as they prepare for mid-game appearances during football season and other public functions.

The 96-member band, under the direction of Dr. John Jenkins, and the 25-woman Dance Team, whose choreographer is Delta De La Fuente, performed in 1982 at all home football games. They also made several road trips. In addition, they appeared in numerous parades and in February 1983, were practicing for Mardi Gras parades.

Nine musicians in February were named to the All-State Band. They were Lori Peterson and Kathleen Conroy (clarinet); Laura Logan (base clarinet); Mike Bradley (French horn); Karen Lee (trumpet); Greg Barlow (baritone); Phillip McCoy (trombone); John Ruffin and Jimmy Beason (tuba).
