

Android 2FA Setup

1. Sign into your account at <https://myaccount.microsoft.com/>

The screenshot shows the MGCCC login page. At the top is the MGCCC logo and the text "Mississippi Gulf Coast Community College". Below this is a masked email address "@mgccc.edu" and the heading "Enter password". There is a password input field with a masked password "*****". Below the password field is a link "Forgot my password" and a blue "Sign in" button. At the bottom, there is a grey box with the text: "STUDENT EMAIL ADDRESSES HAVE CHANGED. PLEASE GO TO <https://mgccc.edu/studentemail> FOR MORE INFORMATION". Below this box is a paragraph of text: "Office 365 Single Sign-on for Mississippi Gulf Coast Community College provides access to all MGCCC applications and services for which you are authorized. First time users will be asked to change their password and register for password self-service recovery. Never share your password with anyone, including the helpdesk. Contact the MGCCC helpdesk at 1-855-343-9165 or helpdesk@mgccc.edu for assistance with login issues."

2. When two factor authentication is enabled for your MGCCC account, you will be prompted like below. Click on Next when prompted.

The screenshot shows the MGCCC "More information required" page. At the top is the MGCCC logo and the text "Mississippi Gulf Coast Community College". Below this is a masked email address "@mgccc.edu" and the heading "More information required". The text below the heading says: "Your organization needs more information to keep your account secure". There are three links: "Skip for now (14 days until this is required)", "Use a different account", and "Learn more". A blue "Next" button is at the bottom right. At the bottom, there is a grey box with the text: "STUDENT EMAIL ADDRESSES HAVE CHANGED. PLEASE GO TO <https://mgccc.edu/studentemail> FOR MORE INFORMATION". Below this box is a paragraph of text: "Office 365 Single Sign-on for Mississippi Gulf Coast Community College provides access to all MGCCC applications and services for which you are authorized. First time users will be asked to change their password and register for password self-service recovery. Never share your password with anyone, including the helpdesk. Contact the MGCCC helpdesk at 1-855-343-9165 or helpdesk@mgccc.edu for assistance with login issues."

Keep your account secure

Your organization requires you to set up the following methods of proving who you are.

Microsoft Authenticator

Start by getting the app

On your phone, install the Microsoft Authenticator app. [Download now](#)

After you install the Microsoft Authenticator app on your device, choose "Next".
