without your written consent to anyone other than U.S. Government personnel with an official need to know and/or school personnel involved with Tuition Assistance (TA). You are not required to provide this information, however, failure to do so will result in not being considered for TA. All records are maintained in electronic format within the Navy College Management and Information System (NCMIS) indefinitely.

This **TA Application** is a request to my servicing Education Center for a **TA Authorization Voucher** providing federal funds for my education.

1. I understand acceptance of TA obligates me to the following:

APPLICATION OBLIGATION:

- To submit this TA Application request to my servicing Education Center **PRIOR to the start of the term**. My TA Application will not be authorized after the Marine Corps after the term start date. Once my TA Application is approved, I will receive a TA Authorization Voucher to take to the school for partial or full payment.
- To personally deliver, fax or mail my TA Authorization Voucher to the school during registration. **If I register for courses PRIOR to receiving a TA Authorization Voucher, I am liable for the full amount of tuition and course fees.**
- To pay the remainder of tuition and course fees not covered on the TA Authorization Voucher to the school.
- To notify the Education Center if any changes to the information on this document occur such as term dates or a different course other than the one on this form. I can change a course title on the TA Authorization Voucher only if there is no cost increase. The new course must be reported to the Education Center.
- To notify the Education Center if I do not enroll in any or all course(s) on my TA application or if I cancel before the school's "drop/add" date. If I cancel my course, I will provide my Education Center with the school's verification of the course cancellation.
- To reimburse tuition and fees paid on my behalf with a money order or cashier's check payable to U.S. Treasury and mail to NETPDC if I:
 - Voluntarily withdraw from a course after the "drop/add" date or full tuition refund date and receive a (W) grade.
 - Fail to convert an incomplete (I) grade to a passing grade within 6 months of course completion date.
 - Beginning 1 October 2014, receive grades below a C for undergraduate courses, or grades below a B for graduate courses.
- If I receive a (V) grade due to an involuntary course withdrawal, to provide the Marine Education Office a letter from my commanding officer confirming withdrawal and resulting (V) grade was due to hospitalization, PCS, TAD, documented emergency leave or change in military duties or assignment. Reimbursement may be waived if I officially withdrew based on one of these circumstances and if I submit command verification to ESO at the Education Center that processed the voucher.

COURSE COMPLETION OBLIGATION:

- To provide grades/certificates of completion to NETPDC. While I authorize the school I attend to forward a grade report or Certificate of Completion to NETPDC, if my school fails to do so, I will be notified by NETPDC. It is my responsibility to ensure my grades are forwarded to NETPDC.
- To provide degree completion verification to NETPDC. While I authorize the school I attend to forward degree completion verification to NETPDC, if my school fails to do so, I will be notified by NETPDC. It is my responsibility to ensure my degree completion information is forwarded to NETPDC.

2. I understand failure to provide a grade report to NETPDC within 60 days of course completion or my failure to respond as outlined in paragraphs 4 through 7 will lead to formal resolution/collective efforts such as a letter of indebtedness to my commanding officer and possible pay checkage.

3. I understand if I am eligible for the Montgomery GI Bill (MGIB) or the Post 9/11 GI Bill educational benefits, I may supplement tuition assistance through the Top-Up program. I understand that I may not receive full educational benefits for the same courses as listed on this TA application as that would constitute a duplication of benefits. If I submit a Top-up claim to the VA and then cancel the course(s) listed on this document, I will notify the VA that the course(s) are not funded with tuition assistance.

4. I am aware of the \$4500 fiscal year limitation in effect for Marine Corps tuition assistance. I certify that my request for TA does not exceed this limit. If an administrative error results in the over-authorization of tuition assistance, I will be expected to reimburse the Marine Corps for the amount of the over payment. If a non-reimbursable fee is included in my TA and I cancel the course, I am responsible for reimbursing the Marine Corps if they pay this fee, or the academic institution, even if I do not incur tuition costs.

5. I acknowledge that I am aware that I can submit a complaint if I believe my school is inadequately following the Principles of Excellence, (i.e. unfair recruiting practices, credit transfer or change in degree requirements) through the centralized online reporting system at www.militaryonesource.mil/voluntary-education/complaint. When feedback is received, a DoD/military service education representative will advocate on behalf of the student and work toward a resolution.

Tuition Assistance is available under Federal Law 10 USC 2605. By pressing the I Accept button on this web page, I certify I have read, understand, and will comply with all of the governing volun education instructions and the provisions on this form. I understand I will pay all costs over and above the amount of tuition assistance authorized.

Commissioned Officers Only: By pressing the I Accept button on this web page, I agree, in accordance with 10 USC 2007, to remain on active duty for two (2) continuous years after completing the course. This obligation runs concurrently with any remaining obligated service time. This agreement does not obligate the military service to retain me on active duty. If allowed to voluntarily resign before my two year obligation is served, I will repay the government a portion of TA expended on my behalf during my last two years of active duty in accordance with 10 USC 2005. Reimbursement of TA does not negate the obligation.
