3. **Send all official transcripts** electronically to [hc.admissions@mgccc.edu](mailto:hc.admissions@mgccc.edu), search for MGCCC Harrison County if sending Joint Services Transcript (JST), or by mail to:  
MGCCC Attn: HC Office of Admissions, 2226 Switzer Rd, Gulfport, MS 39507.\*  
*\*Please note that transcripts will have to be received AND articulated before degree plans can be completed and can take a few weeks. Do not wait until the last minute to submit transcripts.*
4. **If you are interested in using Financial Aid** (Pell Grant/Federal Student Loans) complete the application at [www.studentaid.gov](http://www.studentaid.gov)
5. **If you are not a MS resident but have orders to be stationed in MS**, please submit orders to HC Admissions at [hc.admissions@mgccc.edu](mailto:hc.admissions@mgccc.edu) to establish MS residency. Copy the Military Base Representative on the email & include your GCID/M number.
6. **Please be sure to read your acceptance email from MGCCC carefully and follow the directions to set up your student accounts.**
7. **When requesting a degree plan**, email, call, or visit the MGCCC Military Base Representative, Kristen Adams. Include student email address, GCID/M number, and phone number in all correspondence. If you plan to transfer to a MS university, include in your email which one and the program of study. If you will be attending an out-of-state university, please attach a copy of the prerequisites that school is requiring so that your degree plan can be as accurate as possible.
8. **Once you receive your degree plan**, upload it to your ArmyIgnitED student account. You will then select the classes you plan to register for to request TA. Once approved, please email the approval directly to the Business Office at [hc.businessoffice@mgccc.edu](mailto:hc.businessoffice@mgccc.edu). Make sure to copy the Military Base Representative on the email and include your GCID/M Number.
