

iPhone App Setup for 2FA

1. Login to your account at <https://myaccount.microsoft.com/>

The image shows a login screen for Mississippi Gulf Coast Community College (MGCCC). At the top is the MGCCC logo. Below it is a back arrow and a redacted email address ending in @mgccc.edu. The heading "Enter password" is followed by a password input field with a redacted password. A "Forgot my password" link is below the field. A blue "Sign in" button is at the bottom right. A grey box at the bottom contains a message about student email addresses changing and provides contact information for the helpdesk.

**STUDENT EMAIL ADDRESSES HAVE CHANGED.
PLEASE GO TO <https://mgccc.edu/studentemail>
FOR MORE INFORMATION**

Office 365 Single Sign-on for Mississippi Gulf Coast Community College provides access to all MGCCC applications and services for which you are authorized. First time users will be asked to change their password and register for password self-service recovery. Never share your password with anyone, including the helpdesk. Contact the MGCCC helpdesk at 1-855-343-9165 or helpdesk@mgccc.edu for assistance with login issues.

2. When two factor authentication is enabled for your MGCCC account, you will be prompted like below. Click on Next when prompted.

The image shows a screen titled "More information required" for MGCCC. It features the MGCCC logo, a back arrow, and a redacted email address ending in @mgccc.edu. The text states that more information is needed to keep the account secure. There are three links: "Skip for now (14 days until this is required)", "Use a different account", and "Learn more". A blue "Next" button is at the bottom right. A grey box at the bottom contains the same message about student email addresses changing and helpdesk contact information as the previous screen.
