MR. AND MISS JACKSON COUNTY CAMPUS

ANNA MARIA VALENZUELA

Anna Maria Valenzuela, the daughter of Maria Anchondo and Joel Valenzuela, graduated from Ocean Springs High School in May 2021. While attending JC, Anna was an active member of the Phi Theta Kappa, Reflections Team, JC Hispanic American Club, and Student Government Association. She served this year as the Phi Theta Kappa president, Student Government Association sophomore class president, Reflections Team Public relations coordinator, and Vice President of the JC Hispanic American Club. She was named Who's Who Among Students at Mississippi Gulf Coast Community College, and she was inducted into 2022-2023 MGCCC Hall of Fame for the Jackson County Campus. She also received President's List and Vice President's List each semester. Anna is also a member of St. Elizabeth Seton Catholic Church. After graduating from MGCCC, Anna plans to transfer to Mississippi State University majoring in mathematics, where she will pursue her bachelor's degree.

When asked why she chose to attend MGCCC, Anna responded, "My life has always been centered around my family and education. MGCCC provided the greatest opportunities for me while allowing me to continue to be close to my family. When I graduated high school, I had a 6-month-old baby sister, and I really wanted to be around to see her grow. I knew MGCCC would give me opportunities that I could not get at a four-year institution, but I never expected to have learned and benefitted as much as I have thus far."

PRESTON ROBBINS

Preston Robbins, the son of Crystal and Shawn Robbins, graduated from Vancleave High School in 2021. While attending JC, Preston was an active member of the Reflections Team, Student Government Association Phi Theta Kappa, Circle K International, and Campus Activities Board. He served this year as the Reflections Team vice president and Student Government Association Parliamentarian. He was named Who's Who Among Students at Mississippi Gulf Coast Community College and inducted into 2022-2023 MGCCC Hall of Fame for the Jackson County Campus. He also received the honor of President's List and Vice President's List every semester. After graduating from MGCCC, Preston will transfer to Mississippi State University, Engineering on the Coast, to pursue a bachelor's degree in mechanical engineering. When asked why he chose to attend MGCCC, Preston responded, "I chose to attend MGCCC because of the reputation of their quality education and the convenient location to home. I wanted to enjoy the smaller, close-knit community that MGCCC has to offer. This has allowed me to build relationships with teachers, administration, and other students a lot easier than I could have at a four-year university. In addition, both of my parents attended MGCCC - Jackson County Campus before going on to universities, so it has become a family tradition."

LYNN ZIMMERMAN
 JACKSON COUNTY CAMPUS
 2022 INSTRUCTOR OF THE YEAR

Providing an opportunity for students to learn how biology relates to the real world and to their lives is a mission for Lynn Zimmerman. She wants students to know they can apply what they learn in her class to problem-solving in their own lives. “Biology is all around us, and what we learn in science class helps us understand the world so much better,” she said. “I want my students to feel that wonder and to be empowered to go out and tackle problems that will make a difference.” As a Gulf Coast alumna, Zimmerman said she is thrilled to be teaching at the college she loved so much as a student. “I absolutely loved my time here as a student, and now to be back, to come full circle and be teaching students here is surreal but wonderful.”

Deeply involved in promoting gene therapy, Zimmerman gets her students involved in Lunch and Learn sessions, walk-a-thons, and other activities related to research. “I want them to see the difference they can make in the world by getting involved in their communities. It’s a good life lesson for all of us because what we do has a ripple effect.”

Having taught at the college for eight years, Zimmerman’s philosophy is to help students where they are. “If they are up in the middle of the night to register for classes, I’m there to help them. I’m a night person anyway, so that works out. But even when students are having a hard time grasping information in the class, I work with them until they get it. If they put the effort in, so do I. I want all of my students to be successful.”

LARESA TENNANT
 JACKSON COUNTY CAMPUS
 2022 DIFFERENCE MAKER

LaResa Tennant graduated in 2004 from MGCCC, and she has worked in the Jackson County Campus business office for the past 18 years.

“I have enjoyed every minute of working at the college,” she said. “I started working at the JC Campus as a student worker and then I was hired full time in the business office in January 2004 as a finance clerk. I moved into the administrative assistant position in 2008, and I’m very thankful to Dr. Tammy Franks for hiring me in all three positions and seeing something in me as a student that was worthy of hiring.”

Focusing on finding the positive in any situation, Tennant’s co-workers say she is patient and kind. “I try to see things from the other person’s point of view and do my best to help them with any problem that arises. People get stressed out, but you don’t have to let that make you crazy. You just have to find the silver lining in the cloud.”

Raised in Moss Point as the youngest of nine children, she now lives in Ocean Springs. She still enjoys spending time with her family, especially her two grandchildren, Stella and Declan.

HALEY REEVES BARBOUR MARITIME TRAINING ACADEMY (MTA) MGCCC CENTER

The Haley Reeves Barbour Maritime Training Academy, located just outside the main gate of Ingalls Shipbuilding in Pascagoula, was established in 2013 to meet the training needs of apprentices as outlined by the U.S. Department of Labor. It includes 44 rooms for classroom space, computer lab space, and laboratory space, along with dedicated library space and office space for student services and faculty. Students who complete an approved apprenticeship program in one of 15 craft areas may receive 30 semester hours toward an Apprentice Associate of Applied Science degree. The MGCCC Center located within the facility employs 20 full time staff and trainers. MGCCC trainers provide the instruction (RTI) for the apprenticeship program

HARRISON COUNTY CAMPUS

REFLECTIONS TEAM

The Reflections Team went through intense team training. In summer 2022 at our annual Reflections Team District Wide Training. FAIS DO DO

Fais Do Do, our HC Campus annual crawfish boil and end-of-the-school-year celebration, was on April 14, 2022. Fais Do Do featured 450 pounds of crawfish, potatoes, corn, and all the fixings from Quality Seafood. Our event also included hot dogs and hamburgers grilled by our HC Baptist Student Union and Mr. Walter from our HC Maintenance Team. The rain held off for students and employees to play volleyball, cornhole, frisbee and other fun outdoor games! Snaparazzi was there to capture the fun with a photobooth. We had the best day celebrating the end of spring semester 2022!

FALL WELCOME BACK WEEK

Fall Welcome Back Week was held August 29-September 2, 2022, in the Commons. So many students joined clubs and found their home away from home at the HC Campus! MR. AND MISS HARRISON COUNTY CAMPUS

Rachel Marie Vivian

Rachel Marie Vivian, daughter of Glen Robert Vivian and Aimee Marie Vivian, graduated from Gulfport High School in 2021. While attending the Harrison County Campus, she was a member of Mississippi Gulf Coast Community College's Honors College. Rachel was also the co-president of Phi Theta Kappa's Omicron Alpha Chapter, a Five-Star Competitive Edge member, a Five-Star Employment Edge member, and a Five-Star Transfer Edge member of Phi Theta Kappa. Rachel also served as the president of the Student Government Association, the Personal Relations and Communications officer for the Reflections Team, and was an active member of the Campus Activities Board. Rachel was named Freshman Class Favorite in 2022. She was also named Who's Who Among Students at MGCCC and named a Sophomore Homecoming Maid in 2022. Rachel has made the President's and Vice President's List. She also earned the Honors College Scholarship and Master's Scholarship at MGCCC. In addition, Rachel has made the 2023 All-Mississippi Academic Team and was selected as a Gold Scholar for Coca-Cola's 2023 Academic Team.

Following graduation in May 2023, Rachel will relocate to Steubenville, Ohio, to attend Franciscan University of Steubenville. There, she will finish her bachelor's degree in marketing while pursuing a minor in management. Afterward, she intends to continue her education through a doctoral program in educational leadership.

Because of her involvement at the Harrison County Campus, Rachel has grown a passion to be a servant-leader for the higher education system. She plans to pursue the career of vice president of students at a four-year institution. Rachel has always had the desire to help others grow to be the best version of themselves. This desire has flourished through her involvement at the Harrison County Campus and being under the direct mentorship of Dr. Christopher Bagwell, whom she says, "implements this same desire of guiding others to their best potential toward every student he encounters." Additionally, Bridgett Bermond, Dr. Kathryn Morris, Heather Walker, Justin Mills, Brandi Martino, and Aaliyah Caldwell played key roles in guiding and influencing her passion and desire to help others grow individually.

To describe her time at MGCCC, Rachel said, "Because of the administration, faculty, and staff, my student career has flourished more than I could have ever imagined. Gulf Coast has truly created a positive environment of student success, in and out of the classroom. Dr. Bradley, Dr. King, Dr. Miller, and Dr. Moulds have each served a monumental role in my student career that I am forever grateful for."

Vinh I. Vo

Vinh I. Vo, the son of Minh and Hang Vo, graduated from St. Martin High School in 2021.

While attending Mississippi Gulf Coast Community College, Vinh was a member of the Campus Activities Board, Phi Theta Kappa, the Reflections Team, Page Turners for Sigma Kappa Delta, and the vice president of the Student Government Association. Vinh was voted Who's Who Among Students at MGCCC and Freshman and Sophomore Class Favorite. He ran the 5k run events three times placing first on the first run and second on the last two. Vinh received third place for the 2022 HC Got Talent Show. He also won the volleyball intramural championship during the 2022 spring semester. Vinh made the Vice President's list, earned the Academic Excellence Scholarship and the Reflections Team Scholarship.

During Vinh's MGCCC experience, he wanted to become more involved on campus with clubs and events. The Campus Activities Board was the catalyst of Vinh's active student involvement at HC. Vinh's willingness to get involved influenced other students to start getting involved and created opportunities for him to bond with his peers. Getting involved impacted Vinh to become the student leader that he is today. During Vinh's sophomore year, he became more active and involved in many clubs on campus. Vinh would stay on campus after his classes ended each day to meet new club members and to work hard on club activities. During Vinh's free time, he liked to learn new songs on the piano and play volleyball in the gym. Vinh appreciates Paige Cannon for all the opportunities she helped him achieve at the Harrison County Campus.

Vinh is a fine art major, and his first day was a rough start with absolutely no knowledge or experience in art. Vinh's siblings were more talented in art than him, but he was ready to commit to this degree. Art majors go through a lot of hard times and struggles with improving their skills, but having Cecily Cummings as his art teacher motivated him to reach his fullest potential. From the beginning, Vinh always wanted to become an animator for the animation industry, so he has chosen to transfer to the School of Visual Arts in New York to get his bachelor's degree in 3D animation and visual effects. Even though animation programs and industries are very competitive, with the connections from friends, family, and faculty, Vinh will use this as motivation to achieve his goals. When Vinh was asked, "How was your experience at MGCCC?" Vinh responded, "To be honest, it felt like I was a character in a show who survived and made it to the final season, because college is all about endurance."

2022 INSTRUCTOR OF THE YEAR Monica Donohue

A gracious and sweet demeanor is how many people describe Monica Donohue. She said it is because she feels like the people she works with and her students deserve to get the best version of her.

"People come to you in many different ways and with many different ideas about what is going to happen when you cross paths," she said. "I want them to know that good things are going to happen when they cross mine. I try to reserve judgement of a person and a situation for when I know them better. I try to offer a safe place for my instructors and students to come and talk to me."

Working at Gulf Coast has been an outstanding venture for her, she said. "I cannot believe how lucky I am to work with this incredible group of people. This is such a family here on campus. The people are sincere and dedicated to what they do. They make my job easy."

Focusing on innovation in the classroom, Donohue is part of the Robotic and STEAM Approach to Learning group that won an Exceleator Award this year. "It is so important to keep the content of your class current and fresh so that students are actively learning. Robotics and the incorporation of science, technology, engineering, and mathematics into the arts classrooms like sociology is one way to do that. It teaches students how there is an interplay between what is going on in sociology and robotics or sociology and technology in general. What are the implications for technology on our society?"

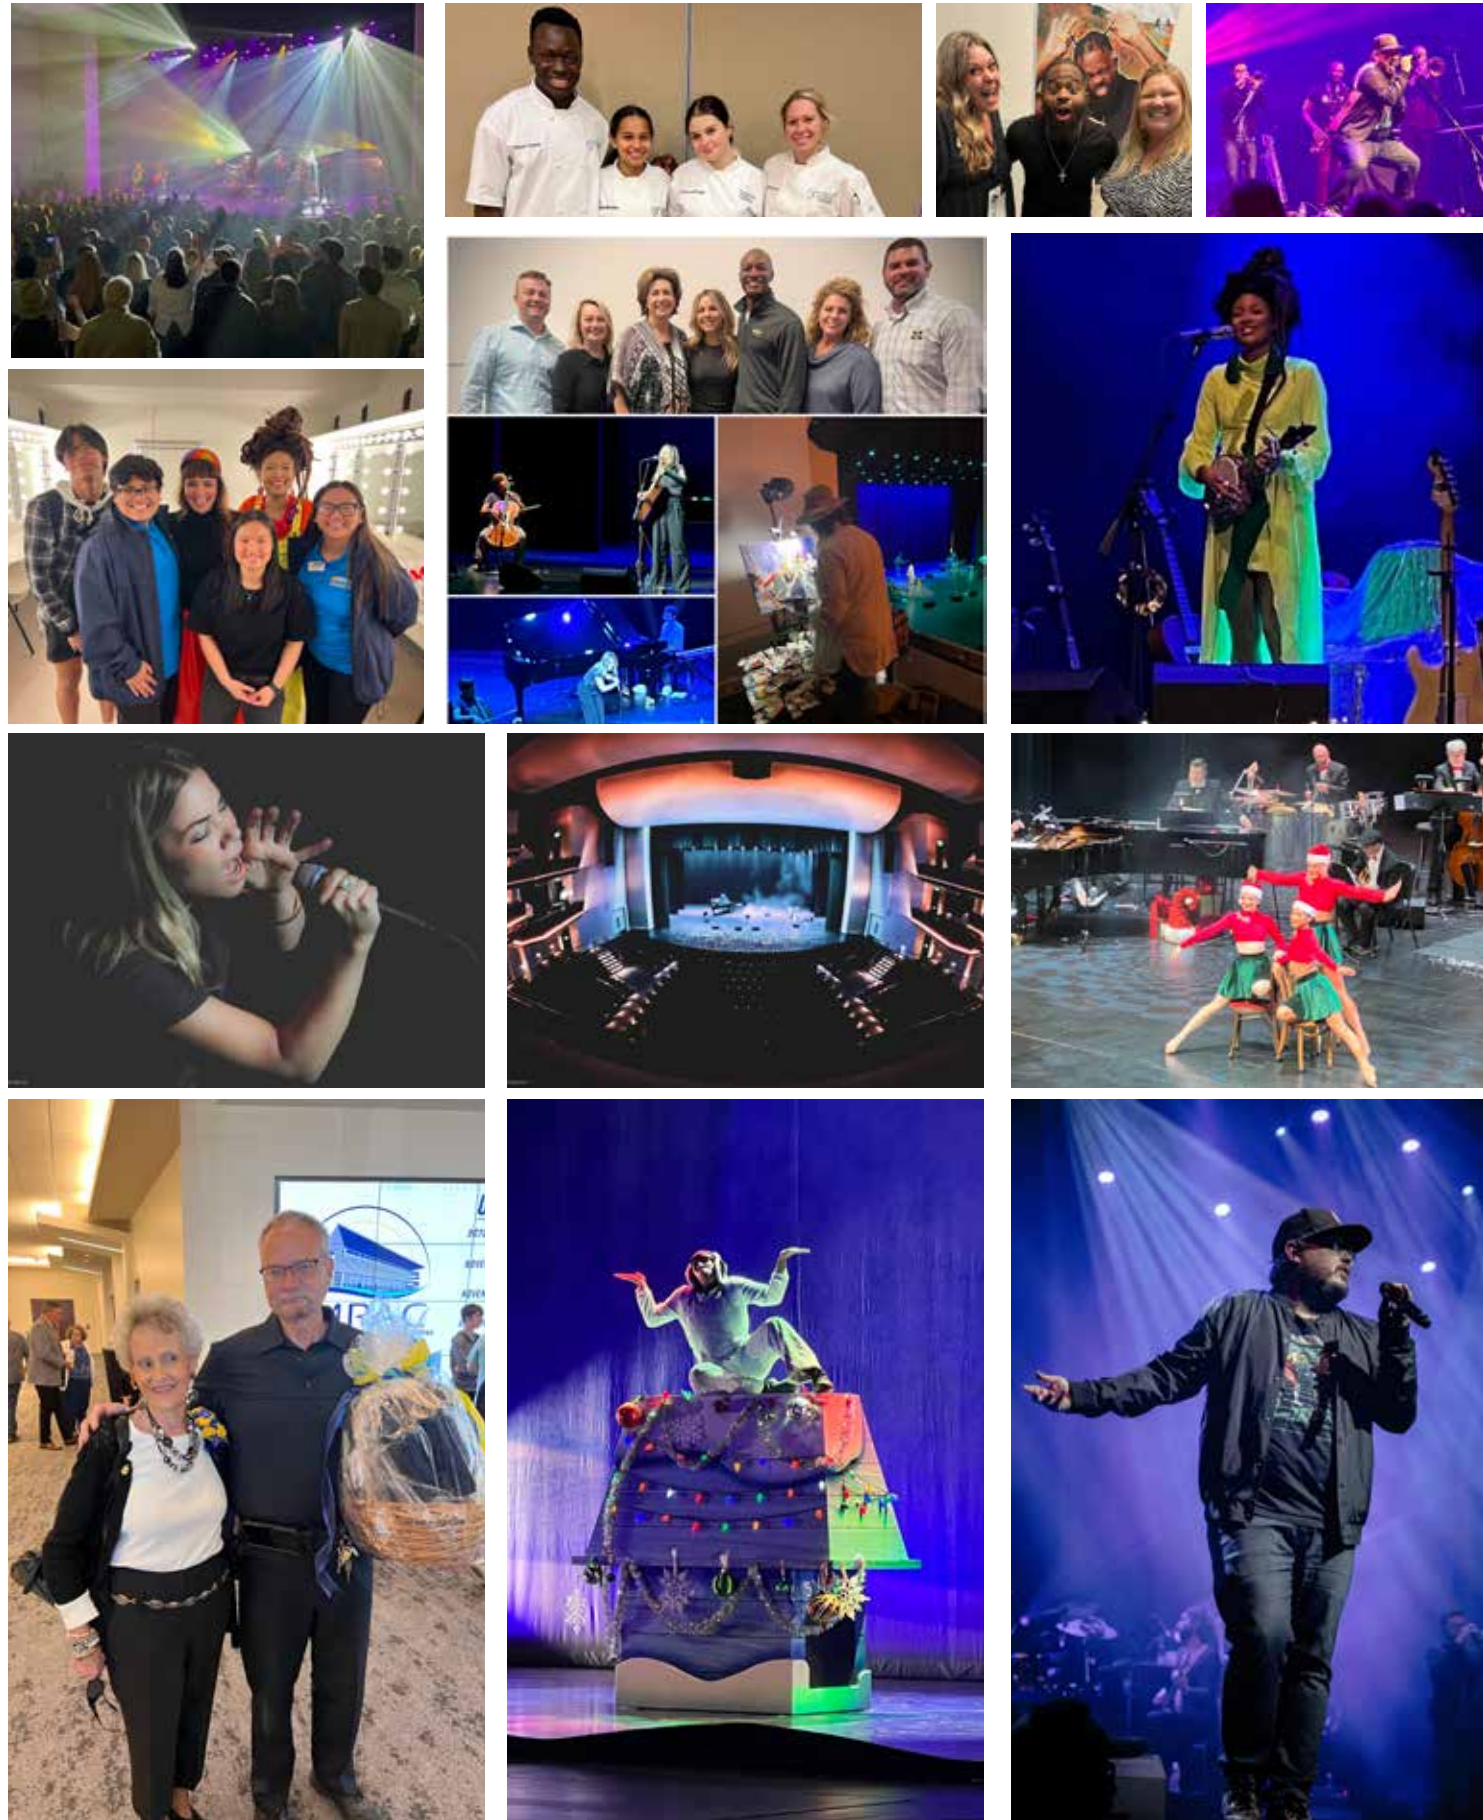

2022 DIFFERENCE MAKER Adrienne McPhaul

Adrienne McPhaul has been with MGCCC for three years. She has a master's degree in Library and Information Science and a master's degree in Instructional Technology. She has worked in higher education for 19 years. Caring and extra effort are a part of her day as McPhaul spends most of her time helping others in the Learning Resources Center at the Harrison County Campus. "It is important to me that we provide the support our students and faculty need to get their projects done," she said. "Resources are what we do!"

She said one of the things that has impressed her most about MGCCC is the openness to change. "Everyone here is willing to try new things to do better, to offer better instruction, and to provide enhanced services to our students when they are needed," she said. "That is vital to a successful college and we definitely have that here at Gulf Coast."

McPhaul resides in Gulfport and enjoys photography, container gardening, and her freshwater aquariums.

MGCCC NAMED MILITARY FRIENDLY SCHOOL FOR 13 TH YEAR, LISTED IN TOP 10

Mississippi Gulf Coast Community College has again been named to the Military Friendly® Schools list. This is the 13 th year the college has been selected and the fourth time the college has been listed on the Top 10 List. Since 2020, the college was ranked as the No. 1 school twice. This year, MGCCC was ranked third for the nation’s largest community colleges.

“Our active-duty military and veterans along with their spouses and dependents sacrifice so much for this country, ensuring our safety and freedom,” said Dr. Mary S. Graham. “It is an honor for our institution to give back to them by facilitating their efforts in securing an education.”

More than 1,800 institutions of higher learning competed for the title by completing an extensive survey covering 10 indicators of success, including support for student veterans on campus, graduation and employment outcomes, and military spouse policies. Only those in the top 15 percent are included on the list.

MGCCC was ranked in six different categories, exceeding standards by more than 50 percent on Academic Policies & Compliance, Admissions & Orientation, Culture & Commitment, Graduation & Career, and Military Student Support & Retention. MGCCC’s highest rates were in Admissions & Orientation, Military Student Support & Retention, and Culture & Commitment, with rankings above 70 percent for each category.

MGCCC provides a wide variety of services to active-duty military personnel and veterans. The college assists its military students in scheduling courses around temporary duty assignments and interruptions for deployment. The institution’s military withdrawal policy ensures military students avoid any hardships when called into active duty. Additionally, the college offers military-base campus representatives to provide one-stop-shop services, including priority registration assistance, degree evaluations, and book service. MGCCC also provides a VA school certifying official (SCO) to meet the needs of veterans, military spouses, and military dependents. Enrollment specialists at campus locations coordinate the review of transfer credit/military credit. Finally, active-duty military students and veterans receive in-state tuition.

PERKINSTON CAMPUS

MOVE IN DAY

Move In Day at the Perkinson Campus is always a memorable day because it is full of events that welcome students "home." Students were greeted at the door by a resident assistant, who showed them to their room. After a day of moving furniture, clothes, snacks, and supplies, students were able to stop by the Coke wagon to cool down and meet other friendly faces. Through it all, Move In Day marks the beginning to an amazing semester.

WELCOME WEEK

The fall semester activities kicked off with Welcome Week, where students enjoyed numerous events. Incoming students were able to attend a Bulldog Bootcamp and learn ways to get involved on campus from SGA and CAB members. Other events included We Scream for Ice Cream, Bulldogs and Burgers, Bubble Soccer, Movie Night, and Patio Popsicles. Students ended the week attending the Blue and Gold Club Night to celebrate their first week of classes.

FALL EVENTS

Blue and gold fill the stands each fall semester as students, alumni and fans come together to cheer the Bulldogs on to a victory at the A.L. May Memorial Stadium. During Homecoming week, students enjoyed several events, which included decorating spirit boards in anticipation of the big game against East Central Community College on October 15, 2022. When students were not shaking their pom-poms under the stadium lights or tailgating, they enjoyed other fall activities such as laser tag, dodgeball, karaoke, Nerf battle, movie night, and so much more. There is always a place for students at the Perkinson Campus during the fall!

HALLOWEEN EVENTS

College life on the Perkinson Campus is always a “treat,” especially during Halloween. On multiple occasions, faculty, staff, and students of the Perkinson Campus were seen transforming into entertaining characters, which began with Campus Activities Board hosting multiple events, which included a costume contest, pumpkin painting, and other games. Students were able to enjoy showing off their personalities through their costumes! The highlight of the campus Halloween festivities concluded with the annual Perk Elementary Trick-or-Treat. The elementary students visited the campus dressed to represent a book character. As they walked around campus, they received many goodies from their Bulldog family. Everyone involved had a “fa-boo-lous” time.

VETERANS DAY EVENTS

On Thursday, November 10, 2022, MGCCC students came together to celebrate and honor those who serve our great country for Veterans Day. Those in attendance were able to hear from various speakers. Once the service concluded, participants were able to compete in a 5K walk/run. The race took place on campus with American flags lining the course, reminding the participants of our nation's heroes.

TALENT SHOW

Students of the Perkinston campus were given the opportunity to perform and share their talents for all the members of the campus community. The Annual Fall Perkinston Campus Talent Show can provide students with a boost of self-esteem, confidence, and a way to encourage students! Hosted by the Campus Activities Board, the show featured over 15 performances that were judged by three of MGCCC's staff members. Coming in first-place was Zaria Cooper. The second-place spot went to Alexandra Lawson. Brandon Merwin was the third-place winner!

FESTIVAL OF LIGHTS

The Festival of Lights is an annual event hosted by the Perkinson Campus. The festival is held on the first Friday in December and welcomes thousands of community members. The entire campus was carefully decorated with colorful lights and displays. To help make this possible every year, campus clubs and organizations participate all throughout the event. These groups sold food, drinks, and hosted several types of game booths. Those that attended also enjoyed performances by the Band of Gold, Mississippi Sound, Perkettes and other student groups. In addition to the annual reading of "Twas the Night before Christmas," attendees were able to enjoy the festival's first spectacular fireworks show.

SPRING EVENTS

The Perkinson campus is a busy place during the spring semester. One of the highlights is the annual Mardi Gras Ball, which was held at Heidelberg Hall on February 22, 2022. Quincy Duplessis and Kensie Boyer were crowned king and queen of the evening. During the festivities, a royal court was presented comprising members of various campus clubs. Prior to Spring break, students were able to enjoy playing outdoor games, including volleyball, life-size Jenga, cornhole, and more, while cooling off with snow cones. Students ended the week with tie-dyeing shirts and feasting at the annual Crawfish Boil. Perkinson Campus is a place where students can be involved and make memories that will last forever.

2022 INSTRUCTOR OF THE YEAR DARLENE BUSH

Changing and tweaking her classroom plans to make them better is just one of the many things Darlene Bush has continued to do during the 13 years she has taught at Gulf Coast.

"I want to make sure my students are getting the very best version of me as an instructor," she said. "That means looking at what I've done under a critical lens to see what I can do better and then finding ways to do just that."

A Gulf Coast alumna, Bush knows what it is like to sit in a classroom and wonder if she could do what the instructor is teaching. "I understand their concerns and frustrations with math, and I want to make sure my students really grasp the concepts I'm covering. If that means going over it with individual students at a time, that's what I do. I want them to feel comfortable and secure asking questions and admitting they don't understand something."

The best part of her job, she said, is that the college feels like family. "We work well together, and even when work is over, we still talk to each other. I know that I can count on the people in my department, at my campus, and in the college to offer me support. That's a great feeling."

She credits her co-workers with her receiving Instructor of the Year as well. "I would not be here if it weren't for the wonderful people I have the opportunity to work with here at Gulf Coast," she said. "It's a humbling experience knowing you have been selected because your peers and students nominated you. The people here really deserve the credit."
